Long Way To Shiloh:

A Long Way to Shiloh Lionel Davidson, 1966 *From Gaelic to Romantic*, 2023-12-21 The appearance of James Macpherson's Ossian in the 1760s caused an international sensation The discovery of poetic fragments that seemed to have survived in the Highlands of Scotland for some 1500 years gripped the imagination of the reading public who seized eagerly on the newly available texts for glimpses of a lost primitive world That Macpherson's versions of the ancient heroic verse were more creative adaptations of the oral tradition than literal translations of a clearly identifiable original may have exercised contemporary antiquarians and contributed eventually to a decline in the popularity of Ossian Yet for most early readers as for generations of enthusiastic followers what mattered was not the accuracy of the translation but the excitement of encountering the primitive and the mood engendered by the process of reading The essays in this collection represent an attempt by late twentieth century readers to chart the cultural currents that flowed into Macpherson's texts and to examine their peculiar energy Scholars distinguished in the fields of Gaelic German Irish Scottish French English and American literature language history and cultural studies have each contributed to the exploration of Macpherson's achievement with the aim of situating his notoriously elusive texts in a web of diverse contexts Important new research into the traditional Gaelic sources is placed side by side with discussions of the more immediate political impetus of his poetry while studies of the reception of Ossian in Scotland Germany France and England are part of the larger recognition of the cultural significance of Macpherson's work and its importance to issues of fragmentation liminality colonialism national identity sensibility and gender **The Stars for a Light** Lynn Morris, 2011-09-01 She had a dream but reaching her goal seemed as dark as night Fresh from medical school in the 1860s and a woman at that the young Dr Cheney Duvall struggles to find a position She has almost given up hope when Asa Mercer turns up He wants her services to chaperone and care for two hundred brides to be on a sea voyage from New York to Washington Territory Cheney jumps at the opportunity Accompanied by an unlikely nurse Shiloh Irons Cheney finds herself facing an arduous voyage and dangers for which her medical training didn't prepare her *A Woman's Voice* Marcella Bakur Weiner, Blema Feinstein, 2001 *A Woman's Voice* examines the themes reflected in the stories of women in the Bible and relates these motifs directly to the lives of women today Marcella Bakur Weiner and Blema Feinstein celebrate the ideas and lessons found in traditional Jewish sources and explain their relevance for contemporary women *Secret Place of Thunder* Lynn Morris, 2021-04-18 A disturbing letter from Cheney's great aunts brings her to their New Orleans plantation but what she discovers is more dangerous than she imagined Performing rituals and warnings leading to mysterious illnesses and crop failure a cult is trying to scare Cheney's relatives off the land Can she unearth the group's sudden interest in the plantation before it's too late *The Longest Night* David J Eicher, 2002-03-30 A riveting indispensable history of the Civil War told chronologically from the first shots fired at Fort Sumter to the surrender in the summer of 1865 a conflict that James McPherson in the Foreword calls the most dramatic violent and fateful

experience in American history In this compelling account of the American Civil War noted historian David Eicher gives us an authoritative history of battle from the first shots at Fort Sumter to Lee's surrender at Appomattox As a strictly military history The Longest Night covers hundreds of engagements both well known and obscure including the oft neglected Western theater and naval actions along the coasts and rivers The result is a gripping popular history that will fascinate anyone just learning about the Civil War while offering more than a few surprises for longtime students Drawing on hundreds of sources and excerpts from correspondence by those who fought the war The Longest Night conveys a real sense of life and death on the battlefield In addition Eicher analyzes each side's evolving strategy examines the tactics of Lee Grant Johnston and Sherman and discusses significant topics such as prisons railroads shipbuilding clandestine operations and the role of African Americans in the war This is an definitive chronicle of the war that as the author writes like no other conflict in our history casts a long shadow onto modern America

The Eternal Masquerade Vincent Thurman,2015-12-09 Intriguing suspenseful and compelling The Eternal Masquerade takes readers through the next phase of The Eternal Darkness saga As The Eternal Secrets came to an end readers witnessed the betrayal and heartbreak between Jenessa and Camden and the lengths Seth Crenshall would go in order to achieve his desires Deceptions played a major part in the many friendships and family reunions and in the end demolished any hopes of family connections Haven Crest is a town that harbors conniving and deadly secrets The power struggles are revealed as the dead body count starts to rise The Committee and Reverend Carl Wardrett fight for the same cause of protecting the innocent residents of Haven Crest but there are different views as to what keeps the battle lines drawn between right and wrong As the various masquerades are revealed in this story one in particular will have readers on the edge of their seats until the very end Readers can now enjoy twists and turns that leave them speechless as they enter The Eternal Masquerade

Early days; or, The Wesleyan scholar's guide ,1882 **Finding Your Child's Way on the Autism Spectrum** Dr. Laura Hendrickson,2009-02-01 It seems that nearly everyone knows a family with an autism spectrum child Most recent figures suggest that the prevalence of all autism spectrum disorders in the United States is an astonishing 1% of the population in the United States translating to twelve million parents and grandparents that are seeking answers There are many books available on how to cure an autistic preschooler but none on how to raise one to adulthood These promised cures raise parents hopes but most parents will find that they are dealing with a lifelong challenge no matter what they do Dr Laura Hendrickson is a trained psychiatrist biblical counselor and the mother of an autistic child She understands the struggles parents face as they try to communicate with their autism spectrum child and manage behavior challenges With an approach that is grounded in a deep understanding of the challenges those caring for autism spectrum children face Finding Your Child's Way on the Autism Spectrum gives the reader sound practical tools for understanding how to guide an autism spectrum child to function more fully as the person God created them to be

Shiloh's Well Fred Sherrod,2012-07-25 When a woman from Samaria comes to draw water at Jacobs well Jesus known

prophetically as Shiloh Prince of Peace offers her an incredible gift of living water. All she has to do is ask which, by the way, still applies today. Jesus explains that everyone who drinks from His well, even those of questionable character like her, will never be thirsty again and the water will become a spring welling up to eternal life. NIV In Shiloh's Well, you can read all about an overflowing abundant life that is available to all those who drink of this miraculous living water. My prayer is that these pages will proclaim a clear unequivocal message of eternal hope and spiritual truth pointing to the God who has sustained and blessed me my entire life. May Shiloh's Well make you smile, touch your heart, lead you humbly to the feet of Christ, enlighten your spiritual understanding and challenge your commitment to Christian service. *Forgotten Girls* D.K. Hood, 2025-09-18

She bites her nails as she steals a glance at the stranger in the pickup truck beside her. She trusted him when he offered her a ride, but now as he turns onto a deserted road leading into a dark pine forest, she knows she's made a huge mistake. Special agent Beth Katz races through the dense Montana woodland toward a small isolated cabin. She's investigating the disappearance of her partner Dax Styles's sister who went missing as she walked home from school, and Beth finally has a solid lead. Outside the decrepit building, her heart pounds wondering what she will find on the other side of the door. A young woman with long brown hair and cornflower blue eyes just like Dax's shakes in the kitchen. It's clearly Ginny, but before Dax can speak to his long lost sister, Beth hears a noise from outside. In a rundown outbuilding, they discover another young girl reported missing just weeks before. Dressed in a thin nightie, Ava cowers as Beth breaks into the padlocked room. Her captor has fled, but Beth will use every skill she's got to track him down. Working night and day, Beth uncovers more cases of young girls taken from remote roads near their homes. Twelve-year-old Shiloh Weeks vanished as she walked home just days ago. Her story remarkably similar to Ginny and Ava's. Beth and Dax are on a mission to put a stop to this twisted individual and save any new girls from being taken into the woods and lost forever. But when the trail leads them to a man impersonating a police officer to gain the trust of his victims, will Dax hand him over or take matters into his own hands? Perfect for fans of Robert Dugoni, Lisa Regan, and Melinda Leigh, this absolutely nail-biting new crime series from USA Today and Wall Street Journal bestselling author D.K. Hood is sure to keep you up all night. What readers are saying about *Forgotten Girls*: The world could have stopped turning and I would not have noticed it.
