and most innovative thinking from around the world on the full range of topics related to training development and
performance management Bradford S Bell PhD Cornell University USA Editor Personnel Psychology I wish I could have
accessed this book many years ago Comprehensive and scholarly the four sections training e learning personal and
professional development and performance management fit well together and address a gap in the literature that has been
apparent for some time The psychological perspective speaks to growing interest in the micro foundations of strategic
success and the blending together of both formal and informal perspectives on learning in organizations ensures a holistic
rather than piecemeal approach to the question of how to build individual knowledge skills and competences in organizations
I believe that this book will make a significant impact on its target audience in this critical area Helen Shipton Professor of

International Human Resource Management Nottingham Trent University UK The Wiley Blackwell Handbook of the Psychology of Training Development and Performance Improvement provides up to date contemporary information for researchers and professionals by reviewing the latest literature and research in the interconnected fields of training development and performance appraisal It brings a psychological perspective to bear on a multidisciplinary field that links to management human resources and education Unique to reference works in this area it maintains a truly global focus on the field with top international contributors looking at research and practice from around the world including South America Europe Canada and Australia as well as the United States and the United Kingdom The chapters cover a diverse range of important contemporary topics such as needs analysis job design active learning self regulation simulation approaches 360 degree feedback and virtual learning environments Together they offer researchers and professionals essential information for building a talented organization a critical and challenging task for organizational success in the twenty first century
