Looking On Images Femininity:

Looking on Rosemary Betterton, 1987 **Queering Femininity** Hannah McCann, 2017-12-04 *Queering Femininity* focuses on femininity as a style of gender presentation and asks how and whether it can be refigured as a creative and queer style of the body Drawing on a range of feminist texts and interviews with self identifying queer femmes from the LGBTQ community Hannah McCann argues that the tendency to evaluate femininity as only either oppressive or empowering limits our understanding of its possibilities She considers the dynamic aspects of feminine embodiment that cannot simply be understood in terms of gender normativity and negotiates a path between understanding both the attachments people hold to particular gender identities and styles and recognising the punitive realities of dominant gender norms and expectations Topics covered range from second wave feminist critiques of beauty culture to the importance of hair in queer femme presentation This book offers students and researchers of Gender Queer and Sexuality Studies a fresh new take on the often troubled relationship between feminism and femininity a critical but generous reading that highlights the potential for an affirmative orientation that is not confined by the demands of identity politics **Material Girls** Suzanna Danuta Walters, 1995-06 On feminist cultural theory **Sexing the Look in Popular Visual Culture** Kathy Justice Gentile, 2020-05-15 With dramatic advances in media technology the practice of sexing or erotically enhancing images has become an increasingly widespread phenomenon The eroticized look as both noun and verb the thing or image that draws our look and the look that we bestow on images that elicit our visual physiological and emotional attention is the focus of the essays in this volume Every day whether we are out in the world or in the workplace or in the privacy of our homes we enter visual fields that heighten and distort reality distortions that often emphasize sexuality and erotic promise The contributors for this collection look at the sexualization of visual culture from a range of disciplinary perspectives including literature film studies history philosophy art history and media studies with gender and sexuality studies providing the encompassing critical framework that binds these essays into a coherent analytical project The essays in this collection offer new theoretical conceptions of perception and representation as well as rigorous reconsiderations of the polarized feminist debates over pornographic images Essays on literature and film range from an interrogation of Baudrillard's theory of seduction that posits femininity as a strategy of illusion and subversion to Bridget Jones's challenge to the prevailing disciplinary regime that prescribes rigid standards for feminine beauty to a reevaluation of the subversive potential of sexy female robots Other contributors consider the history of nudist images in US periodicals the proliferation of eroticized images of girls in new digital technologies gentlemanly masculinity in men's fashion in late Victorian England and a rape prevention campaign's unintentional reinforcement of persistent heterosexist misconceptions about rape [The Feminism and Visual Culture Reader](#) Amelia Jones, 2003 Challenging the notion of feminism as a unified discourse this book assembles writings that address art film architecture popular culture new media and other visual fields from a feminist perspective The

book combines classic texts with six newly commissioned pieces Articles are grouped into thematic sections each introduced by the editor Providing a framework within which to understand the shifts in feminist thinking in visual studies as well as an overview of major feminist theories of the visual this reader also explores how issues of race class nationality and sexuality enter into debates about feminism in the field of the visual book cover **Between Women** Sharon Marcus,2009-07-10

Women in Victorian England wore jewelry made from each other's hair and wrote poems celebrating decades of friendship They pored over magazines that described the dangerous pleasures of corporal punishment A few had sexual relationships with each other exchanged rings and vows willed each other property and lived together in long term partnerships described as marriages But as Sharon Marcus shows these women were not seen as gender outlaws Their desires were fanned by consumer culture and their friendships and unions were accepted and even encouraged by family society and church Far from being sexless angels defined only by male desires Victorian women openly enjoyed looking at and even dominating other women Their friendships helped realize the ideal of companionate love between men and women celebrated by novels and their unions influenced politicians and social thinkers to reform marriage law Through a close examination of literature memoirs letters domestic magazines and political debates Marcus reveals how relationships between women were a crucial component of femininity Deeply researched powerfully argued and filled with original readings of familiar and surprising sources *Between Women* overturns everything we thought we knew about Victorian women and the history of marriage and family life It offers a new paradigm for theorizing gender and sexuality not just in the Victorian period but in our own

Rhetoric of Femininity Donnalyn Pompper,2016-12-20 *Rhetoric of Femininity* Female Body Image Media and Gender Role Stress Conflict offers critical and social identity intersectionalities approach to interpretations of femininity among three generations of women for a rhetorical examination of how femininity is made to mean by media and popular culture Amplified are voices of women across multiple age ethnic and sexual orientation groups who shared in focus groups and interviews their perceptions of femininity and feminine ideals Femininity is explored using theories from communication and mass media psychology sociology and feminist and gender studies Donnalyn Pompper explores femininities as shaped by cultural rituals and industries at home and at work in organizations on sporting fields and arenas and in politics *Feminism Art Theory* Hilary Robinson,2015-04-20 Charting over 45 years of feminist debate on the significance of gender in the making and understanding of art the long anticipated new edition of *Feminism Art Theory* has been extensively updated and reworked Completely revised retaining only one third of the texts of the earlier edition with all other material being new inclusions Brings together 88 revealing texts from North America Europe and Australasia juxtaposing writings from artists and activists with those of academics Embraces a broad range of threads and perspectives from diverse national and global approaches lesbian and queer theory and postmodernism to education and aesthetics Includes many classic texts but is particularly notable for its inclusion of rare and significant material not reprinted elsewhere Provides a uniquely flexible

resource for study and research due to its scale and structure each of the seven sections focuses on a specific area of debate with texts arranged chronologically in order to show how issues and arguments developed over time **Working Out**

Hilary Hinds, Ann Phoenix, Jackie Stacey, 2003-09-02 Addresses issues of concern in the area of women's studies aiming to offer fresh perspectives on sexuality paid work the development process equal opportunities legislation lesbian history and women's writing The book is also concerned with the politics and practice of women's studies *Star Gazing* Jackie

Stacey, 2013-11-05 In a historical investigation of the pleasures of cinema *Star Gazing* puts female spectators back into theories of spectatorship Combining film theory with a rich body of ethnographic research Jackie Stacey investigates how female spectators understood Hollywood stars in the 1940s and 1950s Her study challenges the universalism of psychoanalytic theories of female spectatorship which have dominated the feminist agenda within film studies for over two decades Drawing on letters and questionnaires from over three hundred keen cinema goers Stacey investigates the significance of certain Hollywood stars in women's memories of wartime and postwar Britain Three key processes of spectatorship escapism identification and consumption are explored in detail in terms of their multiple and changing meanings for female spectators at this time *Star Gazing* demonstrates the importance of cultural and national location for the meanings of female spectatorship giving a new direction to questions of popular culture and female desire **Feminism in**

Coalition Liza Taylor, 2022-11-11 In *Feminism in Coalition* Liza Taylor examines how US women of color feminists coalitional politics provides an indispensable resource to contemporary political theory feminist studies and intersectional social justice activism Taylor charts the theorization of coalition in the work of Bernice Johnson Reagon Audre Lorde Barbara Smith the Combahee River Collective Gloria Anzaldúa Cherríe Moraga and others For these activist scholars coalition is a dangerous struggle that emerges from a shared political commitment to undermining oppression and an emphasis on self transformation Taylor shows how their coalitional understandings of group politics identity consciousness and scholarship have transformed how activists and theorists build alliances across race class gender sexuality faith and ethnicity to tackle systems of domination Their coalitional politics enrich current discussions surrounding the impetus and longevity of effective activism present robust theoretical accounts of political subject formation and political consciousness and demonstrate the promise of collective modes of scholarship In this way women of color feminists have been formulating solutions to long standing problems in political theory By illustrating coalition's vitality to a variety of practical and philosophical interdisciplinary discussions Taylor encourages us to rethink feminist and political theory Discourses of Race, Ethnicity
