victory over the things you may have been struggling with your entire life including Rejection Negativity Sickness Fear Impure Thoughts Many Christians seek God's wisdom but have not been successful in receiving life fulfilling answers Author Warren Hunter teaches you how to operate with the mindset of Jesus when He was on the earth Let this mind be in you which was also in Christ Jesus who being in the form of God did not consider it robbery to be equal with God but made Himself of no reputation taking the form of a bondservant and coming in the likeness of men Philippians 2:5-7 NKJV Think Like God reveals God's plan for your thought life based on His Word It is time to Think Like God overcome your past and set forth your fantastic future today     Public Papers of the Presidents of the United States: Ronald Reagan, 1987 Reagan, Ronald, 1989-01-01 Public Papers of the Presidents of the United States     *Raped in the Church* Mohadeebah, 2019-11-12 This book is not intended for everyone to read or for everyone to like it is for the millions of people who have been unjustly raped in the church without any type of human justice or foreseeable biblical justice This book is for those who have been hurt or abused in the natural psychological mental physical and the spiritual realm If you are a new convert do not read this book because some things may shock you or even shake your faith in your local lay members or clergy who do not deserve any unjust criticism Some stories may seem unreal but they are based on real life events of everyday people who you see or are seen in the sanctuary worshipping God never knowing what they are going through or why they leave the church today some even convert to other religions As a result of hurt and frustration many never return to the organized church and prefer a relationship with God through television evangelist I am not targeting Christianity but most of the stories and events are from people who are or once was a Christian I must say in all fairness I must say that I'm a Christian and this book is written from a Christian point of view It's written to heal as well as inform that not everyone in the church is of the church meaning the kingdom of God To the clergy and lay members please remember this the Lord said woe unto the Shepherd that scatter MY Sheep he said that we are the sheep of his pasture Many people in leadership today seem to forget that very important fact that we are not theirs to command and bid as they see fit If you choose to read this book you will always have an awareness of what is going on with those who have been spiritually raped Some people may not believe you when you tell them what you have read and what you learned which is fine Remember they did not believe Jesus either Finally as one pastor once said to me many years ago that education stuff isn't going to get you anywhere he/she didn't know that the bible has been translated by some of the best scholars of our time and our theology has had many contributors throughout history From the Quakers Shakers Lutheran Catholic Jews and even Mormons The Lord said that knowledge would steadily increase and if a man lacks knowledge or wisdom let him ask God who gives liberally and upbraids not     Public Papers of the Presidents of the United States United States. evangelism for a parish and also the most important factor in the spiritual growth of both the congregation and the pastor With emphasis on the Word as the foundation the author adds music and liturgy to the sermon s structure to build a unified worship experience Recognizing that the Word is truth but that the truth needs to be made to seem true the book offers sound practical advice on sermon preparation based on both classical and contemporary communication theory Sermon preparation is viewed as a process that begins with downloading the Word followed by productive meditation The process then moves through the rhetorical steps from a search for content to the sermon s delivery Throughout the book the rhetorical principles are treated as a subordinate element to the Word a means of giving effectiveness to the truth The Rhetoric of the Pulpit aims to reflect the spirit of Aristotle St Augustine St Paul and Kenneth Burke **The Digital**
