research endeavors Librarian's Guide to Writing for Professional Publication Marta Mestrovic Deyrup, 2018-12-04 Professional publication can take your career to the next level Use this guide to learn the best ways to share your expertise and show commitment to the profession through publishing Even if you're not yet confident about your experience ideas or writing skills more than likely you're ready to consider publishing This practical guide will supply the encouragement and direction for you to effectively communicate using the written word and start publishing which will likely serve to boost your career It explains the difference between traditional and self publishing supplies advice on picking a publisher and working successfully with a publisher and provides useful information on copyright open access publishing and contract signing While geared to all librarians this book also includes text intended specifically for librarians on the tenure track and those who wish to experiment with new media The book supplies writing templates that make it simple to write various types of communication such as a letter to the editor effective emails and memos or compelling letter of recommendation a news release newsletter or feature story and conference proceedings peer reviewed articles technical manuals or brochures You'll also learn how to write a proposal for a book or journal article to submit to a publisher and how to turn your master's thesis or doctoral thesis into a published work Any librarian who is serious about advancing their career will find this an invaluable resource

What's Your Story? Marion Dane Bauer, 1992-04-20 The award winning author provides mentoring and practical and technical advice in this handy how to book as useful to teachers as to young writers School Library Journal starred review Storytelling is a universal experience From an early age we begin to shape our own world by crafting tales But learning to tell and write a good story isn't easy It takes dedication and practice just like for a musician or an athlete and it can be just as rewarding to accomplish as winning a game or mastering an instrument It's the kind of work that feeds our souls and makes us glad to be alive In *What's Your Story* Newbery Medal winning author Marion Dane Bauer discusses how to write fiction from beginning to end including creating a story plan choosing the best idea bringing characters to life deciding on a point of view creating realistic dialogue keeping readers hooked and revising and polishing the finished product Her last comment is telling Knowing your craft can help you tell a story But only by taking risks can you make art After many pages of provocative information and straightforward counsel that sentence may be the one to launch youngsters to the challenge The book speaks directly to young writers but many adults teachers librarians reviewers editors would be writers will also find this sensible dissection of the storytelling process invaluable Kirkus Reviews starred review A pragmatic organized approach to story writing the exercises and thought processes introduced as groundwork come across as stimulating rather than tedious and may serve to hone analytical skills as well as inspire even the most reluctant writers to try their hand Publishers Weekly
