United States Japan and Singapore from A S Byatt s novel *Possession* and its Hollywood film adaptation to Japanese Lolita fashion and the Lady Victorian manga series Waiyee Loh argues that the British heritage industry thrives on the persistence of this idea Yet this industry also competes and collaborates with the US and Japanese cultural industries as they too engage with the legacy of British universalism to carve out their own empires in a global creative economy Unique in its scope Empire of Culture centers Britain s engagements with the US and East Asia to illuminate fresh axes of influence and appropriation and further bring Victorian studies into contact with various sites of literary and cultural fandom **The Penguin Modern Classics Book** Henry Eliot,2021-11-18 The essential guide to twentieth century literature around the world For six decades the Penguin Modern Classics series has been an era defining ever evolving series of books encompassing works by modernist pioneers avant garde iconoclasts radical visionaries and timeless storytellers This reader s companion showcases every title published in the series so far with more than 1 800 books and 600 authors from Achebe and Adonis to Zamyatin and Zweig It is the essential guide to twentieth century literature around the world and the companion volume to The Penguin Classics Book Bursting with lively descriptions surprising reading lists key literary movements and over two thousand cover images The Penguin Modern Classics Book is an invitation to dive in and explore the greatest literature of the last hundred years **The Novel Life of PG Wodehouse** Roderick Easdale,2014-06-18 Was PG Wodehouse really a traitor a naive simpleton dominated by his wife and out of touch with the world around him This book challenges many of the accepted wisdoms about PG Wodehouse and his work and skilfully entwines details of Wodehouse s life with an analysis of his work to show that contrary to popular belief many of the scenarios characters and issues he wrote about came from his own sometimes bitter personal experience It shows for instance how Bertie Wooster is a much misunderstood figure in literature and shared many of the characteristics and life story of PG Wodehouse himself Easdale also gives fresh insight into PG Wodehouse s alleged treachery during World War II and his motives for making five radio broadcasts from Germany which were to cast a shadow over the rest of his life Easdale often finds an original angle with which to shatter stale accepted perception this book is compelling Country Life This fascinating examination offers a refreshing and accessible study of Wodehouse s work Press Association **The Secrets to Writing Great Comedy** Lesley Bown,2011-04-29 The Secrets to Writing Great Comedy will show you how to unlock your inner anarchist and write fantastic comedy using a combination of practical exercises and creative inspiration Whatever your preferred genre from sitcom to sketch show you will find guidance on everything from wordplay and visual humour to plots characters and different styles There is even detailed coverage of how to submit copyright and most importantly get your work noticed **The Strand Magazine** ,1926 *Liberty* ,1926 **P.G.
