Mr Bedford And The Muses:

Mr. Bedford and the Muses Gail Godwin, 1984-06 *The Making of a Writer* Gail Godwin, 2007-12-18 Gail Godwin was twenty four years old and working as a waitress in the North Carolina mountains when she wrote I want to be everybody who is great I want to create everything that has ever been created It is a declaration that only a wildly ambitious young writer would make in the privacy of her journal In the heady days of her literary apprenticeship Godwin kept a daily chronicle of her dreams and desires her travels love affairs struggles and breakthroughs Now at the urging of her friend Joyce Carol Oates Godwin has distilled these early journals which run from 1961 to 1963 to their brilliant and charming essence *The Making of a Writer* opens during the feverish period following the breakup of Godwin s first marriage and her stint as a reporter for The Miami Herald Aware that she is entering one of the great turning points of her life as she prepares to move to Europe Godwin writes of the 100 different hungers that consume her on the eve of departure A whirlwind trip to New York the passengers and their stories on board the SS Oklahoma the shock of her first encounters with Danish customs and Danish men Godwin wonderfully conveys the excitement of a writer embracing a welter of new experience After a long dark Scandinavian winter and a gloriously romantic interlude in the Canary Islands Godwin moves to London and embarks on the passionate engagements that will inspire some of her finest stories She records the pleasures of soaking in the human drama on long rambles through the London streets and the torment of lonely Sundays spent wrestling these impressions into prose She shares her passion for Henry James Marcel Proust Lawrence Durrell Thomas Wolfe and her terror of facing twenty six with nothing to show but a rejected novel and a stack of debts I do not feel like a failure Godwin insists as she sits down yet again to the empty page I will keep writing harder than ever Like Virginia Woolf s *A Writer s Diary* Gail Godwin s journals brim with the urgency and wit of a brilliant literary mind meeting the world head on An inspired and inspiring volume *The Making of a Writer* opens a shining window into the life and craft of a great writer just coming into her own [American Women Writing Fiction](#) Mickey Pearlman, 2014-10-17 American literature is no longer the refuge of the solitary hero Like the society it mirrors it is now a far richer many faceted explication of a complicated and diverse society racially culturally and ethnically interwoven and at the same time fractured and fractious Ten women writing fiction in America today Toni Cade Bambara Joan Didion Louise Erdrich Gail Godwin Mary Gordon Alison Lurie Joyce Carol Oates Jayne Anne Phillips Susan Fromberg Schaeffer and Mary Lee Settle represent that geographic ethnic and racial diversity that is distinctively American Their differing perspectives on literature and the American experience have produced Erdrich s stolid North Dakota plainswomen Didion s sun baked dreamers and screamers the urban ethnics Irish Jewish and black of Gordon Schaeffer and Bambara Oates s small town often violent neurotics Lurie s intellectual sophisticates and the southern survivors and victims male and female of Phillips Settle and Godwin The ten original essays in this collection focus on the traditional themes of identity memory family and enclosure that pervade the fiction of these writers The fictional women who emerge here as these

critics show are often caught in the interwoven strands of memory perceive literal and emotional space as entrapping find identity elusive and frustrating and experience the interweaving of silence solitude and family in complex patterns Each essay in this collection is followed by bibliographies of works by and about the writer in question that will be invaluable resources for scholars and general readers alike Here is a readable critical discussion of ten important contemporary novelists who have broadened the pages of American literature to reflect more clearly the people we are Short Story Index ,1979 **The Finishing School** Gail Godwin,2011-10-05 Justin Stokes would never forget the summer she turned fourteen nor the woman who transformed her bleak adolescent life into a wondrous place of brilliant color In the little pondside hut also known as the finishing school eccentric free spirited Ursula DeVane opened up a world full of magical possibilities for Justin teaching her valuable lessons of love and loyalty and encouraging her to change to learn to grow But the lessons of the finishing school have their dark side as well as Justin learns how deep friendship can be shattered by shocking unforgivable betrayal NOTE This edition does not include images *Queen of the Underworld* Gail Godwin,2007-01-30 Here at last is the eagerly awaited new novel from New York Times bestselling author Gail Godwin *Queen of the Underworld* is sweeping and sultry literary fiction featuring a memorable young heroine and engaging characters whose intimate dramas interconnect with hers In the summer of 1959 as Castro clamps down on Cuba and its first wave of exiles flees to the States to wait out what they hope to be his short lived reign Emma Gant fresh out of college begins her career as a reporter Her fierce ambition and belief in herself are set against the stories swirling around her both at the newspaper office and in her downtown Miami hotel which is filling up with refugees Emma s avid curiosity about life thrives amid the tropical charms and intrigues of Miami While toiling at the news desk she plans the fictional stories she will write in her spare time She spends her nights getting to know the Cuban families in her hotel and rendezvousing with her married lover Paul Nightingale owner of a private Miami Beach club As Emma experiences the historical events enveloping the city she trains her perceptive eye on the people surrounding her a newfound Cuban friend who joins the covert anti Castro training brigade a gambling racketeer who poses a grave threat to Paul and a former madam still in her twenties who becomes both Emma s obsession and her alter ego Emma s life like a complicated dance that keeps sweeping her off her balance is suddenly filled with divided loyalties shady dealings romantic and professional setbacks and throughout her adamant determination to avoid usurpation by others and remain the protagonist of her own quest **The Making of a Writer, Volume 2** Gail Godwin,2011-01-04 True time is the villain and we are trapped in him True love is sometimes not returned True friends are sometimes false But to be aware of this all of it and still want to go on living that is the triumph It is the reward As a young woman and aspiring author Gail Godwin kept a detailed journal of her hopes and dreams her love affairs daily struggles and small triumphs as she yearned for the day when she would finally become a published writer At the urging of her friend Joyce Carol Oates Godwin has distilled these early journals into two parts This second and final

volume opens in London in 1963 and concludes with the triumphant sale of Godwin's first novel in 1969 Newly divorced and filled with literary ambition Godwin arrives in London in 1962 At the start of this second volume the call to write has become ingrained in the trajectory of her life Though she is hobbled by a tedious but well paying job with the U S Travel Service I thought I should no more be doing this job than raising skunks Godwin's journals brim with the emotional complexity and intellectual curiosity that will soon distinguish her novels and a sharp wit that belies her twenty six years Through these pages Godwin's development as a writer takes center stage bolstered by her keen observations of human relationships especially those between men and women I want to exploit define name place this ever shifting contest between men and women Her own love affairs are varied doomed and fascinating There's a short lived engagement to a rugby player a dalliance with a policeman a tortured marriage to a psychiatrist obsessed with Scientology Men have let me down she writes and I construct my meaning in the emptiness they've left behind Leaving London and all its passionate wonders and disappointments Godwin arrives in Iowa City to study at the Iowa Writers Workshop There taught by Kurt Vonnegut and Jos Donoso building friendships with Jane Barnes John Casey David Plimpton and John Irving Gail Godwin finally achieves her dream and a published novelist is born The Making of a Writer Volume 2 is a remarkable window into the life of one of the most notable American writers of a generation and an extraordinarily candid look at the very heart of a woman who has written herself to acclaim

The United Stories of America Rolf Lundén, 2022-06-08 This book discusses the American short story composite or short story cycle a neglected form of writing consisting of autonomous stories interlocking into a whole The critical work done on this genre has so far focused on the closural strategies of the composites on how unity is accomplished in these texts This study takes into consideration to a greater degree than earlier criticism the short story composite as an open work emphasizing the tension between the independent stories and the unified work between the discontinuity and fragmentation on the one hand and the totalizing strategies on the other The discussion of the genre is illustrated with references to numerous American short story composites
