Mr Carr Of State Forty Seven Years In:

American Refugee Policy and European Jewry, 1933-1945 Richard Bretman, Alan M. Kraut, 1987 How does one explain America's failure to take bold action to resist the Nazi persecution and murder of European Jews In contrast to recent writers who place the blame on anti-Semitism in American society at large and within the Roosevelt administration in particular Richard Breitman and Alan M Kraut seek the answer in a detailed analysis of American political realities and bureaucratic processes Drawing on exhaustive archival research the authors describe and analyze American immigration policy as well as rescue and relief efforts directed toward European Jewry between 1933 and 1945 They contend that U S policy was the product of preexisting restrictive immigration laws an entrenched State Department bureaucracy committed to a narrow defense of American interests public opposition to any increase in immigration and the reluctance of Franklin D Roosevelt to accept the political risks of humanitarian measures to benefit the European Jews The authors find that the bureaucrats who made and implemented refugee policy were motivated by institutional priorities and reluctance to take risks rather than by moral or humanitarian concerns *News Letter* United States. Department of State, 1969 **Newsletter** United States. Department of State, 1979 **US Consular Representation in Britain since 1790** Nicholas M Keegan, 2018-03-08 In its early years the United States Consular Service was a relatively amateurish organization often staffed by unsuitable characters whose appointments had been obtained as political favours from victorious presidential candidates a practice known as the Spoils System Most personnel changed every four years when new administrations came in This compared unfavourably with the consular services of the European nations but gradually by the turn of the twentieth century things had improved considerably appointment procedures were tightened up inspections of consuls and how they managed their consulates were introduced and the separate Consular Service and Diplomatic Service were merged to form the Foreign Service The first appointments to Britain were made in 1790 with James Maury becoming the first operational consul in the country at Liverpool At one point there was a network of up to ninety US consular offices throughout the UK stretching from the Orkney Islands to the Channel Islands Nowadays there is only the consular section in the embassy and the consulates general in Edinburgh and Belfast **The Imperial Season** William Seale, 2017-12-28 This story of the young city of Washington coming up in the international scene is populated with presidents foreign diplomats civil servants architects artists and influential hosts and hostesses who were enamored of the idea of world power but had little idea of the responsibilities involved Between the Spanish American War and World War I the thrill of America's new international role held the nation's capital in rapture Visionaries gravitated to Washington and sought to make it the glorious equal to the great European capitals of the day Remains of the period still define Washington the monuments and great civic buildings on the Mall as well as the private mansions built on the avenues that now serve as embassies The first surge of America's world power led to profound changes in diplomacy and a vibrant official life in Washington DC naturally followed In the twenty five

year period that William Seale terms the imperial season a host of characters molded the city in the image of a great world capital Some of the characters are well known from presidents to John Hay and Uncle Joe Cannon and some relatively unknown from diplomat Alvey Adee to hostess Minnie Townsend and feminist Inez Milholland The Imperial Season is a unique social history that defines a little explored period of American history that left an indelible mark on our nation s capital **Newsletter** ,1969 **Prologue** ,1975 *American Ambassador* Waldo H. Heinrichs Jr.,1986-11-27 This rich and intimate biography reconstructs the life of an extraordinary career diplomat Joseph Clark Grew 1880-1965 providing a fascinating glimpse of the modern American diplomatic tradition Spoilsmen in a "flowery Fairyland" Leonard Hammersmith,1998 An examination of the first 11 US ministers to Japan exploring the information expectations and values they took with them and how they shaped US diplomacy with Japan in the late 19th century It shows that the issue of trade was an ongoing 19th century problem *Administration of National Security* United States. Congress. Senate. Government Operations,1963 **The Guarded Gate** Daniel Okrent,2020-05-19 NAMED ONE OF THE 100 NOTABLE BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW From the widely celebrated New York Times bestselling author of Last Call this rigorously historical The Washington Post and timely account of how the rise of eugenics helped America keep out inferiors in the 1920s is a sobering valuable contribution to discussions about immigration Booklist A forgotten dark chapter of American history with implications for the current day The Guarded Gate tells the story of the scientists who argued that certain nationalities were inherently inferior providing the intellectual justification for the harshest immigration law in American history Brandished by the upper class Bostonians and New Yorkers many of them progressives who led the anti immigration movement the eugenic arguments helped keep hundreds of thousands of Jews Italians and other unwanted groups out of the US for more than forty years Over five years in the writing The Guarded Gate tells the complete story from its beginning in 1895 when Henry Cabot Lodge and other Boston Brahmins launched their anti immigrant campaign In 1921 Vice President Calvin Coolidge declared that biological laws had proven the inferiority of southern and eastern Europeans the restrictive law was enacted three years later In his trademark lively and authoritative style Okrent brings to life the rich cast of characters from this time including Lodge s closest friend Theodore Roosevelt Charles Darwin s first cousin Francis Galton the idiosyncratic polymath who gave life to eugenics the fabulously wealthy and profoundly bigoted Madison Grant founder of the Bronx Zoo and his best friend H Fairfield Osborn director of the American Museum of Natural History Margaret Sanger who saw eugenics as a sensible adjunct to her birth control campaign and Maxwell Perkins the celebrated editor of Hemingway and Fitzgerald A work of history relevant for today The Guarded Gate is a masterful sobering thoughtful and necessary book that painstakingly connects the American eugenicists to the rise of Nazism and shows how their beliefs found fertile soil in the minds of citizens and leaders both here and abroad *Robert Lansing:A Study in Statecraft* David Glaser,2015-02-20 This volume is a study of the career of Robert Lansing Woodrow Wilsons Secretary of State from 1915 to

1920 Holding this office during the neutrality period Americas entry into World War I and the peace negotiations that followed his was an important position at a critical juncture in American history While many historians have dismissed Lansing's contributions as insubstantial this author believes otherwise This work will show that in nudging a reluctant president toward war with Germany Lansing was persuasive indeed His most important contributions however came after Wilson returned to the United States in 1919 and became incapacitated during the fight for ratification of the Treaty of Versailles In the months that followed Lansing took the position of leadership in the Cabinet holding important meetings on all of the issues of the day and reassuring the nation that the Executive branch of government still functioned He also helped to resolve critical Mexican and Russian issues Finally and most importantly during this period Lansing was in league with the strong reservations in attempting to force Wilson to accept modifications to the Treaty as a condition for ratification In this regard he provided the Republican opposition with important information regarding compromises made at Paris and the feelings of both himself and other Commissioners as to flaws in the Treaty Throughout his career Lansing was a strong proponent of his views on the key issues of the day Sadly when faced with a President of equally strong views often different from his own Lansing resorted to indirection deception and ultimately disloyalty in attempting to achieve his objectives In the end Lansing's many positive contributions were diminished by the actions of his final days *Personnel Literature* United States Civil Service Commission. Library, 1959

The Dynamics of Business-Government Relations William H. Becker, 1982 This work represents an important advance in the study of the interrelationships between business and U S foreign policy Focusing on a single aspect of this broad field the growth of industrial exports William H Becker demonstrates the complexity of business interests and behavior of the bureaucratic and political forces at work in Congress and the Departments of Commerce and State and of the interplay between business and governmental practices and concerns In so doing he provides the first full analysis of the industrial political and bureaucratic context in which the U S became a major exporter of industrial products

U.S.-Habsburg Relations from 1815 to the Paris Peace Conference Nicole M. Phelps, 2013-08-12 This study chronicles U S Habsburg relations from the early nineteenth century through the aftermath of World War I By including both high level diplomacy and analysis of diplomats ceremonial and social activities as well as an exploration of consular efforts to determine the citizenship status of thousands of individuals who migrated between the two countries Nicole M Phelps demonstrates the influence of the Habsburg government on the United States integration into the nineteenth century Great Power System and the influence of American racial politics on the Habsburg Empire's conceptions of nationalism and democracy

Anti-Semitism in American History David A. Gerber, 1986 **Cautious Visionary**

Michael Anthony Butler, 1998 Cordell Hull's persistence and legislative experience were determining factors in the development of the Trade Agreements Act 1934 This text investigates the political struggles surrounding the passage and implementation of the Act and its impact on Roosevelt's first administration

The American Presence in Ulster: A

Diplomatic History, 1796-1996 American Presence in Ulster Francis M. Carroll, 2005-12 Alex Voorman a cerebral thirty year old archaeologist is married to the woman of his dreams a beautiful ambitious botanist named Isabel When Isabel is killed by a reckless driver Alex reluctantly consents to donate her heart Janet Corcoran a young headstrong mother of two and an art teacher at an inner city school in Chicago is sick with heart disease She is on the waiting list for a transplant but her chances are slim She watches the Weather Channel secretly praying for foul weather and car accidents The day Isabel dies Janet gets her wish Flash forward a year Janet sends Alex a letter She d like to learn something about the woman who saved her life But Alex isn t interested in talking to the recipient of his dead wife s heart Since Isabel s accident he s still grief stricken Meanwhile a local blues musician named Jasper the man responsible for Isabel s death attempts to atone for his misdeed Irreplaceable is the story of what happens after the transplant not only to Alex but within the concentric circles of family that spiral outward from him and from Janet Stephen Lovely takes us vividly inside the lives of these characters to reveal their true intentions however misguided and gives us a stunning debut novel of loss and love *Arrogant Diplomacy* Richard L.
