Monro, Dorothy E. Cook, 1953-12 Collected Books ALLEN OSB; AHEARN AHEARN (PATRICIA.), Patricia Ahearn, 2013-02 An introduction to and advice on book collecting with a glossary of terms and tips on how to identify first editions and estimated values for over 20 000 collectible books published in English including translations over the last three centuries about half are literary titles in the broadest sense novels poetry plays mysteries science fiction and children s books and the other half are non fiction Americana travel and exploration finance cookbooks color plate medicine science photography Mormonism sports et al **Time Machine Tales** Paul J. Nahin, 2016-12-24 This book contains a broad overview of time travel in science fiction along with a detailed examination of the philosophical implications of time travel The emphasis of this book is now on the philosophical and on science fiction rather than on physics as in the author s earlier books on the subject In that spirit there are for example no Tech Notes filled with algebra integrals and differential equations as there are in the first and second editions of TIME MACHINES Writing about time travel is today a respectable business It hasn t always been so After all time travel prima facie appears to violate a fundamental law of nature every effect has a cause with the cause occurring before the effect Time travel to the past however seems to allow indeed to demand backwards causation with an effect the time traveler emerging into the past as he exits from his time machine occurring before its cause the time traveler pushing the start button on his machine s control panel to start his trip backward through time Time Machine Tales includes new discussions of the advances by physicists and philosophers that have appeared since the publication of TIME MACHINES in 1999 examples of which are the chapters on time travel paradoxes Those chapters have been brought up to date with the latest philosophical thinking on the paradoxes

Historical Dictionary of Fantasy Literature Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical

terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature
