Personal Reminiscences Of A Maryland Soldier In The War Between The States 18611865

Philip Thomas Tucker

Personal Reminiscences Of A Maryland Soldier In The War Between The States 1861-1865:

Personal Reminiscences of a Maryland Soldier in the War Between the States, 1861-1865. For Private Circulation Only. George Wilson Booth, 2023-07-18 This memoir provides a first hand account of the Civil War from the perspective of a Maryland soldier. It includes stories about battles, camaraderie among soldiers and the impact of war on civilians, making it a valuable resource for anyone interested in the history of the conflict. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual or corporate, has a copyright on the body of the work. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

Personal Reminiscences of a Maryland Soldier in the War Between the States, 1861-1865

George Wilson Booth, 2002 Personal Reminiscences of a Maryland Soldier in the War Between the States, 1861-1865
George Wilson Booth, 2015-06-30 Excerpt from Personal Reminiscences of a Maryland Soldier in the War Between the States 1861-1865 For Private Circulation Only. At the request of somewhat partial friends I have undertaken to write out some of the events which came under my personal observation during the great struggle which convulsed our country now more than a third of a century ago. The narrative must of necessity be more or less personal in its character and may offend the sensibilities of some readers while it will doubtless do violence to my own sense of modesty but one cannot very well speak of the things he saw or did without this peculiarity which is here stated at the outset to break as far as possible the effect of this disagreeable feature. My early predilections were of a martial character. As a boy the story of the deeds of soldier and sailor were to me of the most engrossing interest and the display of heroism which attended the long struggle of the Revolutionary period, the war of 1812 and later that with Mexico were cherished in my youthful recollections and read and reread with an ardor that almost approached worship. As soon as my years warranted I became a member of the State volunteer soldiery in an organization of considerable reputation, the Independent Greys of Baltimore and acquired a fair proficiency in the elementary work of a soldier, the manual of arms and the school of the company. My early reading and associations led me to take views of the great questions which agitated and disturbed the public mind in the days of 1860 by enlisting most strongly my sympathies in favor of the rights of the States under the constitution and in opposition to efforts and the dominant purpose of the north to violate the express terms of that compact and to destroy the principles of home government. With all this in common with most Marylanders was held in sacred reverence the love of the Union and the glories of our common country. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com. This book is a reproduction of an important historical work. George Ernest Barnett,1904 *The Johns Hopkins University Studies in Historical and Political Science* ,1904 **The Irish of Gettysburg** Philip Thomas Tucker,2017-07-31 At the outbreak of the Civil War Irish citizens on both sides of the Mason Dixon answered the call to arms This was most evident at the Battle of Gettysburg Louisiana Irish Rebels charged with the cry We are the Louisiana Tigers Irish soldiers of the Alabama Brigade and the Texas Brigade launched assaults on the line s southern end at Little Round Top During Pickett s Charge Gaelic brothers fought each other as determined Irishmen of the Sixty Ninth Pennsylvania Volunteer Infantry repelled Irish of the Virginia Brigade in one of the most decisive moments in American history Author Phillip Thomas Tucker reveals the compelling story

Fortune's Fool Terry Alford,2015 When John Wilkes Booth assassinated President Abraham Lincoln at Ford s Theatre his friends were stunned not only by the murder but by the thought that someone they knew as fantastically gifted successful and kind hearted could commit such a crime Fortune s Fool the first biography of Booth ever written is the life story of this talented and troubling individual

The Johnson-Gilmor Cavalry Raid Around Baltimore Eric J. Wittenberg,2025-02-28 The Johnson Gilmor Raid a gripping tale of desperation and high stakes during the American Civil War unveils the doomed attempt to free Confederate prisoners

of war shedding light on the intricacies of wartime strategies and the relentless pursuit of liberty The Johnson Gilmor Raid represents one of three major attempts to free prisoners of war during the American Civil War Like the other two it was destined to fail for a variety of reasons mostly because the timetable for the operation was a schedule impossible to meet The mounted raid was a fascinating act of increasing desperation by the Confederate high command in the summer of 1864 and award winning cavalry historian Eric J Wittenberg presents the gripping story in detail for the first time in The Johnson Gilmor Cavalry Raid Around Baltimore July 10 13 1864 the fourth book in the bestselling Battles Leaders Series The thundering high stakes operation was intended to free the suffering of 15 000 Confederate prisoners held at Point Lookout Maryland a peninsula at the confluence of the Potomac River and the Chesapeake Bay The operation consisted of two mounted columns one under Bradley Johnson and a second smaller one under Harry Gilmor Each had different objectives The former would move directly on Point Lookout while the other destroyed bridges and created other mischief to tie up enemy forces The wild plot initially envisioned launching a simultaneous naval strike which went awry at the 11th hour Success would have released thousands of men behind enemy lines created significant chaos and with a little more luck returned veterans into the fighting ranks The fast paced July 1864 drama has never been told in such depth and with such precision Wittenberg draws upon a wide variety of sources to do so including contemporary newspapers Part of his analysis compares and contrasts this raid to a pair of other unsuccessful attempts to free Union prisoners of war the Kilpatrick Dahlgren Raid of February March 1864 and the Stoneman Raid on Macon Georgia of July 1864 as well as Gen George S Patton s attempt to free his son in law and other American prisoners in March of 1945 The Johnson Gilmor Cavalry Raid Around Baltimore will be welcomed by anyone with an interest in the Civil War high stakes cavalry operations or the politics of Civil War high command

From Arlington to Appomattox Charles R. Knight, 2021-06-15 Brilliant really gives one a sense of what it took to both lead and run an army in the Civil War Superb Chris Kolakowski author of The Virginia Campaigns March August 1862 In From Arlington to Appomattox Charles Knight does for Robert E Lee and students of the Civil War what E B Long s Civil War Day by Day did for our understanding of the conflict as a whole This is not another Lee biography but it is every bit as valuable as one We know Lee rode out to meet the survivors of Pickett s Charge and accept blame for the defeat that he tried to lead the Texas Brigade in a counterattack to save the day at the Wilderness and took a tearful ride from Wilmer McLean s house at Appomattox But where was Lee and what was he doing when the spotlight of history failed to illuminate him Focusing on what he was doing day by day offers an entirely different appreciation for Lee Readers will come away with a fresh sense of his struggles both personal and professional and discover many things about Lee for the first time through his own correspondence and papers From Arlington to Appomattox is a tremendous contribution to the literature of the Civil War Knight s study will become the standard reference work on Lee s daily wartime experiences R E L Krick author of Staff Officers in Gray A staggering work of scholarship Jeffry D Wert author of A Glorious Army Robert E Lee s Triumph 1862 1863

A pleasure to read Michael C Hardy author of General Lee's Immortals Keeps the reader engaged Journal of America's Military Past **Shenandoah 1862** Peter Cozzens, 2009-11-05 One of the most intriguing and storied episodes of the Civil War the 1862 Shenandoah Valley Campaign has heretofore been related only from the Confederate point of view Moving seamlessly between tactical details and analysis of strategic significance Peter Cozzens presents a balanced comprehensive account of a campaign that has long been romanticized but little understood He offers new interpretations of the campaign and the reasons for Stonewall Jackson's success demonstrates instances in which the mythology that has come to shroud the campaign has masked errors on Jackson's part and provides the first detailed appraisal of Union leadership in the Valley Campaign with some surprising conclusions The Maps of Spotsylvania Through Cold Harbor Bradley M. Gottfried, 2023-01-04 The Maps of Spotsylvania through Cold Harbor continues Bradley M Gottfried's efforts to study and illustrate the major campaigns of the Civil War's Eastern Theater This is the ninth book in the ongoing Savas Beatie Military Atlas Series After three years of bloody combat in Virginia President Abraham Lincoln promoted Ulysses S Grant to general in chief in early 1864 Grant immediately went to work planning a comprehensive strategy to bring an end to the war He hungered to remain with the Western armies but realized his place was in Washington Unwilling to be stuck in an office Grant joined George Meade's Army of the Potomac His presence complicated Meade's ability to direct his army but Grant promised to stay out of his way and give only strategic directives This arrangement lasted through the Wilderness Campaign the first action in what is now referred to as the Overland Campaign This book continues the actions of both armies through the completion of the Overland Campaign After the Wilderness fighting the Army of the Potomac attempted to swing around the right flank of Gen Robert E Lee's Army of Northern Virginia and shoot straight for Richmond The Confederate capital was never the goal the move was intended to force Lee out into the open where the larger and well stocked Union army could destroy it The head of Lee's army blunted the enemy at Spotsylvania Court House where both sides dug in Days and men were wasted on fruitless attacks until Col Emory Upton designed an audacious strike that temporarily penetrated Lee's works A much larger offensive against the Mule Shoe two days later tore the line open destroyed a Rebel division and triggered a long day of fighting More fighting convinced Grant of the folly of further attempts to crush Lee at Spotsylvania and again he swung around the Rebel right flank The march ignited almost continuous fighting at the North Anna Bethesda Church and Cold Harbor where this volume ends This study includes the various cavalry actions including those at Spotsylvania Court House Yellow Tavern Haw's Tavern and Matadequin Creek The Maps of Spotsylvania through Cold Harbor breaks down the entire operation into thirty five map sets or action sections enriched with 134 detailed full page color maps These cartographic originals bore down to the regimental and battery level and include the march to and from the battlefields and virtually every significant event in between At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed footnoted text describing the units personalities

movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the Spotsylvania story come alive This unique presentation allows readers to easily and quickly find a map and text on any portion of the campaign from the march to Spotsylvania to Cold Harbor Serious students will appreciate the extensive and authoritative endnotes and complete order of battle Everyone will want to take the book along on trips to these battlefields Perfect for the easy chair or for stomping the hallowed ground The Maps of Spotsylvania through Cold Harbor is a seminal work that belongs on the bookshelf of every serious student of the battle **Four Years in the Saddle** Harry Gilmor, 1866

Stonewall's Prussian Mapmaker Oscar Hinrichs, 2014 Stonewall's Prussian Mapmaker The Journals of Captain Oscar Hinrichs **Calamity at Frederick** Alexander B. Rossino, 2023-10-31 The loss of Robert E Lee's Special Orders No 191 is one of the Civil War's enduring mysteries In this meticulous study Alexander Rossino presents a bold new interpretation of the evidence surrounding the orders creation distribution and loss outside Frederick Maryland in September 1862 Rossino makes extensive use of primary sources to explore these subjects and other important questions related to the orders including why General Lee thought his army could operate north of the Potomac until winter why Lee found it necessary to seize the Federal garrison at Harpers Ferry what Lee hoped to accomplish after capturing Harpers Ferry where Corporal Barton Mitchell of the 27th Indiana found the Lost Orders and if D H Hill or someone else was to blame for losing the orders The result is a well documented reassessment that sheds new light while challenging long held assumptions Calamity at Frederick is the Confederate companion to The Tale Untwisted by Gene M Thorp and Alexander Rossino which told the story from the Union perspective **Robert E. Lee** Allen C. Guelzo, 2022-08-09 A WALL STREET JOURNAL BEST BOOK OF THE YEAR From the award winning historian and best selling author of Gettysburg comes the definitive biography of Robert E Lee An intimate look at the Confederate general in all his complexity his hypocrisy and courage his inner turmoil and outward calm his disloyalty and his honor An important contribution to reconciling the myths with the facts New York Times Book Review Robert E Lee is one of the most confounding figures in American history Lee betrayed his nation in order to defend his home state and uphold the slave system he claimed to oppose He was a traitor to the country he swore to serve as an Army officer and yet he was admired even by his enemies for his composure and leadership He considered slavery immoral but benefited from inherited slaves and fought to defend the institution And behind his genteel demeanor and perfectionism lurked the insecurities of a man haunted by the legacy of a father who stained the family name by declaring bankruptcy and who disappeared when Robert was just six years old In Robert E Lee the award winning historian Allen Guelzo has written the definitive biography of the general following him from his refined upbringing in Virginia high society to his long career in the U S Army his agonized decision to side with Virginia when it seceded from the Union and his leadership during the Civil War Above all Guelzo captures Robert E Lee in all his complexity his hypocrisy and courage his outward calm and inner turmoil his honor and his disloyalty Rebel Watchdog: The Confederate States Army Provost
