Block Printing & Book Illustration in Japan Louise Norton Brown, 2024-12-06 Block Printing Book Illustration in Japan 1924 was one of the first guides to Japanese illustration and remains indispensable to this day The author travelled widely in Japan persuading Japanese collectors to open their archives to her for study and here compiles a wealth of unique research

American Watercolor in the Age of Homer and Sargent Kathleen A. Foster, Philadelphia Museum of Art, 2017-01-01 The fascinating story of the transformation of American watercolor practice between 1866 and 1925 The formation of the American Watercolor Society in 1866 by a small dedicated group of painters transformed the perception of what had long been considered a marginal medium Artists of all ages styles and backgrounds took up watercolor in the 1870s inspiring younger generations of impressionists and modernists By the 1920s many would claim it as the American medium This engaging and comprehensive book tells the definitive story of the metamorphosis of American watercolor practice between 1866 and 1925 identifying the artist constituencies and social forces that drove the new popularity of the medium The major artists of the movement Winslow Homer John Singer Sargent William Trost Richards Thomas Moran Thomas Eakins Charles Prendergast Childe Hassam Edward Hopper Charles Demuth and many others are represented with lavish color illustrations The result is a fresh and beautiful look at watercolor's central place in American art and culture

Envisioning the Empress: The Lives and Images of Japanese Imperial Women, 1868-1952 Alison J. Miller, 2024-12-02 Envisioning the Empress illuminates dynamic and powerful empresses who impacted not only women in their own time but whose influence extended to later generations of royalty creating a greater role for imperial women and elevating the status of women's roles at a crucial juncture in Japanese history The central focus of this book is visual monarchy exploring how the empress biographies were primarily expressed in visual culture and how their images worked in support of Japan's imperial policies in the late nineteenth and early twentieth centuries The book begins with a brief overview of premodern and modern imperial women to orient the reader In each chapter different media audiences and distribution channels for constructing the narrative of feminine imperial power in Japan are addressed alongside biographical information It is argued that the ultimate purpose of all of these images was to elevate the empress and promote her image as a conventional role model for modern women but one with enough celebrity cache to maintain popularity The images of the modern empresses as distributed by the Imperial Household Agency strike a balance between propaganda and popular media noble philanthropist and upper middle class role model celebrity and mother of the nation The modern empress image was crafted to be both exalted and approachable and worked to establish individual biographies while simultaneously establishing the position of the empress as timeless in the public eye Envisioning the Empress introduces students of royal studies as well as modern Japanese history and art history to this fascinating element of the history of monarchy and women's history more broadly
