Dream Scott B. Murray,2019-01-28 Aquasition is a story about fulfilling a dream About an obsession with the sea The feeling you get when the wind blows across your bow the rails bury as your vessel finds its grove and you become one with wind and sea A silent rush of adrenaline as you glide effortlessly across the sea propelled solely by wind and will Pure unbridled joy I tell this story as closely as possible from my ships logs and memory If I have forgotten a few facts or people or a few places I apologize in advance to those that helped and sailed with me along the way You all have my never ending thanx and appreciation for contributing to what has become a wonderful life Enjoy the ride **Dream Solutions!
