Reason Revisited The Philosophy Of Karl Jaspers

Bruce R. Johnson

Reason Revisited The Philosophy Of Karl Jaspers:

Reason Revisited Sebastian Samay,1971 **Karl Jaspers** Ronny Miron,2012-01-01 This book traces the work of German philosopher Karl Jaspers 1883 1969 from his origins as a young psychiatrist up to his maturity as an existentialist philosopher The critique of Jaspers s thought follows his attempts to grant meaning to the human search for self understanding It reveals the difficulties and frustrations entailed in this search The book reveals to the reader Jaspers s handling of these difficulties through constituting a philosophical relation toward the Being existing beyond the individual other people the world and transcendence In this book the author conducts an ongoing dialog with existing research into Jaspers s work and proposes her own new reading As well as critiquing the existing interpretations the author uncovers the challenges Jaspers s character has presented the readers Unlike most scholars who generally ignored Jaspers s early writings dealing with psychiatry and psychology this book suggests a philosophical reading of these writings This exposes the unity of the world from which Jaspers created first as a psychiatrist and later as a philosopher This reading shows Jaspers s work as an ambitious attempt to formulate an original perception of the two basic themes that have interested philosophy and human thought throughout the ages Selfhood and Being Karl Jaspers Dr Chris Thornhill,Chris Thornhill,2013-10-31 This book sets out a new reading of the much neglected philosophy of Karl Jaspers By questioning the common perception of Jaspers either as a proponent of irrationalist cultural philosophy or as an early peripheral disciple of Martin Heidegger it re establishes him as a central figure in modern European philosophy Giving particular consideration to his position in epistemological metaphysical and political debate the author argues that Jaspers s work deserves renewed consideration in a number of important discussions particularly in hermeneutics anthropological reflections on religion the critique of idealism and debates on the end of metaphysics **Karl Jaspers.** Richard Wisser,1993 **The New Yearbook for Phenomenology and Phenomenological Philosophy** Burt C. Hopkins,Daniele De Santis,2024-10-11 Volume XXII Special Issue 1 Celebrating Wilhelm Schapp In Geschichten verstrickt Special Issue 2 Theodor Conrad and the early phenomenological tradition Aim and Scope The New Yearbook for Phenomenology and Phenomenological Philosophy provides an annual international forum for phenomenological research in the spirit of Husserl s groundbreaking work and the extension of this work by such figures as Reinach Scheler Stein Hering Heidegger Sartre Levinas Merleau Ponty Gadamer and others Contributors Theodor Conrad Francesca D Alessandris Johannes Daubert Alexis Delamare Neal DeRoo Daniele De Santis Karen Joisten Emanuele Mariani Ronny Miron Daniele Nuccilli Gianfranco Pecchinenda Margaret Stark Hamit Taieb and Andrij Wachtel Submissions Manuscripts prepared for blind review should be submitted to the Editors danielle desantis ff cuni cz electronically via e mail attachments *Dictionary of Existentialism* Haim Gordon,2013-10-31 Existentialism as a philosophy gained prominence after World War II Instead of focusing upon a particular aspect of human existence existentialists argued that our focus must be upon the whole being as he she exists in the world Rebellng against the

rationalism of such philosophers as Descartes and Hegel existentialists reject the emphasis placed on man as primarily a thinking being Freedom is central to human existence and human relations and encounters cannot be reduced simply to thinking This Dictionary provides through alphabetically arranged entries overviews of the various tenets philosophers and writers of existentialism and of those writers philosophers who in retrospect seem to existentialists to espouse their philosophy Nietzsche Kierkegaard Dostoyevski et al **Philosophical Hermeneutics Reinterpreted** Paul

Fairfield,2011-08-11 Examines hermeneutics in relation to existentialism pragmatism critical theory and poststructuralism

The Collected Works of Samuel Taylor Coleridge, Volume 15 Samuel Taylor Coleridge,2020-07-14 The Opus Maximum gathers the last major body of unpublished prose writings by Samuel Taylor Coleridge Consisting primarily of fragments dictated to Joseph Henry Green probably between 1819 and 1823 these writings represent all that exists of what Coleridge considered to be the principal Labour and the great Object of his life which he called variously the Logosophia and Magnum Opus Dedicated to the reconciliation of the moral faith with the Reason Coleridge s envisioned Magnum Opus was supposed to reduce all knowledges into harmony While such a synthesis finally eluded him and the Magnum Opus remained unfinished the surviving fragments nonetheless bear powerful witness to Coleridge s engagement with theology moral philosophy natural philosophy and logic among other disciplines Among the subjects that will particularly interest readers are Coleridge s criticisms of Epicureanism pantheism and German Naturphilosophie his attempt to ground reason in faith and his reflections on personhood especially in the relationship between mother and child on will on language and on the Logos Previously unknown to all but a handful of scholars the manuscripts presented here provide valuable insight into a crucial period of Coleridge s intellectual development as he became increasingly dissatisfied with Naturphilosophie and struggled to affirm Trinitarian Christianity on a rational basis With this volume The Collected Works of Samuel Taylor Coleridge begun forty years ago under the sponsorship of the Bollingen Foundation and the editorship of the late Kathleen Coburn is now complete **Opus Maximum** Samuel Taylor Coleridge,2002 **Ethics, Value, and Reality** Aurel

Kolnai,2017-09-29 Ethics Value and Reality is a collection of essays written after Kolnai settled in England in 1955 These essays from Kolnai s mature years sit atop a remarkable gestation of moral and political thinking At the heart of his thought is the special role of privilege in a good social order Kolnai relies heavily on the work of late nineteenth and early twentieth century value theorists such as Alexius Meinong Nicolai Hartmann and Max Scheler He blends this continental tradition of ethics with British intuitionism and Scottish Enlightenment articulations For Kolnai ethical life cannot be adequately understood except by reference to moral emphasis and thus Kolnai can be thought of as a liberal conservative He acknowledges myriad values moral and non moral and accepts that all can have some claim upon us Low values as much as high values have a legitimate claim His is a tolerant conservatism though not for a moment does he forgo the necessity of judgment a readily graspable hierarchy keeps the respective demands of values in proportion Kolnai welcomes the call to

seriousness which is the hallmark of existentialism The ground of Kolnai's thought is the idea of emotion as cognitive He saw the typical analytical philosopher's fascination with simplicity of explanation not only thoroughly refuted by the gains in understanding wrought by phenomenological method with its deference to the richness of phenomena but sensed in the monistic inclination he dreaded a harbinger of totalitarianism Never denying his emotionalism he nonetheless made his points well enough by adopting an analytical approach to philosophy and ethics This is a major work crossing moral and political philosophy *A Companion to Continental Philosophy* Simon Critchley, William R. Schroeder, 1998-06-08 Covering the complete development of post Kantian Continental philosophy this volume serves as an essential reference work for philosophers and those engaged in the many disciplines that are integrally related to Continental and European Philosophy

Schools for the Lord's Service Jerome Oetgen, 2025-02-15 An inspiring narrative history of the oldest congregation of Benedictine monasteries in the United States Commissioned by the American Cassinese Benedictine Congregation Schools for the Lord's Service is a comprehensive narrative history of the oldest congregation of Benedictine monasteries in the United States In vivid detail it describes how monasteries of the American Cassinese Congregation initiated monastic life in North America according to the Rule of St Benedict and how in doing so they have engaged for nearly 170 years with the American Catholic Church the global Benedictine Order the Holy See and American society Following a Benedictine tradition that stretches back to the early Middle Ages American Cassinese monks spread out from Pennsylvania to establish monasteries throughout the United States Led by Boniface Wimmer a visionary monk from the Bavarian abbey of Metten the Benedictines introduced monastic observance according to the Rule of St Benedict in these monasteries and from them they founded missions parishes and schools where they continue to carry on pastoral educational and missionary apostolates in the service of the people of God Comprised of twenty five monasteries located in the United States Puerto Rico Canada Brazil Colombia Mexico and Taiwan the legacy and spirit of the American Cassinese Benedictines continues to reinforce and complement the words of Abbot Boniface Wimmer who constantly exhorted his Benedictine brothers and sisters Forward always forward Nonduality David Loy, 2019-06-04 Previously published Atlantic Highlands N J Humanities Press 1997

Way to Wisdom Karl Jaspers, 2003-05-11 An eloquent expression of a great hope that philosophy may again become an activity really relevant not only to the perennial problems of life and death but to the unusual configurations of such problems in our time Julian N Hartt Yale Review Original sincere cultivated and stimulating Philosophy One of the founders of existentialism the eminent philosopher Karl Jaspers here presents for the general reader an introduction to philosophy In doing so he also offers a lucid summary of his own philosophical thought In Jaspers view the source of philosophy is to be found in wonder in doubt in a sense of forsakenness and the philosophical quest is a process of continual change and self discovery In a new foreword to this edition Richard M Owsley provides a brief overview of Jaspers life and achievement

Reconsidering Evil Petruschka Schaafsma, 2006 The notion of evil is not undisputed in contemporary philosophy and

theology The reasons for this vary from aversion to the use of a vague comprehensive term like evil to hesitation at the suggestion of an uncontrollable non human power of force that seems to cling to the idea of evil On the other hand in popular discourse speaking of evil prevails one almost keeps stumbling over allusions to it However such language often seems to be incidental and not a natural part of a whole way of thinking Thus the present situation demands a regauging of the notion of evil Reconsidering Evil attempts this regauging by comparing the nature and status of the theme of evil in four different approaches Paul Ricoeur s approach via symbols and myths of evil provides a focus that enables an analysis and comparison of the highly reflective views of Immanuel Kant Karl Jaspers and Karl Barth who represent an ethical tragic and a non theodician theological view respectively This book sets out to determine whether one can claim that speaking of evil is most at home in a specific way of thinking In the final chapter the notion of the end of evil turns out to be very important for understanding the specific character of a religious view of evil In comparison with Kant s ethical view and Jaspers tragic one the broadest or richest understanding of evil is to be found in a religious context However the comparison of the different approaches also shows the possible dangers of this religious view Thus by means of an in depth analysis and comparison of these thinkers the relevance of the theme of evil for present day philosophy of religion is critically examined

Makers of Modern Culture Justin Wintle,2002 This volume provides lively and clearly written expositions of those figures who have done most to shape our views in the period since 1914 Music cinema drama art fiction poetry and philosophy are just some of the fields covered

Karl Jaspers and the Role of "conversion" in the Nuclear Age Gregory J. Walters,1988 Analyzes and critiques Karl Jaspers philosophy on the atom bomb and its relation to the future of humanity This work studies the human transformations called for by Jaspers in science politics and religion and develops the limits and possibilities of Jaspers ideas from the perspective of present nuclear capabilities contemporary moral discourse and Christian faith

One Hundred Twentieth-Century Philosophers Stuart Brown,Diane Collinson,Dr Robert Wilkinson,Robert Wilkinson,2008-02-20 One Hundred Twentieth Century Philosophers offers biographical information and critical analysis of the life work and impact of some of the most significant figures in philosophy this century Taken from the acclaimed Biographical Dictionary of Twentieth Century Philosophers the 100 entries are alphabetically organised from Adorno to Zhang Binglin and cover individuals from both continental and analytic philosophy The entries have an identical four part structure making it easy to compare and contrast information comprising biographical details a bibliography of major works a listing of relevant secondary and critical literature an appraisal of the philosopher s thoughts and achievements A separate glossary provides an introduction to the origins development and main features of major philosophical schools and movements and offers select bibliographies to guide the reader to further research

Sehnsucht: The C. S. Lewis Journal Bruce R. Johnson,2015-12-01 Sehnsucht The C S Lewis Journal established by the Arizona C S Lewis Society in 2007 is the only peer reviewed journal devoted to the study of C S Lewis and his writings published anywhere in the world It exists to promote literary theological

Reason Revisited The Philosophy Of Karl Jaspers Introduction

In today's digital age, the availability of Reason Revisited The Philosophy Of Karl Jaspers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reason Revisited The Philosophy Of Karl Jaspers books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reason Revisited The Philosophy Of Karl Jaspers books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reason Revisited The Philosophy Of Karl Jaspers versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reason Revisited The Philosophy Of Karl Jaspers books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reason Revisited The Philosophy Of Karl Jaspers books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reason Revisited The Philosophy Of Karl Jaspers books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which

provides a vast collection of digitized books and historical documents. In conclusion, Reason Revisited The Philosophy Of Karl Jaspers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reason Revisited The Philosophy Of Karl Jaspers books and manuals for download and embark on your journey of knowledge?

FAQs About Reason Revisited The Philosophy Of Karl Jaspers Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reason Revisited The Philosophy Of Karl Jaspers is one of the best book in our library for free trial. We provide copy of Reason Revisited The Philosophy Of Karl Jaspers in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reason Revisited The Philosophy Of Karl Jaspers. Where to download Reason Revisited The Philosophy Of Karl Jaspers online for free? Are you looking for Reason Revisited The Philosophy Of Karl Jaspers PDF? This is definitely going to save you time and cash in something you should think about.
