Recent Work In Womens History East And West:

Recent Work in Women's History Esther Katz, 1986 This enlightening volume reveals the range and depth of the scholarship in women's history that has emerged in the past decade Experts examine women's past within distinct and variable cultures including India China and the Middle East as well as the United States France and England Crucial issues are debated resulting in a remarkable level of consensus among historians in the evaluations of women's roles and activities This exciting and important volume clearly demonstrates that women's history continues to raise new and valuable questions for historians And historians continue to demonstrate that women's history is not only relevant but intrinsic to understanding fully the process of historical development Writing Women's History Karen M. Offen, Ruth Roach Pierson, Jane Rendall, 1991-08-23 Five essays address such themes as the relationship between feminist history and women's history the use of the concept of experience the development of the history of gender demographic history and women's history and the importance of post structuralism to women's history **Women's Emancipation Movements in the Nineteenth Century** Sylvia Paletschek, Bianka Pietrow-Ennker, 2005-11-14 The nineteenth century a time of far reaching cultural political and socio economic transformation in Europe brought about fundamental changes in the role of women Women achieved this by fighting for their rights in the legal economic and political spheres In the various parts of Europe this process went forward at a different pace and followed different patterns Most historical research up to now has ignored this diversity preferring to focus on women's emancipation movements in major western European countries such as Britain and France The present volume provides a broader context to the movement by including countries both large and small from all regions of Europe Fourteen historians all of them specialists in women's history examine the origins and development of women's emancipation movements in their respective areas of expertise By exploring the cultural and political diversity of nineteenth century Europe and at the same time pointing out connections to questions explored by conventional scholarship the essays shed new light on common developments and problems The Routledge History of Women in Europe Since 1700 Deborah Simonton, 2006-04-27 This landmark publication collects the essays of the leading women's historians and provides the most coherent overview of women's role and place in Western Europe from the beginning of the eighteenth century to the twentieth century *Native Women's History in Eastern North America Before 1900* Rebecca Kugel, Lucy Eldersveld Murphy, 2007-01-01 How can we learn more about Native women's lives in North America in earlier centuries This question is answered by this landmark anthology an essential guide to the significance experiences and histories of Native women Sixteen classic essays plus new commentary many by the original authors describe a broad range of research methods and sources offering insight into the lives of Native American women The authors explain the use of letters and diaries memoirs and autobiographies newspaper accounts and ethnographies census data and legal documents This collection offers guidelines for extracting valuable information from such diverse sources and assessing the significance of such variables as

religious affiliation changes in women's power after colonization connections between economics and gender and representations and misrepresentations of Native women Indispensable to anyone interested in exploring the role of gender in Native American history or in emphasizing Native women's experiences within the context of women's history this anthology helps restore the historical reality of Native women and is essential to an understanding of North American history

For Our Daughters Olivia Cox-Fill,1996-03-25 This unique social history spans the last half century when developments in birth control and the education of women have increased opportunities for women to have successful careers This book investigates how the first generation of modern women faced the challenge of combining marriage and family with professional responsibilities Olivia Cox Fill an Irish journalist and professional filmmaker interviewed hundreds of prominent women from 10 different countries on three continents before presenting this group portrait of 30 interviews of women leaders diplomats award winning scientists government ministers doctors and industrialists to name a few of the professions represented The interviews are set against the backdrop of the social history of women in each country Their achievements especially in light of the tenor of their times and their desire and ability to have rewarding and fulfilling family lives make them inspiring models for later generations of women who may consider it necessary to choose between home and career The author's international connections with high ranking diplomats and politicians allow us valuable glimpses into the real world of outstanding women

The Oxford Encyclopedia of Women in World History Bonnie G. Smith,2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune women's and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

Journal of World History, the work is recommended for its currency, depth of coverage and scope. Ethnic Forum. As part of its mission to disseminate feminist scholarship and serve as the journal of record for the new area of women's history, the Journal of Women's History began a compilation of periodical literature dealing with women's history. This volume is drawn from more than 750 journals and includes material published from 1980 through 1990. There are forty subject categories and numerous subcategories. The guide lists more than 5,500 articles, all are extensively cross-listed.

Women's History in Global Perspective Bonnie G. Smith, 2004. The American Historical Association's Committee on Women Historians commissioned some of the pioneering figures in women's history to prepare essays in their respective areas of expertise. These volumes, the second and third in a series of three, complete their collected efforts. The first volume of the series dealt with the broad themes necessary to understanding women's history around the world. As a counterpoint, volume 2 is concerned with issues that have shaped the history of women in particular places and during particular eras. It examines women in ancient civilizations including women in China, Japan and Korea; women and gender in South and South East Asia; Medieval women; women and gender in Colonial Latin America; and the history of women in the US to 1865. Authors included are Sarah Hughes and Brady Hughes, Susan Mann, Barbara N. Ramusack, Judith M. Bennett, Ann Twinam and Kathleen Brown. As with volume 2, volume 3 also discusses current trends in gender and women's history from a regional perspective. It includes essays on sub-Saharan Africa, the Middle East, early and modern Europe, Russian and the Soviet Union, Latin American and North America after 1865. Asuncion Lavrin, Ellen Dubois and Judith P. Zinsser, writing with Bonnie S. Anderson, incorporate essays from top scholars ranging over an abundance of regions, dates and methodologies. The three volumes of *Women's History in Global Perspective* constitute an invaluable resource for anyone interested in a comprehensive overview on the latest in feminist scholarship. Bonnie G. Smith is the Board of Governors Professor of History and director of the Institute for Research on Women at Rutgers University. She is the author of *Confessions of a Concierge: Madame Lucie's History of Twentieth Century France* and many other books. [A Global Encyclopedia of Historical Writing](#) D.R. Woolf, 2014-06-03. First published in 1998, Routledge is an imprint of Taylor & Francis, an informal company.
