Recentering globalization

Popular culture and Japanese transnationalism

Recentring Globalization

Derek Johnson

Recentering Globalization:

Recentering Globalization Koichi Iwabuchi, 2002-11-08 An examination of the increased presence of Japanese media and popular culture in the rest of Asia and the way it has transformed Japanese self understanding Recentering Globalization, 2009 DIVAn examination of the increased presence of Japanese media and popular culture in the rest of Asia and the way it has transformed Japanese self understanding div *Tactical Globalization* Aaron Koh, 2010 This book is about a small city state's social experiment with globalization It examines how Singapore conducts its globalization experiment through the state apparatus of schooling and education policy The author argues that Singapore engages with globalization by anticipating the problem space of globalization with calculated actions and experimentation termed tactics and tactical globalization in the book Central to the book is an examination and analysis of the Thinking Schools Learning Nation education policy and reform While *Tactical Globalization* contributes to the sociology of globalization by foregrounding new narratives on globalization that are emerging it also takes a contextual and innovative approach to education policy analysis which includes a speech turned policy document and a nationally televised segment of a documentary called Learning Journeys Cultures and Globalization Helmut K Anheier, Yudhishtir Raj Isar, 2008-09-17 The world's cultures and their forms of creation presentation and preservation are deeply affected by globalization in ways that are inadequately documented and understood The *Cultures and Globalization* series is designed to fill this void in our knowledge In this series leading experts and emerging scholars track cultural trends connected to globalization throughout the world resulting in a powerful analytic tool kit that encompasses the transnational flows and scapes of contemporary cultures Each volume presents data on cultural phenomena through colourful innovative information graphics to give a quantitative portrait of the cultural dimensions and contours of globalization This second volume *The Cultural Economy* analyses the dynamic relationship in which culture is part of the process of economic change that in turn changes the conditions of culture It brings together perspectives from different disciplines to examine such critical issues as the production of cultural goods and services and the patterns of economic globalization the relationship between the commodification of the cultural economy and the aesthetic realm current and emerging organizational forms for the investment production distribution and consumption of cultural goods and services the complex relations between creators producers distributors and consumers of culture the policy implications of a globalizing cultural economy By demonstrating empirically how the cultural industries interact with globalization this volume will provide students of contemporary culture with a unique indispensable reference tool **Empire of Culture** Waiyee Loh, 2024-06-01 *Empire of Culture* brings together contemporary representations of Victorian Britain to reveal how the nation's imperial past inheres in the ways post imperial subjects commodify and consume culture in the late twentieth and early twenty first centuries The globalization of English literature along with British forms of dress etiquette and dining in the nineteenth century presumed and produced the idea that British culture is a universal

standard to which everyone should aspire Examining neo Victorian texts and practices from Britain the United States Japan and Singapore from A S Byatt s novel Possession and its Hollywood film adaptation to Japanese Lolita fashion and the Lady Victorian manga series Waiyee Loh argues that the British heritage industry thrives on the persistence of this idea Yet this industry also competes and collaborates with the US and Japanese cultural industries as they too engage with the legacy of British universalism to carve out their own empires in a global creative economy Unique in its scope Empire of Culture centers Britain s engagements with the US and East Asia to illuminate fresh axes of influence and appropriation and further bring Victorian studies into contact with various sites of literary and cultural fandom **Gagaku** Fabio Rambelli,2025-03-03 Gagaku the ceremonial music of the imperial court Buddhist temples and Shinto shrines in Japan was established in the early 8th century and has been continuously performed since then Despite its importance in the cultural and religious history of Japan this is the only book on the cultural history of Gagaku published outside of Japan The chapters written by the leading experts on Gagaku in Japan and elsewhere address religious philosophical and socio cultural aspects of this music with focus on Buddhism Confucianism Shinto and also explore the impact of modernization and globalization The book discusses developments from the 1600s until the present most previous works focus on the 8th through 12th centuries including the samurai appropriation of Gagaku and the diffusion of this music among learned commoners It also traces the history of the global interest for Gagaku among contemporary composers in the early 20th century This book brings a new understanding of the cultural history of Japan by focusing on music its conceptual system and its impact on religion society and politics A must read for specialists of Japanese religion and culture musicologists and all those who are interested in world music

Trans-Asia as Method Jeroen de Kloet,Yiu Fai Chow,, Gladys Pak Lei Chong,2019-11-06 This rich collection of essays offers a multi and inter disciplinary discussion of trans Asia approaches from critical theory historical studies cultural studies to film studies In doing so the authors lay down the groundwork for a more inclusive knowledge production and fruitful transnational collaboration The authors engage with the implications of trans Asia using a range of empirical cases At the heart of the book is a desire and attempt to give a grounded understanding of what trans Asia approaches are by examining human mobilities media culture flows and connections across Asia and beyond in four key aspects cross border flows and connections inter Asian comparison and referencing transnational and de nationalized approaches and cross border collaboration **Open World Empire** Christopher B. Patterson,2020-04-14 Finalist 2021 John Hope Franklin Prize given by the American Studies Association Seeking ways to understand video games beyond their imperial logics Patterson turns to erotics to re invigorate the potential passions and pleasures of play Video games vastly outpace all other mediums of entertainment in revenue and in global reach On the surface games do not appear ideological nor are they categorized as national products Instead they seem to reflect the open and uncontaminated reputation of information technology Video games are undeniably imperial products Their very existence has been conditioned upon the spread of militarized technology

the exploitation of already existing labor and racial hierarchies in their manufacture and the utopian promises of digital technology Like literature and film before it video games have become the main artistic expression of empire today the open world empire formed through the routes of information technology and the violences of drone combat unending war and overseas massacres that occur with little scandal or protest Though often presented as purely technological feats video games are also artistic projects and as such they allow us an understanding of how war and imperial violence proceed under signs of openness transparency and digital utopia But the video game as Christopher B Patterson argues is also an inherently Asian commodity its hardware is assembled in Asia its most talented e sports players are of Asian origin Nintendo Sony and Sega have defined and dominated the genre Games draw on established discourses of Asia to provide an Asiatic space a playful sphere of racial otherness that straddles notions of the queer the exotic the bizarre and the erotic Thinking through games like Overwatch Call of Duty 4 Modern Warfare Shenmue II and Alien Isolation Patterson reads against empire by playing games erotically as players do seeing games as Asiatic playthings that afford new passions pleasures desires and attachments

Boys Love Media in Thailand Thomas Baudinette, 2023-10-05 Over the past several years the Thai popular culture landscape has radically transformed due to the emergence of Boys Love BL soap operas which celebrate the love between handsome young men Boys Love Media in Thailand Celebrity Fans and Transnational Asian Queer Popular Culture is the first book length study of this increasingly significant transnational pop culture phenomenon Drawing upon six years of ethnographic research the book reveals BL's impacts on depictions of same sex desire in Thai media culture and the resultant mainstreaming of queer romance through new forms of celebrity and participatory fandom The author explores how the rise of BL has transformed contemporary Thai consumer culture leading to heterosexual female fans of male celebrities who perform homoeroticism becoming the main audience to whom Thai pop culture is geared Through the case study of BL this book thus also investigates how Thai media is responding to broader regional trends across Asia where the economic potentials of female and queer fans are becoming increasingly important Baudinette ultimately argues that the center of queer cultural production in Asia has shifted from Japan to Thailand investigating both the growing international fandom of Thailand's BL series as well as the influence of international investment into the development of these media The book particularly focuses on specific case studies of the fandom for Thai BL celebrity couples in Thailand China the Philippines and Japan to explore how BL series have transformed each of these national contexts queer consumer cultures

Music, Sound and Identity in Video Games Lidia López Gómez, 2025-08-01 This book offers a comprehensive overview of how video game sound and music represent cultures spaces and personal identifications Focusing on the concept of identity the volume brings together issues as diverse as belonging to an ethnic or cultural group identifying with certain sexualities or being able to deduce the historical or geographical context of a game This volume explores whether the musical and sound identities linked to video games are based on clichés and stereotyped arrangements that span cultures and times It includes case

studies that analyse the mechanisms used by game producers composers and sound designers to characterise and represent different identities to broad audiences of potential players as well as how the players perceive these sonic inputs The book is organized into three main sections covering topics as the representation of historical periods musical stereotypes of cultures from different geographic locations representations of identity in fictional spaces and sonic depictions gender

Japanese Idols Go to China Xiaofei Tu, Wendy Xie, 2022-10-25 This book situates the Chinese acceptance of Japanese popular culture specifically the intriguing and sometimes awkward relationship between the idol groups AKB48 and SNH48 within the broad context of nationalist ideology and international relations in East Asia It aims to enhance the knowledge and understanding of the reader about contemporary East Asian cultural exchanges and nationalist expressions in concrete forms Additionally this book attempts to discover heretofore overlooked aspects of nationalism s metamorphosis in both China and Japan and challenge the existing scholarly and popular understandings of nationalism By interrogating the nationalism factor in popular culture in Chinese and Japanese contexts this books concludes that popular culture fandom can both be a culprit in promoting hegemonic political ideologies and serve as a potential antidote

Manifestations of Queerness in Video Games Gaspard Pelurson, 2022-07-29 Taking the reader on a journey through queer manifestations in games this book advocates for video games as a rich political and cultural medium which provides us with tools to navigate the future of gaming Situated at the intersection of New Media Game Cultural and Queer Studies the book navigates diverse interspecies relationships queer villains from the past Pok mon memes on border politics fl nerie in post industrial cities and one sided erotic fights It provides new critical engagements with the works of Jose Esteban Mu oz Bonnie Ruberg Guy Debord and Jack Halberstam examining queer representation gaming subcultures and dissident play practices Making the bold claim that video games might be the queerest medium today this book provides organic self reflective and ultimately thought provoking thinking in which both games and gamers are queered This book will be of interest to scholars researching game studies sex gender and sexuality in new media but also readers interested in literature digital media society participatory culture and queer studies

Western Japaneseness: Intercultural Translations of Japan in Western Media Frank Jacob, Bruno Surace, 2021-03-02 Our images of non Western cultures are often based on stereotypes that are replicated over the years These stereotypes often appear in popular media and are responsible for a pre set image of otherness The present book investigates these processes and the media representation of otherness especially as an artificial construct based on stereotypes and their repetition in the case of Japan Western Japaneseness thereby illustrates how the Western image of Japan in popular media is rather a construct that in a way replicated itself instead of a more serious encounter with a foreign and different cultural context This book will be of great value to students and academics who hold interest in media studies Japanese studies and cultural studies It will also appeal to a broader audience with interests in Japan more generally

Cinema at the Crossroads Hyon Joo Yoo, 2012-01-01 What does it mean to rethink postcolonial studies through East Asian

experience and cinema Cinema at the Crossroads Nation and the Subject in East Asian Cinema by Hyon Joo Yoo pursues this question by bringing an East Asian postcolonial framework the notion of film as a manifestation of national culture and the methodology of psychoanalysis to bear on a failed hegemonic subject This is a profound look into how cinema and national culture intertwine with hegemony and power

New Essays in Japanese Aesthetics A. Minh Nguyen, 2017-12-29 This collection presents twenty seven new essays in Japanese aesthetics by leading experts in the field Beginning with an extended foreword by the renowned scholar and artist Stephen Addiss and a comprehensive introduction that surveys the history of Japanese aesthetics and the ways in which it is similar to and different from Western aesthetics this groundbreaking work brings together a large variety of disciplinary perspectives including philosophy literature and cultural politics to shed light on the artistic and aesthetic traditions of Japan and the central themes in Japanese art and aesthetics Contributors explore topics from the philosophical groundings for Japanese aesthetics and the Japanese aesthetics of imperfection and insufficiency to the Japanese love of and respect for nature and the paradoxical ability of Japanese art and culture to absorb enormous amounts of foreign influence and yet maintain its own unique identity New Essays in Japanese Aesthetics will appeal not only to a wide range of humanities scholars but also to graduate and undergraduate students of Japanese aesthetics art philosophy literature culture and civilization Masterfully articulating the contributors Japanese aesthetical concerns and their application to Japanese arts including literature theater film drawing painting calligraphy ceramics crafts music fashion comics cooking packaging gardening landscape architecture flower arrangement the martial arts and the tea ceremony these engaging and penetrating essays will also appeal to nonacademic professionals and general audiences This seminal work will be essential reading for anyone interested in gaining a deeper understanding of Japanese aesthetics

Media Franchising Derek Johnson, 2013-03-22 Johnson astutely reveals that franchises are not Borg like assimilation machines but rather complicated ecosystems within which creative workers strive to create compelling shared worlds This finely researched breakthrough book is a must read for anyone seeking a sophisticated understanding of the contemporary media industry Heather Hendershot author of What's Fair on the Air Cold War Right Wing Broadcasting and the Public Interest While immediately recognizable throughout the U S and many other countries media mainstays like X Men Star Trek and Transformers achieved such familiarity through constant reincarnation In each case the initial success of a single product led to a long term embrace of media franchising a dynamic process in which media workers from different industrial positions shared in and reproduced familiar culture across television film comics games and merchandising In Media Franchising Derek Johnson examines the corporate culture behind these production practices as well as the collaborative and creative efforts involved in conceiving sustaining and sharing intellectual properties in media work worlds Challenging connotations of homogeneity Johnson shows how the cultural and industrial logic of franchising has encouraged media industries to reimagine creativity as an opportunity for exchange among producers licensees and even consumers

Drawing on case studies and interviews with media producers he reveals the meaningful identities cultural hierarchies and struggles for distinction that accompany collaboration within these production networks Media Franchising provides a nuanced portrait of the collaborative cultural production embedded in both the media industries and our own daily lives

Cultural, Ethnic, and Political Nationalism in Contemporary Taiwan J. Makeham, A. Hsiau, 2005-08-19 This volume analyzes what is arguably the single most important aspect of cultural and political change in Taiwan over the past quarter century the trend toward indigenization *bentuhua* Focusing on the indigenization of politics and culture and its close connection with the identity politics of ethnicity and nationalism this volume is an attempt to map prominent contours of the indigenization paradigm as it has unfolded in Taiwan The opening chapters concern the origin and nature of the trend toward indigenization with its roots in the unique historical trajectory of politics and culture in Taiwan Subsequent chapters deal with responses and reactions to indigenization in a variety of social cultural and intellectual domains Anime's Knowledge Cultures Jinying Li, 2024-03-12 Unlocking the technosocial implications of global geek cultures Why has anime a low tech medium from last century suddenly become the cultural new cool in the information age Through the lens of anime and its transnational fandom Jinying Li explores the meanings and logics of geekdom as one of the most significant sociocultural groups of our time In *Anime's Knowledge Cultures* Li shifts the center of global geography in knowledge culture from the computer boys in Silicon Valley to the anime fandom in East Asia Drawing from film studies animation studies media theories fan studies and area studies she provides broad cultural and theoretical explanations of anime's appeal to a new body of tech savvy knowledge workers and consumers commonly known as geeks otaku or zhai Examining the forms techniques and aesthetics of anime as well as the organization practices and sensibilities of its fandom *Anime's Knowledge Cultures* is at once a theorization of anime as a media environment as well as a historical and cultural study of transnational geekdom as a knowledge culture Li analyzes anime culture beyond the national and subcultural frameworks of Japan or Japanese otaku instead theorizing anime's transnational transmedial network as the epitome of the postindustrial knowledge culture of global geekdom By interrogating the connection between the anime boom and global geekdom Li reshapes how we understand the meanings and significance of anime culture in relation to changing social and technological environments

Fear, Cultural Anxiety, and Transformation Scott A. Lukas, John Marmysz, 2010-06-22 This collection was inspired by the observation that film remakes offer us the opportunity to revisit important issues stories themes and topics in a manner that is especially relevant and meaningful to contemporary audiences Like mythic stories that are told again and again in differing ways film remakes present us with updated perspectives on timeless ideas While some remakes succeed and others fail aesthetically they always say something about the culture in which and for which they are produced Contributors explore the ways in which the fears of death loss of self and bodily violence have been expressed and then reinterpreted in such films and remakes as *Invasion of the Body Snatchers* *Night of the Living Dead* and *Dawn of the Dead* Films such as *Rollerball* *The Ring*

The Grudge The Great Yokai Wars and Insomnia are discussed as well because of their ability to give voice to collective anxieties concerning cultural change nihilism and globalization While opening on a note that emphasizes the compulsion of filmmakers to revisit issues concerning fear and anxiety this collection ends by using films like Solaris King Kong Star Trek Doom and Van Helsing to suggest that repeated confrontation with these issues allows the opportunity for creative and positive transformation Creativity and Its Discontents Laikwan Pang,2012 Laikwan Pang offers a complex critical analysis of creativity creative industries and the impact of Western copyright laws on creativity in China

Yeah, reviewing a book **Recentering Globalization** could increase your close friends listings. This is just one of the solutions for you to be successful. As understood, finishing does not recommend that you have fantastic points.

Comprehending as without difficulty as promise even more than additional will allow each success. neighboring to, the pronouncement as competently as keenness of this Recentering Globalization can be taken as well as picked to act.

Recentering Globalization Introduction

In the digital age, access to information has become easier than ever before. The ability to download *Recentering Globalization* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Recentering Globalization* has opened up a world of possibilities. Downloading *Recentering Globalization* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Recentering Globalization* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Recentering Globalization*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Recentering Globalization*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Recentering Globalization*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Recentering Globalization* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Recentering Globalization Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Recentering Globalization is one of the best book in our library for free trial. We provide copy of Recentering Globalization in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Recentering Globalization. Where to download Recentering Globalization online for free? Are you looking for Recentering Globalization PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Recentering Globalization. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Recentering Globalization are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Recentering Globalization. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with

Recentering Globalization To get started finding Recentering Globalization, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Recentering Globalization So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Recentering Globalization. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Recentering Globalization, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Recentering Globalization is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Recentering Globalization is universally compatible with any devices to read.
