Raised on Old-Time Country Cooking Bettye B. Burkhalter, 2012-10-26 Sixteen generations later the same old winding roads and blazed trails throughout the three novels lead us all back home to nostalgic dishes and the worlds from which they came Upon arrival at the old home place we quickly find our favorite room Mamas kitchen The familiar sounds of pots and pans and aromas of old time country cooking float in and out of our senses Suddenly visions of chocolate pies swirled high with meringues cooling on the kitchen window sill are as clear as yesterday The sizzling sounds of Mama frying chicken on the old wood stove remind us that her kitchen offered southern hospitality at its best The trip down memory lane of days gone by rekindles the true meaning of Home Sweet Home As we stop and reminisce hot tears blur our vision and we ask ourselves where did all the years go

Preserving Family Recipes Valerie J. Frey, 2015-11-01 Heirloom dishes and family food traditions are rich sources of nostalgia and provide vivid ways to learn about our families past yet they can be problematic Many family recipes and food traditions are never documented in written or photographic form existing only as unwritten know how and lore that vanishes when a cook dies Even when recipes are written down they often fail to give the tricks and tips that would allow another cook to accurately replicate the dish Unfortunately recipes are also often damaged as we plunk Grandma s handwritten cards on the countertop next to a steaming pot or a spattering mixer shortening their lives This book is a guide for gathering adjusting supplementing and safely preserving family recipes and for interviewing relatives collecting oral histories and conducting kitchen visits to document family food traditions from the everyday to special occasions It blends commonsense tips with sound archival principles helping you achieve effective results while avoiding unnecessary pitfalls Chapters are also dedicated to unfamiliar regional or ethnic cooking challenges as well as to working with recipes that are orphans surrogates or terribly outdated Whether you simply want to save a few accurate recipes help yesterday s foodways evolve so they are relevant for today s table or create an extensive family cookbook this guidebook will help you to savor your memories
