Dim Wit Rosemarie Jarski, 2008-12-05. They misuderestimated me. George W. Bush. Einstein said only two things are infinite: the universe and human stupidity. So in deference to the dumbing down of our culture comes Dim Wit, a collection of the most jaw-droppingly stupid things ever said. The cast includes every famous fool in moulder from George W. Bush to Prince Philip, Paris Hilton to Jade Goody, not to mention hundreds of unsung idiots plucked from villages the world over. The result is a confederacy of dunces more pro-fun than profound; a clever witticism may coax an inward smile, but it takes a really stupid remark to deliver a belly laugh. So pick up Dim Wit and prepare to embrace your inner moron; it may be the smartest thing you do. My grandma overheard two women talking in a doctor's surgery. After a while one said to the other: "Do you know, Mary, I don't feel too well. I think I'll go home." Robyn Jankel: "I don't think anyone should write his autobiography until after he's dead." Samuel Goldwyn: "Winston Churchill wasn't the first black President of America. There's a statue of him near me; that's black." Danielle Lloyd.

Word Games, Riddles and Logic Tests Adrian Wallwork, 2017-12-12. This book contains exercises connected with some of the fun or more unusual aspects of the English language and with games that typically a native English speaker would do. The games have been adapted into a manageable format, but the actual vocabulary contained has not been changed. The types of games include lateral thinking games, riddles, logic tests, anagrams, palindromes, proverbs, limericks, word ladders, tongue twisters, plus a whole host of other word-related games. Easy English is a series of books to help you learn and revise your English with minimal effort. You can improve your English by reading texts in English that you might well normally read in your own language, e.g. jokes, personality tests, lateral thinking games, wordsearches, doing short exercises to improve specific areas: grammar and vocabulary, i.e. the areas that tend to lead to the most mistakes. The aim is just to focus on what you really need rather than overwhelming yourself with a mass of rules, many of which may have no practical daily value. Other books in the Easy English series include Wordsearches, Widen Your Vocabulary in English, Test Your Personality, Have Fun and Learn Useful Phrases, Word Games, Riddles and Logic Tests, Tax Your Brain, and Boost Your English.
