Rediscovering The 1st Nations Of Canada:

Rediscovering the First Nations of Canada John W. Friesen, 1997 Overview of the history lifestyles and spirituality of native races of major regions of Canada **Rediscovered Self** Ronald Niezen, 2009-05-18 In a series of thematically linked essays Ronald Niezen discusses the ways new rights standards and networks of activist collaboration facilitate indigenous claims about culture adding coherence to their histories institutions and group qualities Drawing on historical legal and ethnographic material on aboriginal communities in northern Canada Niezen illustrates the ways indigenous peoples worldwide are identifying and acting upon new opportunities to further their rights and identities He shows how within the constraints of state and international legal systems activist lobbying strategies and public ideas and expectations indigenous leaders are working to overcome the injuries of imposed change political exclusion and loss of identity Taken together the essays provide a critical understanding of the ways in which people are seeking cultural justice while rearticulating and at times re dignifying the collective self The Rediscovered Self shows how through the processes and aims of justice distinct ways of life begin to be expressed through new media formal procedures and transnational collaborations *Canadian Society in the Twenty-First Century, Fourth Edition* Trevor W. Harrison, John W. Friesen, 2021-03-03 Confederation may have established Canada's nationhood in 1867 but the relationships framing Canada's modern existence go back much further Employing a unique socio historical perspective Canadian Society in the Twenty First Century examines three formative relationships that have shaped the country Canada and Quebec Canada and the United States and Canada and Indigenous nations Now in its fourth edition this engaging text offers students an overview of Canadian society through a series of connections rather than a collection of statistics Trevor W Harrison and John W Friesen weave together complex aspects of the nation's economic political and socio cultural development They guide readers to use this interdisciplinary framework to consider some of the tough questions that Canada is likely to face in adjusting to demands and challenges in the next few decades Reflecting the most current scholarship in the field this revised edition features new discussions on issues such as the current crisis of neo liberal globalization Canada's petroleum industry global warming the Wet suwet en dispute in 2020 and the COVID 19 pandemic Exploring the unique character of Canada today this text is a vibrant resource for sociology courses on Canadian society as well as courses in Canadian studies and Canadian history Canada , Challenging Frontiers Lorry W. Felske, Beverly Jean Rasporich, 2004 Challenging Frontiers The Canadian West is a multidisciplinary study using critical essays as well as creative writing to explore the conceptions of the West both past and present Considering topics such as ranching immigration art and architecture as well as globalization and the spread of technology these articles inform the reader of the historical frontier and its mythology while also challenging and reassessing conventional analysis *The Palgrave Companion to North American Utopias* J. Friesen, 2016-02-25 The Palgrave Companion to North American Utopias is a fascinating virtual catalogue of utopian societies and communes from past to present The authors assert that the

formation of a utopian society is both possible and feasible and give examples of how to create one of our own

The Indo-Europeans Rediscovered J. P. Mallory, 2025-06-10 A lifetime study brings revealing expertise to an oft misunderstood topic in human history the origin and language of the Indo Europeans Today the number of native speakers of Indo European languages across the world is approximated to be over 2.6 billion about 45 percent of the Earth's population Yet the idea that an ancient prehistoric population in one time and place gave rise to a wide variety of peoples and languages is one with a long and troubled past In this expansive investigation based on more than forty years of research archaeologist J P Mallory navigates the complex history of our search for the Indo European homeland offering fresh insight into the debates surrounding origin as well as the latest genetic research In this compelling account Mallory explores ancient migrations linguistics and archaeology applying cutting edge genetic research to untangle the key arguments with wit and verve He addresses how the controversial idea of a single shared homeland has been viewed by scientists archaeologists and linguists across the past century and reconsiders how in the case of the Nazis and more recent nationalist movements they have been manipulated for political advantage The author goes on to analyze the linguistic trail linking current populations to the Indo Europeans looking at Sanskrit Greek Latin and more as he traces linguistic origins across multiple peoples and cultures bringing the most up to date phylogenetic research to bear on this story Ultimately this important volume offers the most conclusive and nuanced understanding of an oft misrepresented and misunderstood topic

Nation Maker Richard J. Gwyn, 2011-09-27 1 NATIONAL BESTSELLER An exciting story passionately told and rich in detail this major biography is the second volume of the bestselling award winning John A The Man Who Made Us by well known journalist and highly respected author Richard Gwyn John A Macdonald Canada's first and most important prime minister is the man who made Confederation happen who built this country over the next quarter century and who shaped what it is today From Confederation Day in 1867 where this volume picks up Macdonald finessed a reluctant union of four provinces in central and eastern Canada into a strong nation despite indifference from Britain and annexationist sentiment in the United States But it wasn't easy The wily Macdonald faced constant crises throughout these years from Louis Riel's two rebellions through to the Pacific Scandal that almost undid his government and his quest to find the spine of the nation the railroad that would link east to west Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang Indelibly Gwyn shows us Macdonald's love of this country and his ability to joust with forces who would have been just as happy to see the end of Canada before it had really begun creating a must read for all Canadians

The Museum Called Canada Charlotte Gray, Sara Angel, 2004 Hold our history in your hands with a spectacular virtual museum that is at once a sweeping exploration of Canadian history and culture an indispensable reference guide and a remarkable treasury of information Welcome to a museum so vast and full of

wonder that it could only be called Canada Each of The Museum Called Canada s 25 rooms houses carefully chosen exhibits that illuminate a significant historical theme This majestic collection brings together high art and popular culture science and nature rare objects and whimsical ephemera Here you will see the empty eye sockets of Tyrannosaurus Rex and be able to examine intricate and ethereal wood carved angels built for Quebec s Rideau Chapel Exhibits span the breadth of our nation from the Yuquot Whaler s Shrine of Vancouver Island s Nootka to an anti Confederation poster from the controversially soon to be province Newfoundland Your guide to the collection is historian and author Charlotte Gray For each room in the museum Gray has written a short essay that delves into the world of a particularly evocative artifact and its importance in the context of the room s theme and time period The Museum Called Canada with its expansive vision its surprising juxtapositions its visual feasts and intellectual explorations is a beautiful and inspiring place that you will want to visit again and again

Men and Manliness on the Frontier R. Hogg, 2012-11-14 In mid nineteenth century Britain there existed a dominant discourse on what it meant to be a man denoted by the term manliness Based on the sociological work of R W Connell and others who argue that gender is performative Robert Hogg asks how British men performed manliness on the colonial frontiers of Queensland and British Columbia

First Nations in the Twenty-first Century John W. Friesen, Virginia Agnes Lyons Friesen, 2005 As the 21st century progresses happenings in Aboriginal communities are increasingly gaining the attention of Canadians Some headway has been made in several significant areas such as constitutional status treaty negotiations economic development land claims residential school litigation and health and welfare The number of Aboriginal youth graduating from high school has increased and a greater number of Aboriginal youth are enrolled in post secondary institutions Despite these gains however there are a number of related frontiers in education to conquer if Canada s First Nations are to gain equality with other Canadians Six of these frontiers are outlined in this book and constitute vital topics of concern

First Nations, First Thoughts Annis May Timpson, 2010-01-01 Countless books and articles have traced the impact of colonialism and public policy on Canada s First Nations but few have explored the impact of Aboriginal thought on public discourse and policy development in Canada First Nations First Thoughts brings together Aboriginal and non Aboriginal scholars who cut through the prevailing orthodoxy to reveal Indigenous thinkers and activists as a pervasive presence in diverse political constitutional and cultural debates and arenas including urban spaces historical texts public policy and cultural heritage preservation This innovative thought provoking collection contributes to the decolonization process by encouraging us to imagine a stronger fairer Canada in which Aboriginal self government and expression can be fully realized

Planning Canadian Regions, Second Edition Gerald Hodge, Heather M. Hall, Ira M. Robinson, 2017-01-05 Planning Canadian Regions was the first book to integrate the history contemporary practice and emergent issues of regional planning in Canada This much anticipated second edition brings the discussion up to date applying the same thorough analysis to illuminate the rapid changes now shaping our regional landscapes This new edition

draws upon contemporary analyses projects and literature to address issues of spatial complexity now facing regional planners in Canada Special attention is paid to the regional planning dimensions of climate change adaptation and environmental sustainability across Canada the development inequities faced in peripheral resource regions the role that Aboriginal peoples must play in the planning of their regions and the distinctive planning needs of metropolitan regions across the country This book challenges planners educators and policy makers to engage with the latest thinking and strive for best practices in twenty first century regional planning

Projecting Canada Zoë Druick, 2007-02-22 The National Film Board of Canada now in its seventh decade is internationally acclaimed as a beacon of non commercial filmmaking In *Projecting Canada* Zoë Druick shows that the NFB born out of a nation building project continues to be inextricably involved in the crises of nation technology and social scientific knowledge that shape the Canadian cultural landscape

Gambling in Everyday Life Fiona Nicoll, 2019-05-15 The book adopts a critical cultural studies lens to explore the entanglement of government and gambling in everyday life Its qualitative approach to gambling creates a new theoretical framework for understanding the most urgent questions raised by research and policy on gambling In the past two decades gambling industries have experienced exponential growth with annual global expenditure worth approximately 300 billion dollars Yet most academic research on gambling is concentrated on problem gambling and conducted within the psychological sciences Nicoll considers gambling at a moment when its integration within everyday cultural spaces moments and products is unprecedented This is the first interdisciplinary cultural study of gambling in everyday life and develops critical and empirical methods that capture the ubiquitous presence of gambling in work investment and play This book also contributes to the growing cultural studies literature on video and mobile gaming In addition to original case studies of gambling moments and spaces in depth interviews and participant observations provide readers with an insider's view of gambling Advanced students of sociology cultural theory and political science academic researchers in the field of gambling studies will find this an original and useful text for understanding the cultural and political work of gambling industries in liberal societies

ReCalling Early Canada Jennifer Blair, 2005-05 ReCalling Early Canada is the first substantial collection of essays to focus on the production of Canadian literary and cultural works prior to WWI Reflecting an emerging critical interest in the literary past the authors seek to retrieve the early repertoire available to Canadian readers fiction and poetry certainly but family letters photographs journalism and captivity narratives are also investigated Filling a significant gap in Canadian criticism the authors demonstrate that to recall the past is not only to shape it but also to reshape the present This fresh interest in the cultural past informed by new approaches to historical inquiry has resulted in a unique and diverse investigation of more than two centuries of a little known early Canada Foreword by Carole Gerson *Africa, Empire and World Disorder* A. G. Hopkins, 2020-09-24 This volume brings together important articles from the Cambridge historian A G Hopkins and reflect the enlargement and evolution of historical studies during the last half century The essays cover four of the principal historiographical developments of the period the extraordinary revolution that has led to the writing of non Western indigenous history the revitalization of new types of imperial history the now ubiquitous engagement with global history including a reinterpretation of American Empire and the current revival of economic history after several decades of neglect *We Still Here* Charity Marsh, Mark V. Campbell, 2020-10-22 We Still Here maps the edges of hip hop culture and makes sense of the rich and diverse ways people create and engage with hip hop music within Canadian borders Contributors to the collection explore the power of institutions mainstream hegemonies and the processes of historical formation in the evolution of hip hop culture Throughout the volume foregrounds the generative issues of gender identity and power in particular in relation to the Black diaspora and Indigenous cultures The contributions of artists in the scene are front and centre in this collection exposing the distinct inner mechanics of Canadian hip hop from a variety of perspectives By amplifying rarely heard voices within hip hop culture We Still Here argues for its power to disrupt national formations and highlights the people and communities who make hip hop happen **Canadian Journal of Native Education**, 1998
