Refining Fire Prodigal Journey:

Redeeming the Prodigal Years Carol A. Nahm, 2010-04 More than a parenting guide Redeeming the Prodigal Years is written for Moms and Dads who question what did I do wrong and where is God Through the personal journey of the author parents will realize that God is at work in their lives as well as their child s Through the wisdom of God s Word parents can experience His presence like never before and see Him as the One Who redeems wasted years of rebellion and gives life abundant If you need compassionate biblically based material for parents with prodigal children you ve found it Avoiding easy answers and shallow platitudes Nahm s Redeeming the Prodigal Years provides practical encouragement steeped in abundant mercy This work is a valuable resource for individuals or groups and is destined to become a classic Sandra D Wilson PhD Seminary Professor and Author In Redeeming the Prodigal Years Carol Nahm reflects a counselor s heart in touching the pain of those who have lost a relationship with their adult children With wisdom from the Scriptures and from her own painful journey Nahm helps grieving parents navigate through the anguish with the hope that comes only from the healing touch of our savior Dr Darryl DelHousaye President of Phoenix Seminary Carol A Nahm MDiv serves the Christian community as a Bible study teacher and Christian counselor It was through her own parenting experiences with prodigal children that God led her to develop a ministry to parents who also wait for their children to come home **American Book Publishing Record** ,2003 **Refining Fire** Carol Cox, Colleen L. Reece, Barbour Publishing, 2004 Will a false accusation and an encounter with the law bring Jenny to her wit s end forcing her finally to trust God and acknowledge the love she has for Andrew **Pillar of Fire** ,1927 *Hold on to Hope* Hidden Treasures, 1993 **The Sound The Road Makes** Steven E Meyer, 2025-07-17 Not only a wayward journey of living life and beating the odds this book is an inspiring romantic and sometimes clever venture through the grittiness of being human It s about surviving both the wilderness of the great outdoors and of the soul Just let the troubled kid grow out of it the doctors insisted Their misdiagnosis of a nerve condition trapped Steven inside his introverted world On the outside he became strong and fast but inside he only grew more inwardly Confined within the walls of his vivid dreamworld like a lit fuse his adolescent years were on fire leaving a trail of rebellion and breaking the rules from living harder than the loneliness and pain warring inside His life calmed but never tamed once he discovered the hunger of the blank page in his late teens While writing ignited his imagination to life it wasn t until in his mid twenties when a white puppy brought steady companionship into Steven s life As they began their 14 year journey of roaming the open road Ghost grew into a beautiful dog and quite the ham Despite Steven s awkwardly social demeanor he crossed paths with wanderers loners and those searching for a place in this world misfits like himself adding adventure and romance to his own search of finding his place in this world Along the way Steven stumbled upon God The rules of religion couldn t hold him either finding himself instead wrestling with the creator of this universe more so than walking with Him He could never part with that daredevil spirit causing the second half of this book to be more thrilling than the first To write a

book felt daunting because Steven had never written for anyone to read Ten years soared by and as the writing of it transformed into the greatest adventure of his life infused between the lines is a literary magic beyond him which occurs when a book and its writer merge into one Not only are some of the challenges and lessons learned the hard way of creating this book included in his memoir breathed into his story is what writing this book has burned into Steven s own heart A *Revitalization of Images* Gregory C. Higgins,2019-03-05 The philosopher theologian and biblical scholar Austin Farrer 1904 1968 highlighted in his various writings the central role that images play in the interpretation of biblical writings the construction of theological arguments and the descriptions of the Christian spiritual life Theologians down through the centuries have sought to revitalize the central biblical images as they addressed the pressing theological moral and spiritual questions of their day A *Revitalization of Images* offers students the opportunity to participate in this ongoing creative engagement with ten dominant biblical images that continue to shape the church s beliefs and practices as well as each Christian s own spiritual journey Sound theology is rooted in Scripture conversant with past thinkers and engaged in the present life of the church This dynamic directly informs *Revitalization* In each chapter we begin with a biblical image that has figured prominently in the Christian theological tradition Next we examine two prominent voices from the Christian tradition who have drawn upon the image when crafting a compelling vision of the Christian life We then turn our attention to a contemporary thinker who has incorporated or critiqued the image in his or her own theological work This discussion is set within the current spectrum of theological positions including orthodox liberal postliberal and postmodern perspectives
