

Apprenticeship : from theory to implementation

□ Youth Guarantee and the Apprenticeship reform

- Two challenges at the same time
- Apprenticeship reform : apprenticeship, but also professional education
- Youth Guaranty plan : extra money that should be used efficiently
- Possibly conflicting, should be made mutually reinforcing

□ Making apprenticeship work : 6 challenges

- Cooperation : a shared issue (education and labour market)
- Information : long term skills information (supply and demand)
- Matching : short term skills information (supply and demand)
- Guiding : coordination between education and labour market institutions
- Financing : too much worse than too few in current economic conditions
- Outcomes : the real "solution" is not entering apprenticeship but finding a job
