Contemporary Italian Diversity in Critical and Fictional Narratives Ron Kubati, Marie Orton, Graziella Parati, 2021-10-26 Contemporary Italian Diversity in Critical and Fictional Narratives is about identity individual and national and belonging It is also an affirmation of diversity The editors of this volume have brought together articles that analyze the literature of migration as well as creative pieces by recognized authors who have a lived experience of migration English speakers will find their own societal struggles with diversity mirrored in Italy's colonial inheritance and its renewed nationalism populism xenophobia and shifting national identity The artists and scholars who have contributed to this book challenge national discourses dehumanizations and issues of race and gender But many also seek to move beyond the negative and critical to claim belonging especially national belonging in the name of diversity as part of human experience The chapters emphasize how individuals both reflect and enact societal change and they foreground the inescapable fact that human differences and migration drive and shape societal identity in our world

No Country for Migrants? Critical Perspectives on Asylum, Immigration, and Integration in Germany Wilfried Zoungrana, 2019-10-14 No Country for Migrants Critical Perspectives on Asylum Immigration and Integration in Germany aims to critically contribute to ongoing debates about immigration integration and xenophobia in Germany Set against the backdrop of Germany's controversial political decision to open its borders to refugees in 2015 the book realigns this watershed with the broader historical narratives of migration to explain its exceptionality both as an event and transformative force on the migration integration discourse The book further uses critical theories to make sense of the shifting socio political coordinates of Germany It addresses the history of Germany's migration policies its soft and hard power in migration control language and societal integration immigration and the revival of right wing extremism as well as religion and immigration

Migration and Modernities DeLucia JoEllen DeLucia, 2018-11-27 Recovers a comparative literary history of migration This collection initiates transnational transcultural and interdisciplinary conversations about migration in the eighteenth and nineteenth centuries Migrants are by definition liminal and many have existed historically in the murky spaces between nations regions or ethnicities These essays together traverse the globe revealing the experiences real or imagined of eighteenth and nineteenth century migrants from dispossessed Native Americans to soldiers in South America Turkish refugees to Scottish settlers They explore the aesthetic and rhetorical frameworks used to represent migrant experiences during a time when imperial expansion and technological developments made the fortunes of some migrants and made exiles out of others These frameworks continue to influence the narratives we tell ourselves about migration today and were crucial in producing a distinctively modern subjectivity in which mobility and rootlessness have become normative

Key Features Offers a comparative framework for understanding the modern history of migration and the aesthetics of mobility Foregrounds interdisciplinary debates about belonging rights and citizenship Demonstrates how mobility unsettles the national cultural

racialized and gendered frames we often use to organize literary and historical study Brings together scholars from the US and Europe to explore the connections between migrant experiences and the emergence of modernity Emphasizes the globalism of the eighteenth and early nineteenth centuries Fashions in Literature Charles Dudley Warner, 1902

Migrant and Refugee Integration in Mexico Nuty Cárdenas-Alaminos, Karla Valenzuela-Moreno, Liliana Meza González, 2024-07-25 Although Mexican emigration to the United States is still relevant it has also become a return transit and recipient country for thousands of refugees Now many of these migrants refugees and their families stay on Mexican soil territory trying to integrate within Mexican society This book brings together leading experts in Mexico and covers the political dimension of integration for migrants in Mexico analyzing integration policies civil society efforts and public opinion from various angles In this context many questions arise Among the most relevant What has the federal government done to assist these migrant groups who often arrive in conditions of great vulnerability What policies have been implemented at the subnational level of government to adequately integrate these population groups What actions have been implemented by other local actors such as civil society organizations What do Mexicans think about newcomers Immigrant integration in Mexico will be of interest to students and scholars across a range of disciplines including international relations development studies anthropology international studies sociology and Latin American studies **Mind the Ghost** Sonja
