The Source Loretto Dennis Szucs, Sandra Hargreaves Luebking, 2006 Genealogists and other historical researchers have valued the first two editions of this work often referred to as the genealogist's bible The new edition continues that tradition Intended as a handbook and a guide to selecting locating and using appropriate primary and secondary resources The Source also functions as an instructional tool for novice genealogists and a refresher course for experienced researchers More than 30 experts in this field genealogists historians librarians and archivists prepared the 20 signed chapters which are well written easy to read and include many helpful hints for getting the most out of whatever information is acquired Each chapter ends with an extensive bibliography and is further enriched by tables black and white illustrations and examples of documents Eight appendixes include the expected contact information for groups and institutions that persons studying genealogy and history need to find **United States History - Part A , George Washington's Leadership Lessons** James Rees, Stephen J. Spignesi, 2011-01-06 From James Rees Executive Director of Mount Vernon comes an enlightening guide to the leadership wisdom of America's first great leader George Washington was more than just an inspiring battlefield

commander he was critical to the founding and success of the United States of America His leadership his vision and his courage united a war torn country and set the United States on the path to greatness Washington's historic contribution to this nation his leadership and his character are as relevant and valuable today as they have ever been This book reveals Washington's character his leadership his vision and most surprising of all his business skills and acumen Most people are not aware that Washington while all of the above was also a successful businessman and visionary entrepreneur Exhibiting qualities sorely lacking in so many of our political and business leaders today Washington remained steadfastly honest and ethical following guiding principles that would benefit leaders around the world George Washington's Leadership Lessons reveals a man of true character worthy of emulation not just in the realm of politics and war but in all leadership positions

The Only Alternative Alan Nelson, John Malkin, 2008-06-15 The radical message of Jesus is that there is only one alternative to the common method of confronting violence with more violence The Only Alternative Christian Nonviolent Peacemakers in America explores the spiritually active practice of compassionate nonviolence Here is a journey through the lives of seven courageous American peacemakers who have embodied Christian nonviolence and dedicated their lives to addressing the suffering caused by racial discrimination slavery poverty militarism nuclear weapons prisons environmental degradation and the psychology of fear and hatred Here are highlights from the inspirational ideas and actions of Martin Luther King Jr Dorothy Day Thomas Merton Rufus Jones Thomas Kelly Jim Douglass and Kathy Kelly They remind us that to be Christian is to use the power of love to transform spiritual economic and social violence The great turning from violence to nonviolence is the story of Christianity in America There has never been a more urgent time for this revolutionary teaching to be heard understood and lived It is no longer a choice my friends between violence and nonviolence It is either nonviolence or nonexistence Martin Luther King Jr Human beings are now facing the stark choice between survival and destruction amid myriad forms of violence The nonviolent peacemakers within this book can inspire the peacemaker within each of us to cultivate a direct relationship with God and love through contemplation meditation writing and compassionate action based in the life and teachings of Jesus

Urban Economics and Land Use in America Alan Rabinowitz, 2004 This is a work about the growth of American cities and their suburbs during the 20th century about institutions and metropolitan governance about real estate development and finance about housing and the lack of it and about the emergence and maybe the future debilitation of cities and suburbs
