Worlds Collide *Goliath* Matt Stoller, 2019-10-15 Every thinking American must read The Washington Book Review this startling and insightful The New York Times look at how concentrated financial power and consumerism has transformed American politics and business Going back to our country's founding Americans once had a coherent and clear understanding of political tyranny one crafted by Thomas Jefferson and updated for the industrial age by Louis Brandeis A concentration of power whether by government or banks was understood as autocratic and dangerous to individual liberty and democracy In the 1930s people observed that the Great Depression was caused by financial concentration in the hands of a few whose misuse of their power induced a financial collapse They drew on this tradition to craft the New Deal In *Goliath* Matt Stoller explains how authoritarianism and populism have returned to American politics for the first time in eighty years as the outcome of the 2016 election shook our faith in democratic institutions It has brought to the fore dangerous forces that many modern Americans never even knew existed Today's bitter recriminations and panic represent more than just fear of the future they reflect a basic confusion about what is happening and the historical backstory that brought us to this moment The true effects of populism a shrinking middle class and concentrated financial wealth are only just beginning to manifest themselves under the current administrations The lessons of Stoller's study will only grow more relevant as time passes An engaging call to arms Kirkus Reviews Stoller illustrates here in rich detail how we arrived at this tenuous moment and the steps we must take to create a new democracy **Story Hour Readers Manual** Ida Coe, 1914 New educational music course, 1914 **Intermediate Song Reader** James Matthew McLaughlin, 1914 English Composition as a Social Problem Sterling Andrus Leonard, 1917 **Popular Educator**, 1923 New Monthly Magazine, and Universal Register, 1868 Poems by Harley Coleridge. With a Memoir of His Life by His Brother (Derwent Coleridge). [With a Portrait.] Hartley Coleridge, 1851 *Catalog of Copyright Entries* Library of Congress.
