**Callum G. Brown**

## **Salvation And Protest Studies Of Social And Religious Movements:**

**Salvation and Protest** Roy Wallis, 1979-01-01 *The Sociology of Religious Movements* William Sims Bainbridge, 2021-12-24 Explaining how religion and society transform each other this book explores such movements as Holiness Adventism religious communes Satanism New Age and democratization The Sociology of Religious Movements is the culmination of work begun in The Future of Religion the 1986 award winner of the Society for the Scientific Study of Religion and A Theory of Religion 1993 award winner of the Pacific Sociological Association Explaining religious schism innovation and conversion to show how religion and society transform each other this book explores such movements as Holiness Adventism religious communes Children of God Satanism New York City Mission Society New Age Asian imports and democratization *Researching New Religious Movements* Elisabeth Arweck, 2006 This cutting edge analysis of American and European new religious movements explores the controversies between religious groups and the majority interests which oppose them It asks how modern societies can best respond to new religious movements *Violence and New Religious Movements* James R. Lewis, 2011-04-06 The relationship between new religious movements NRMs and violence has long been a topic of intense public interest an interest heavily fueled by multiple incidents of mass violence involving certain groups Some of these incidents have made international headlines When New Religious Movements make the news it is usually because of some violent episode Some of the most famous NRMs are known much more for the violent way they came to an end than for anything else Violence and New Religious Movements offers a comprehensive examination of violence by and against new religious movements The book begins with theoretical essays on the relationship between violence and NRMs and then moves on to examine particular groups There are essays on the Big Five the most well known cases of violent incidents involving NRMs Jonestown Waco Solar Temple the Aum Shunrikyo subway attack and the Heaven's Gate suicides But the book also provides a richer survey by examining a host of lesser known groups This volume is the culmination of decades of research by scholars of New Religious Movements **Lubavitcher Messianism** Simon Dein, 2011-03-24 Ethnographic study of the Lubavitcher movement and a socio psychological examination of Lubavitcher messianism **The Oxford Handbook of New Religious Movements** James R. Lewis, Inga Bårdsen Tøllefsen, 2016 The Oxford Handbook of New Religious Movements both covers the current state of the field and breaks new ground Its contributors drawn from both sociology and religious studies are leading figures in the study of NRMs **Social Movements** Suzanne Staggenborg, 2016 Social movements around the world have used a wide variety of protest tactics to bring about enormous social changes influencing cultural arrangements public opinion and government policies in the process This concise yet in depth primer provides a broad overview of theoretical issues in the study of social movements illustrating key concepts with a series of case studies It offers engaging analyses of the protest cycle of the 1960s the women's movement the LGBT movement the environmental movement right wing movements and global social justice movements

Author Suzanne Staggenborg examines these social movements in terms of their strategies and tactics the organizational challenges they faced and the roles that the mass media and counter movements played in determining their successes and failures

**Devils and Deviants** Jason L. Merritt, 2017-01-30 Devils and Deviants takes up the question of the impact of religious schism on the composition of 1 and 2 John After decades attempting to reconstruct the beliefs of the schismatics referenced briefly in 1 John Johannine scholars have largely rejected the notion that such a reconstruction can in fact be accomplished In addition there has been a notable move by some to interpret 1 and 2 John non polemically arguing that the schism has little or no bearing on the composition of these epistles and our ability to interpret them In this volume Merritt turns to the anthropology and sociology of religious schism to reconstruct the processes by which groups separate themselves from one another He then applies that model as a heuristic device in reading 1 and 2 John arguing in the process that while the beliefs of the schismatics cannot be reconstructed with any accuracy the schism has indeed had a profound impact on the Johannine community and 1 and 2 John

**Social Science and the Cults** John A. Saliba, 2019-03-20 This book first published in 1990 brings together descriptive comparative and theoretical materials on cults and sects in Western culture focusing on literature published since 1970 A historical section links the rise of the new movements to similar past phenomena in Western culture Other sections examine the methodology of studying religious movements and the various theories which have been brought to explain them current studies on traditional sects that are sometimes compared to the new religions and many studies of individual contemporary cults

**Religion** L. M. Barley, C. D. Field, B. A. Kosmin, J. S. Nielsen, 2014-06-28 This volume reviews the publicly available sources of statistical information on religion The majority of this data relates to the Christian churches and is split between the serial or recurrent sources in the first review and the ad hoc survey data in the second The third sets out the available Jewish data which comprise the best recorded and the most extensive of the sources in the non Christian sector and the final review brings together statistical sources on the remaining religions practised in the UK This book will be an invaluable source of information for researchers and practitioners in the field

**The 60s Communes** Timothy Miller, 2015-02-01 The greatest wave of communal living in American history crested in the tumultuous 1960s era including the early 1970s To the fascination and amusement of more decorous citizens hundreds of thousands of mostly young dreamers set out to build a new culture apart from the established society Widely believed by the larger public to be sinks of drug ridden sexual immorality the communes both intrigued and repelled the American people The intentional communities of the 1960s era were far more diverse than the stereotype of the hippie commune would suggest A great many of them were religious in basis stressing spiritual seeking and disciplined lifestyles Others were founded on secular visions of a better society Hundreds of them became so stable that they survive today This book surveys the broad sweep of this great social yearning from the first portents of a new type of communitarianism in the early 1960s through the waning of the movement in the mid 1970s Based on more than five hundred interviews conducted for the 60s

Communes Project among other sources it preserves a colorful and vigorous episode in American history The book includes an extensive directory of active and non active communes complete with dates of origin and dissolution **Minority**

**Religions and Uncertainty** Matthew Francis, Kim Knott, 2020-05-04 Religions are at their core about creating certainty But what happens when groups lose control of their destiny Whether it leads to violence or to nonviolent innovations as found in minority religions following the death of their founders or leaders uncertainty and insecurity can lead to great change in the mission and even teachings of religious groups This book brings together an international range of contributors to explore the uncertainty faced by new and minority religious movements as well as non religious fringe groups The groups considered in the book span a range of religious traditions Christianity Buddhism Hinduism Islam old and new spiritual formations such as esotericism New Age and organized new religious movements as well as non religious movements including the straight edge movement and the British Union of Fascists The chapters deal with a variety of contexts from the UK and US to Japan and Egypt with others discussing global movements While all the authors deal with twentieth and twenty first century movements and issues several focus explicitly on historical cases or change over time This wide ranging yet cohesive volume will be of great interest to scholars of minority religious movements and non religious fringe groups working across religious studies sociology and social psychology

**Schism** Christie Chui-Shan Chow, 2021-10-15 Schism is the first ethnographic and historical study of Seventh day Adventism in China Scholars have been slow to consider Chinese Protestantism from a denominational standpoint In Schism the first monograph that documents the life of the Chinese Adventist denomination from the mid 1970s to the 2010s Christie Chui Shan Chow explores how Chinese Seventh day Adventists have used schism as a tool to retain revive and recast their unique ecclesial identity in a religious habitat that resists diversity Based on unpublished archival materials fieldwork oral history and social media research Chow demonstrates how Chinese Adventists adhere to their denominational character both by recasting the theologies and faith practices that they inherited from American missionaries in the early twentieth century and by engaging with local politics and culture This book locates the Adventist movement in broader Chinese sociopolitical and religious contexts and explores the multiple agents at work in the movement including intrachurch divisions among Adventist believers growing encounters between local and overseas Adventists and the denomination s ongoing interactions with local Chinese authorities and other Protestants The Adventist schisms show that global Adventist theology and practices continue to inform their engagement with sociopolitical transformations and changes in China today Schism will compel scholars to reassess the existing interpretations of the history of Protestant Christianity in China during the Maoist years and the more recent developments during the Reform era It will interest scholars and students of Chinese history and religion global Christianity American religion and Seventh day Adventism

**Routledge Library Editions: Sociology of Religion** Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range

of topics including religion and violence religion and family life religion and society culture and class      Religion and Society in Twentieth-Century Britain Callum G. Brown, 2014-09-11 During the twentieth century Britain turned from one of the most deeply religious nations of the world into one of the most secularised nations This book provides a comprehensive account of religion in British society and culture between 1900 and 2000 It traces how Christian Puritanism and respectability framed the people amidst world wars economic depressions and social protest and how until the 1950s religious revivals fostered mass enthusiasm It then examines the sudden and dramatic changes seen in the 1960 s and the appearance of religious militancy in the 1980s and 1990s With a focus on the themes of faith cultures secularisation religious militancy and the spiritual revolution of the New Age this book uses people s own experiences and the stories of the churches to display the diversity and richness of British religion Suitable for undergraduate students studying modern British history church history and sociology of religion      *The Transformation of Yiguan Dao in Taiwan* Yunfeng Lu, 2008-02-25 The most influential sect in the Chinese mainland in the 1940s Yiguan Dao was largely destroyed in mainland China in 1953 Yiguan Dao not only survived however but developed into the largest sect in Taiwan despite its suppression by the Kuomintang state In 1987 through relentless efforts the sect finally gained legal status in Taiwan Today Yiguan Dao not only thrives in Chinese societies but has also become a world wide religion which has spread to more than sixty countries This book based on fieldwork conducted in 2002 in Taiwan is the first English language scholarly study exclusively focusing on Yiguan Dao Lu includes a history of Yiguan Dao in mainland China but focuses on the sect s evolution in Taiwan in the past few decades Specifically he probes the operation of Yiguan Dao under suppression in the past twenty years and examines the relationship between Yiguan Dao and its rivals in Taiwan s religious market The Transformation of Yiguan Dao in Taiwan develops the religious economy model by extending it to Chinese societies      *The Rise of Baptist Republicanism* Oran P Smith, 2000-05-01 A Choice Outstanding Academic Book By championing the ideals of independence evangelism and conservatism the Southern Baptist Convention SBC has grown into the largest Protestant denomination in the country The Convention s mass democratic form of church government its influential annual meetings and its sheer size have made it a barometer for Southern political and cultural shift Its most recent shift has been starboard toward fundamentalism and Republicanism While the Convention once offered a happy home to Harry Truman Jimmy Carter and church state separationists in the past two decades the SBC has become an uncomfortable institution for Democrats progressive theologians and other moderate voices Current SBC member heroes include Senators Trent Lott and Jesse Helms Despite this seeming marginalization Southern Baptist politicians have grown from political obscurity to occupying the four highest positions in the constitutional order of succession to the presidency President Bill Clinton Vice President Al Gore Senate President pro tempore Strom Thurmond and House Speaker Newt Gingrich are all Southern Baptists In its emerging Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics

playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision The Rise of Baptist Republicanism traces the Republicanization of the SBC s Republicanism in the context of the rise of the Fundamentalist Right and the emergence of a Republican majority in the South Describing the SBC s political roots Oran P Smith contrasts Baptist Republicans with the rest of the Christian Right while revealing the theological cultural and historical factors which have made Southern Baptists receptive to Republican Fundamentalist Right influences The book is a must read for anyone wishing to understand the intersection of religion and politics in America today      *Choice and Religion* Steve Bruce,1999 The orthodox view is that the democracies of the western world have become increasingly secular over the twentieth century Fewer and fewer people have chosen to believe and the church has declined markedly as religion has changed from being part of an identity ascribed at birth to being a matter of personal choice Choice and Religion provides a detailed critique of the rational choice approach to religion to demonstrate that industrialisation has secularised the western world and that diversity far from making religion more popular by allowing individuals to maximize their returns undermines it The claim that diversity and competition promote religion is refuted with evidence from a wide variety of western societies Bruce examine the Nordic countries and the ex communist states of eastern Europe to explore the consequences of different sorts of state regulation and to show that ethnicity is a more powerful determinate of religious change than market structures Where religion matters it is not because individuals are maximising their returns it is because it defines group identity and is heavily implicated in social conflict      *Psychiatry and the Cults* John A. Saliba,2018-09-24 Originally published in 1987 this title was compiled in response to the concern in some segments of society about the presence of new religious movements in the West in the second half of the twentieth century There are lots of psychological questions surrounding cults and the influence they have over their members These questions have been operative in the accumulation of this annotated bibliography which was intended primarily as a reference guide for psychiatrists and counsellors who advise cult members ex cult members and their bewildered parents and lawyers who use psychiatric arguments in the courts      Studies in Religious Fundamentalism Lionel Caplan,1987-11-17 This book which brings together nine studies of fundamentalism in disparate religions and regional contexts examines the specific circumstances nurturing such beliefs and practices and explores the possibilities for cross cultural insights into this widespread phenomenon in the contemporary world

### **Salvation And Protest Studies Of Social And Religious Movements Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Salvation And Protest Studies Of Social And Religious Movements PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Salvation And Protest Studies Of Social And Religious Movements PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual

property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Salvation And Protest Studies Of Social And Religious Movements free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Salvation And Protest Studies Of Social And Religious Movements Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Salvation And Protest Studies Of Social And Religious Movements is one of the best book in our library for free trial. We provide copy of Salvation And Protest Studies Of Social And Religious Movements in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Salvation And Protest Studies Of Social And Religious Movements. Where to download Salvation And Protest Studies Of Social And Religious Movements online for free? Are you looking for Salvation And Protest Studies Of Social And Religious Movements PDF? This is definitely going to save you time and cash in something you should think about.
