Same Bed Different Dreams America And Japan Societies In Transition:

Same Bed, Different Dreams Alan D. Romberg, 1990-01-01 **Same Bed, Different Dreams** Alan D. Romberg, Tadashi Yamamoto, 1990 SCOTT Copy 1 From the John Holmes Library Collection Microsociological Perspectives for Environmental Sociology Bradley H. Brewster, Antony J. Puddephatt, 2016-11-10 Environmental sociology tends to be dominated by macrosociological theories to the point that microsociological perspectives have been neglected and ignored This collection of original work is the first book dedicated to demonstrating the utility of microsociological perspectives for investigating environmental issues From symbolic interactionism to actor network theory from dramaturgy to conversation analysis from practice theory to animism a variety of microsociological perspectives are not only drawn upon but creatively applied and developed making this collection not only a contribution to environmental sociology but to microsociological theory as well The authors address such topics as the treatment of waste human animal relations science and industry partnerships environmental social movements identities and lifestyles eco tourism the framing of land water and natural resources and even human conceptions of outer space Bringing together diverse scholars perspectives and topics *Microsociological Perspectives for Environmental Sociology* opens the field up to new approaches and initiates much needed dialogue between environmental sociologists and microsociologists It will appeal not only to sociologists but to environmental scholars across the social sciences interested in enriching their theoretical repertoire in studying the social aspects of the environment **The Internationalization of Japan** Glenn D. Hook, Michael Weiner, 2013-03-07 The Internationalization of Japan provides the English speaking reader with the opportunity to hear what some of Japan s leading social scientists and other commentators have to say about the internationalization of their country as well as their country s impact overseas The topic is of extreme importance now as the international community demands a greater Japanese contribution to international society as well as changes in Japan to facilitate foreign access The book discusses the internationalization of politics economy and society Topics of special interest include the internationalization of Japanese capital the response of Japanese society to foreign workers local level initiatives for internationalization and the internationalization of education To place the internationalization of Japan in comparative perspective there are chapters on Britain and the United States from a leading British and a leading American political scientist respectively These two and the editors aside all the contributors are highly regarded Japanese scholars or commentators **Clinton and Japan** Robert M. Uriu, 2009-10-22 This book chronicles how a controversial set of policy assumptions about the Japanese economy known as revisionism rose to become the basis of the trade policy approach of the Clinton administration In the context of growing fear over Japan s increasing economic strength revisionists argued that Japan represented a distinctive form of capitalism that was inherently closed to imports and that posed a threat to U S high tech industries Revisionists advocated a managed trade solution in which the Japanese government would be forced to set aside a share of the market for foreign goods The author describes the role that various

American academics government officials and business leaders played in developing revisionist thought Revisionism was at its peak just as the Clinton administration came into office The author uses extensive interviews with policy makers to trace the internal discussions inside the Clinton White House which culminated in the adoption of revisionist policy and then to demands for results oriented trade agreements during the Framework negotiations This book details how Japan refused to accept these managed trade solutions and fought to discredit revisionism and to rally global support against American unilateralism

Can America Remain Committed? David G. Haglund, 2019-04-02 The twelve months that spanned the period between the early springtimes of 1991 and 1992 may well turn out to constitute the most important year for American foreign and security policy in half a century Encasing the dawning of a new and different security era like macabre parentheses were two columns of black smoke that of 1991 over the newly liberated Kuwait and that of 1992 over the embattled district of South Central Los Angeles Within these acrid temporal brackets unfolded a set of developments of utmost significance for American foreign and security policy and for the very meaning of the country's external commitments

The Cold War Meredith Day, 2016-07-15 Immediately following World War II former allies the United States and the Soviet Union began an open yet restricted rivalry that became known as the Cold War and played out around the world until the Soviet Union's collapse in 1991 Many conflicts such as the Chinese Civil War the Korean War the Vietnam War and the Arab Israeli wars acted as proxy wars for the U S Soviet competition Other major issues explored in this examination of the Cold War include Europe's Iron Curtain the nuclear arms race decolonization in Africa and the spread of communism into Latin America and Southeast Asia

Cross-National Consumer Psychographics Erdener Kaynak, Lynn R Kahle, 2018-10-24 What makes consumers behave as they do Just as demographics examine the who of consumer behavior psychographics examine the why Psychographics show the motivations that people have in regard to purchasing products and choosing a lifestyle The measurement approaches of psychographics utilize a combination of the personality social value and demographic variables Cross National Consumer Psychographics demonstrates that as communication and interactions between different parts of the world increase marketing practitioners and educators will benefit by continuing to employ psychographic segmentation as a fundamental teaching and marketing tool Examining consumer behavior with Cross National Consumer Psychographics will bring you an improved understanding of the political and economic ties between communities and citizens and will facilitate improved market understanding segmentation and communication Cross National Consumer Psychographics explores important marketing topics like the role of psychographics and values in international marketing cross cultural consumer information processing styles the relationship between independent and interdependent self concepts and reasons for purchase the internationally recognized List of Values LOV and specific case studies including the values of American and Japanese mothers using the LOV means end analyses of fish consumption in Denmark and France effects of the change of sovereignty on consumer preferences in Hong Kong Cross National Consumer Psychographics

provides data from several applications of the List of Values LOV coming from various parts of the globe showing the implications of particular cultures upon consumerism Through this unique book you will discover how countries and consumer groups can be segmented and approached based on their social values to help you develop more effective marketing strategies for your products

The Pacific Basin since 1945 Roger C. Thompson, 2014-09-25 The nations of the Pacific Basin in East and Southeast Asia Australasia the Pacific islands and the Americas make up the world's largest economic zone and its most culturally diverse region In recent years its Asian Tiger Economies have suffered economic collapse and unfinished business from the Cold War has produced continuing conflict and instability The new edition of this pioneering book traces the postwar inter relationships of all the rim and island nations It gives a unique impression of the make up of the region and the tensions within it The book integrates a wide range of information from books and articles from published and unpublished sources including recently opened Russian and American archives and from the first hand experiences of participants including those of the author in Pacific Basin affairs Vigorously written and strongly argued no other account brings together all the threads of the development of international relations in this complex and fascinating region

Beyond the Rising Sun Bruce Stronach, 1995-01-30 Japan's aggressive economic development has led many Americans to fear that it will lead to an equally aggressive nationalism reminiscent of the pre World War II period Beyond the Rising Sun demonstrates that such fears are unfounded Although cultural nationalism is strong Japan today is a stable and peaceful democracy Professionals academics government officials business people and the general public will find this challenge to many current views about Japanese politics people and U S Japanese relations provocative There has long been concern that Japan's aggressive economic development might be a harbinger of an equally aggressive nationalism reminiscent of the dark era leading up to World War II The media has fueled the image of a newly aggressive Japan by using martial metaphors such as Samurai capitalism that is invading American markets Moreover the Japanese are also portrayed as subservient members of a conformist society manipulated by political authority However a long time resident in Japan and scholar on U S Japanese relations argues that contemporary Japanese nationalism has no connection to its prewar embodiment and fears of an authoritarian and aggressive Japan have no basis in reality Of the many changes in Japan since the end of the war the most significant has been the development of a deeply ingrained democratic political culture Although a strong force in Japan today nationalism is manifested by a strong ethnic cultural and racial identification and not by citizen identification with the state By examining the wide varieties of nationalism in contemporary Japan and by explaining the role that they play in society and politics academics professionals government officials business people and the general public will find this analysis invaluable for understanding contemporary Japan This short text is designed also for use in courses in Japanese politics contemporary Japanese society and culture and U S Japanese relations

Understanding Global Cultures: Metaphorical Journeys Through 31 Nations, Clusters of Nations, Continents, and Diversity Martin J.

Gannon, Rajnandini Pillai, 2013 In *Understanding Global Cultures Fifth Edition* authors Martin J Gannon and Rajnandini Pillai present the cultural metaphor any activity phenomenon or institution with which the members of a given culture identify emotionally or cognitively as a method for understanding the cultural mindsets of individual nations clusters of nations and even continents The book shows how metaphors are guidelines to help outsiders quickly understand what members of a culture consider important The fully updated Fifth Edition includes 31 nation specific chapters including a new Part XI on popular music as cultural metaphors two completely new chapters on Vietnam and Argentina revisions to all retained chapters and a more explicit linkage between each cultural metaphor and current economic and business developments in each nation *Understanding Global Cultures* Martin J. Gannon, Rajnandini Pillai, 2015-02-16 In the fully updated Sixth Edition of *Understanding Global Cultures Metaphorical Journeys Through 34 Nations Clusters of Nations Continents and Diversity* authors Martin J Gannon and Rajnandini Pillai present the cultural metaphor as a method for understanding the cultural mindsets of individual nations clusters of nations continents and diversity in each nation A cultural metaphor is any activity phenomenon or institution that members of a given culture consider important and with which they identify emotionally and or cognitively such as the Japanese garden and American football This cultural metaphoric approach identifies three to eight unique or distinctive features of each cultural metaphor and then discusses 34 national cultures in terms of these features The book demonstrates how metaphors are guidelines to help outsiders quickly understand what members of a culture consider important **The New World and the New World Order** K.R. Dark, A. Harris, 1996-11-04 This book re examines the character of the USA and re evaluates its relationship to the post Cold War international order The USA has often been seen as a model of democratic liberty a vehement opponent of colonialism and the lone superpower of the post Cold War world This book challenges all these views Unlike previous studies of the post Cold War role of the USA it connects US domestic affairs to systemic changes often characterized entirely in terms of the fall of Communism

Bibliographie Mensuelle United Nations Library (Geneva, Switzerland), 1991 **American Foreign Service Journal**, 1990-07 **Newsletter**, 1991 **AccessAsia**, 1997 Contested Citizenship in East Asia Kyung-Sup Chang, Bryan Turner, 2012-03-22 Theories of citizenship from the West pre eminently those by T H Marshall provide only a limited insight into East Asian political history The Marshallian trajectory juridical political and social rights was not repeated in Asia and the late nineteenth century debate about liberalism and citizenship among intellectuals in Japan and China was eventually stifled by war colonialism and authoritarian governments both nationalist and communist Subsequent attempts to import western style democratic values and citizenship were to a large extent failures Social rights have rarely been systematically incorporated into the political ideology and administrative framework of ruling governments In reality the predominant concern of both the state elite and the ordinary citizens was economic development and a modicum of material well being rather than civil liberties The developmental state and its politics take precedence in the everyday political process of most

East Asian societies These essays provide a systematic and comparative account of the tensions between rapid economic growth and citizenship and the ways in which those tensions are played out in civil society The Future of U.S. Alliances with Japan and Korea Alan D. Romberg, 1990 **Pacific Affairs** , 1991

Right here, we have countless ebook **Same Bed Different Dreams America And Japan Societies In Transition** and collections to check out. We additionally allow variant types and then type of the books to browse.
