**Listeners Dare** Bishop William H. Willimon, 2022-04-19. Discipleship and witness are not self-sustainable. Preaching equips God's people for the work of serving and building up the body of Christ. Eph 4:11. The gospel is news that passes from the lips of one who has heard to the ears of one who has not yet heard, then God willing, it burrows in the soul, energizing the hands in daring response to a word received. Preaching is instigated by an astounding claim: Good news, God has spoken to us. The Christian life is what you get when ordinary folk respond. I have heard. The book, a companion to *Preachers Dare*, is for anyone who listens to sermons, which includes preachers, since there's no way to preach without gaining skills as a listener. Listening is a human skill, but as God's word is proclaimed, the hearer experiences a vocal mix of preacher, listener, and God. Praise for *Listeners Dare*. Books about preaching, how to research, write, and deliver sermons, are legion. But books about how sermons are heard, internalized, and acted upon by ordinary Christians in the pews are rare. Willimon addresses this elusive yet critically important task with his usual wit, acumen, and pastor's heart. A few hours pondering this thought-filled work will pay handsome dividends. Come Sunday. Grant Wacker, Gilbert T. Rowe, Distinguished Professor of Christian History, Duke Divinity School, Durham, NC. There is no shortage of resources out there for how to prepare and preach a sermon, and yet faith comes from hearing. In turning our attention to the homiletical process of listening, Willimon has given clergy and laity alike a true gift. Together we get to listen for God's daring Word, a word that in our hearing brings about holy obedience, persistent hope, and daring discipleship. Karoline M. Lewis, Marbury E. Anderson Chair of Biblical Preaching, Professor of Biblical Preaching, Luther Seminary Program, Director, Festival of Homiletics. Listening to a sermon is a spiritual discipline that is the simple, profound insight that underpins this rich offering from Will. Willimon, Lauren F. Winner, Associate Professor, Duke Divinity School, Durham, NC.

**The Protestant Bible Correctly Translated** William Harwood,2017-07-21 There has long been a need for a translation of the Judaeo Christian Bible that did not deliberately mistranslate certain words and sentences for the purpose of concealing that the biblical authors beliefs were quite different from those of modern Jews Christians and Muslims For example The LORD is

a falsification of the proper name Yahweh a god like Zeus or Jupiter But the most blatant fraud has been the rendering of the Hebrew word allahiym as the male proper name God Allahiym is neither a proper name nor singular nor unisexual Al means a god The suffix ah is a feminine singular inflection so that allah means goddess The suffix iym is a masculine plural inflection making allahiym a dual sex generic plural male and female gods or in the common gender gods This translation corrects such falsifications For extra copies contact [www.worldaudience.org](http://www.worldaudience.org) [NIV® Standard Lesson Commentary® 2022-2023](#)
