

Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers

Scott C. Dulebohn

Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers:

Samuel Pepys and the Second Dutch War Robert Latham, 1995 The originals of these documents Pepys's Navy White Book and his Brooke House Papers were preserved by Pepys in his library which he left in his will to Magdalene College Cambridge where they have been kept as he left them to this day Here transcribed from Pepys's shorthand by William Matthews and Charles Knighton they represent one of the most important surviving records relating to the Second Dutch War Lasting from 1665 to 1667 it culminated in the humiliating Dutch raid on the Medway which led directly to England signing the Treaty of Breda to end the war The documents illustrate both the activities of the Navy Board and the work of Pepys its clerk over the years during which he established his dominance over his colleagues and eventually became the King's foremost spokesman on Naval affairs They are divided in effect into three parts the first representing more than half of the total being the Navy White Book a memorandum book he kept between 1664 and 1672 which thus covers both the war itself and its immediate aftermath It was a period when the Navy Board was particularly busy and Pepys describes it in rich and comprehensive detail while providing frank commentary on his incompetent colleagues and the Board's dishonest contractors It thus provides a unique insight into the workings of the administrative machine over the period The second and third sections are both concerned with the Brooke House Commission the statutory body appointed in December 1667 to scrutinize the Navy Board's management of the finances of the war Considerably more rigorous than the earlier Parliamentary investigation the Commission was seen by Pepys as a formidable challenge composed as it was of the greatest people that ever were in the nation as to power The papers are of particular value because the official records are scattered and incomplete The first section comprises Pepys's defence of the Navy Board and of himself against the criticisms of the Commission in the report it issued in 1669 They made eighteen Observations each of which Pepys summarised and answered In particular he had along with others to counter the charge that over 500 000 had been spent on other uses than the war in effect code for providing for the King's mistresses out of money meant for the war Faced with the counter argument that the King had in fact spent of over 800 000 of his own money on the war and that in any case they had failed to take into account the cost of preparing for the war as well as waging it the Commission backed down in all humility The final section is Pepys's Brooke House Journal covering the period from December 1670 to February 1671 In it he recorded day by day his part in the debates held before the Privy Council between the Commissioners and the Navy Board It is the only record of the proceedings known to survive

Samuel Pepys and the Second Dutch War R. Latham, 2020-09-10 The two pieces of work which make up this volume were compiled by Pepys in the 1660s The first is Pepys's own record of how the Navy Board functioned It records details of meetings with fellow officers such as Sir William Penn and Sir John Mennes and how work could be hampered at times by the refusal of an officer to sign a contract or bill as he had not been present at the original discussions The Navy White Book gives the discussions which took place over a variety of matters such as contracts with Sir

William Warren a timber merchant costs and quality of masts and canvas The Brooke House Papers deal with the inquiry set up by the House of Commons into the conduct of the Second Dutch War following the humiliation of the Dutch invasion of 1667 and the inefficiency of the Navy Board The Brooke House Papers further show Pepys defending the Navy Board's professionalism and integrity and also that naval administration during the Second Dutch War was efficient The Papers also show Charles II's role in protecting the Navy Board by making his dissatisfaction with the inquiry known through his disrespectful language and interruptions as well as his support for Pepys whom he makes the Board's spokesman The Letters of Samuel Pepys, 1656-1703 Samuel Pepys, 2006 The correspondence included here represents the first selection of Pepys's letters drawn from all possible sources to be published since 1933 Since the Diary does not cover this period the letters enable the reader to follow Pepys early career on the staff of the Earl of Sandwich his rise to greatness as Secretary of the Admiralty and his retirement after the Glorious Revolution Along the way Pepys fought battles with opponents of his naval reforms and enemies who tried to implicate him in the Popish Plot while taking care of his various relatives and keeping up with an array of friends and acquaintances who included many of the great and famous of late seventeenth century England The letters have been chosen to reflect all these aspects of Pepys's varied and fascinating life and include 30 never before published They are accompanied by a running commentary biographies of persons mentioned a glossary a chronology and an introduction that explains how the letters have survived and analyses how they were written BR Guy de la B doyre is a historian and archaeologist with numerous books to his credit His specialist field is Roman Britain but he has published three books for Boydell on the other seventeenth century diarist John Evelyn 1620 1706 including the widely acclaimed *Particular Friends The Correspondence of Samuel Pepys and John Evelyn* which features all the letters exchanged by the two men over a period of 38 years **Samuel Pepys** Claire Tomalin, 2007-12-18 For a decade beginning in 1660 an ambitious young London civil servant kept an astonishingly candid account of his life during one of the most defining periods in British history In *Samuel Pepys* Claire Tomalin offers us a fully realized and richly nuanced portrait of this man whose inadvertent masterpiece would establish him as the greatest diarist in the English language Against the backdrop of plague civil war and regicide with John Milton composing diplomatic correspondence for Oliver Cromwell Christopher Wren drawing up plans to rebuild London and Isaac Newton advancing the empirical study of the world around us Tomalin weaves a breathtaking account of a figure who has passed on to us much of what we know about seventeenth century London We witness Pepys's early life and education see him advising King Charles II before running to watch the great fire consume London learn about the great events of the day as well as the most intimate personal details that Pepys encrypted in the Diary follow him through his later years as a powerful naval administrator and come to appreciate how Pepys's singular literary enterprise would in many ways prefigure our modern selves With exquisite insight and compassion Samuel Pepys captures the uniquely fascinating figure whose legacy lives on more than three hundred years after his death *Samuel*

Pepys and his Books Kate Loveman, 2015-06-12 Samuel Pepys was a great collector of books news and gossip This study uses his surviving papers to examine reading practices collecting and the exchange of information in the late seventeenth century Offering the first extensive history of reading during the Restoration it traces developments in the book trade and news transmission at a time when England was the scene of dramatic political and religious upheavals The investigation goes beyond Pepys's famous diary of the 1660s employing a variety of sources to explore the role that reading played in Pepys's life and in the lives of his contemporaries It begins by examining what it meant to be a reader in Restoration London the skills the people and the places involved Pepys's wide ranging interests serve as starting points for considering news exchange and the reception of major literary genres in the Restoration Particular attention is given to conduct books histories religious works and recreational reading romances drama and novels The appeal that these works held for readers was not always what we might expect or indeed what the authors and publishers had expected Additional chapters explore the social interactions surrounding information gathering the ways people acquired oral and written news in London the experience of book buying and the acquisition of manuscript and print through social networks Analysed alongside other records Pepys's papers provide unrivalled insights into literary and cultural developments in the second half of the seventeenth century

Pepys's Later Diaries Samuel Pepys, 2006-02-15 Pepys never resumed the personal Diary which he abandoned in 1669 when he feared wrongly that he was going blind He was one of the greatest accidental historians never intending to record for posterity only his own amusement But he did write several short diaries or journals at various key moments in his later life Each is a document of historical importance and all have the interest which attaches to any work of an acknowledged master of the diary form C S Knighton for the first time makes these diaries available to the general reader These fascinating documents enlarge and enhance our picture of Pepys as a politician and civil servant As always with Pepys the tone is engaging and revealing sometimes accidentally as often in these documents Pepys is anxious to present himself in the best possible light and does not scruple to lay the blame for any mishaps on others

The Confessions of Samuel Pepys Guy de la Bédoyère, 2025-08-07 A brilliantly entertaining and revealing new transcription of Pepys's diary Claire

Tomalin A collection of the most personal aspects of Samuel Pepys's diaries to celebrate the 200th anniversary of their publication The Diary of Samuel Pepys is the most celebrated personal journal in the English language His candid revelations as he forged his career as a civilian naval official in Restoration London have fascinated readers ever since the first selection was published in 1825 The Confessions of Samuel Pepys focuses on Pepys's controversial private life for a contemporary readership by charting his varied and complex relationships with women They included his wife Elizabeth whom he both loved and treated abominably their domestic servants the mistresses whom he secretly visited in Westminster and Deptford and other places a host of other opportunistic encounters the great ladies of the court whom he ogled and the actresses and other female friends whose company he delighted in and combined with casual flirting and petting All these he recounted in

shorthand often disguising the more salacious occasions in his own cryptic Franco Latino polyglot or with a primitive system of extraneous consonants Most of these controversial entries were excised from 19th century editions but all are featured here in completely new transcriptions and Pepys's secret code translated following fresh forensic examination from the original shorthand diary The Confessions of Samuel Pepys also reveals how all previous transcribers of the diary and many of his biographers have deliberately massaged Pepys's reputation

Pepys and the Navy C S Knighton, 2003-04-24 Pepys's diary has made him a literary celebrity In his own time he was known as the chief naval official under Charles II and James II and this aspect of the diarist's life has not received the attention it deserves from his modern biographers Charles Knighton a Pepys scholar with a particular interest in naval history reveals the full extent of Pepys's achievements in creating a modern navy which was both permanent and professional

The Oxford History of Life-writing Karen Anne Winstead, Alan Stewart, 2018 The Oxford History of Life Writing Volume 1 The Middle Ages explores the richness and variety of life writing in the Middle Ages ranging from Anglo Latin lives of missionaries prelates and princes to high medieval lives of scholars and visionaries to late medieval lives of authors and laypeople

The London of Samuel Pepys, *Transactions of the Royal Historical Society: Volume 14* Aled Jones, 2005-05-05 The Transactions of the Royal Historical Society publish an annual collection of major articles representing some of the best historical research by some of the world's most distinguished historians

Shipwrecks and the Bounty of the Sea David Cressy, 2022 Shipwrecks and the Bounty of the Sea is a work of social history examining community relationships law and seafaring over the long early modern period It explores the politics of the coastline the economy of scavenging and the law of wreck of the sea from the beginning of the reign of Elizabeth I to the end of the reign of George II England's coastlines were heavily trafficked by naval and commercial shipping but an unfortunate percentage was cast away or lost Shipwrecks were disasters for merchants and mariners but opportunities for shore dwellers As the proverb said it was an ill wind that blew nobody any good Lords of manors local officials officers of the Admiralty and coastal commoners competed for maritime cargoes and the windfall of wreckage which they regarded as providential godsend or entitlements by right A varied haul of commodities wines furnishings and bullion came ashore much of it claimed by the crown The people engaged in salvaging these wrecks came to be called wreckers and gained a reputation as violent and barbarous plunderers Close attention to statements of witnesses and reports of survivors shows this image to be largely undeserved Dramatic evidence from previously unexplored manuscript sources reveals coastal communities in action collaborating as well as competing as they harvested the bounty of the sea

The Oxford History of Life Writing: Volume 2. Early Modern Alan Stewart, 2018-05-10 The Oxford History of Life Writing Volume 2 Early Modern explores life writing in England between 1500 and 1700 and argues that this was a period which saw remarkable innovations in biography autobiography and diary keeping that laid the foundations for our modern life writing The challenges wrought by the upheavals and the sixteenth century English Reformation and seventeenth century Civil Wars moulded British and early

American life writing in unique and lasting ways While classical and medieval models continued to exercise considerable influence new forms began to challenge them The English Reformation banished the saints lives that dominated the writings of medieval Catholicism only to replace them with new lives of Protestant martyrs Novel forms of self accounting came into existence from the daily moral self accounting dictated by strands of Calvinism to the daily financial self accounting modelled on the new double entry book keeping This volume shows how the most ostensibly private journals were circulated to build godly communities how women found new modes of recording and understanding their disrupted lives how men started to compartmentalize their lives for public and private consumption The volume doesn't intend to present a strict chronological progression from the medieval to the modern nor to suggest the triumphant rise of the fact based historical biography Instead it portrays early modern England as a site of multiple sometimes conflicting possibilities for life writing all of which have something to teach us about how the period understood both the concept of a life and what it mean to write a life

Elizabethan Naval Administration C.S. Knighton, David Loades, 2016-04-29 This is the first general selection from the substantial body of surviving documents about Elizabeth's navy It is a companion to The Navy of Edward VI and Mary I Vol 157 in the NRS Series where the apparatus serving both volumes was printed and it complements the other NRS volumes that deal specifically with the Spanish Armada This collection concentrates though not exclusively so on the early years of Elizabeth's reign when there was no formal war From 1558-1585 the navy was involved in a number of small scale campaigns pursuit of pirates and occasional shows of force The documents selected emphasize the financial and administrative processes that supported these operations such as mustering victualing demobilisation and ship maintenance and repair The fleet varied in size from about 30 to 45 ships during the period and a vast amount of maintenance and repair was required The main component of the volume is the massively detailed Navy Treasurer's account for 1562-3 which is followed by and collated with the corresponding Exchequer Account The documents illustrate just how efficiently the dockyards functioned They were one of the great early Elizabethan achievements

When the Waves Ruled Britannia Jonathan Scott, 2011-02-24 How did a rural and agrarian English society transform itself into a mercantile and maritime state What role was played by war and the need for military security How did geographical ideas inform the construction of English and then British political identities Focusing upon the deployment of geographical imagery and arguments for political purposes Jonathan Scott's ambitious and interdisciplinary study traces the development of the idea of Britain as an island nation state and then empire from 1500 to 1800 through literature philosophy history geography and travel writing One argument advanced in the process concerns the maritime origins nature and consequences of the English revolution This is the first general study to examine changing geographical languages in early modern British politics in an imperial European and global context Offering a new perspective on the nature of early modern Britain it will be essential reading for students and scholars of the period

Essays in Naval History, from Medieval to Modern N.A.M. Rodger, 2023-05-31 The articles collected here two

appearing for the first time in English cover a number of topics central to naval history and illustrate the author's contention that this is not only or even chiefly a distinct area of special study but rather a central theme running through the history of England and of the whole British Isles. Though the subjects and the styles vary a good deal the studies are linked by a common approach and some common ideas. Hence many examine ways in which naval history has formed a key element in such subjects as intellectual, religious, administrative or medical history and explored the nature and meaning of sea power as a theme. At the same time naval history is a technical subject which demands a willingness to understand warships, the most complex artefacts and the structure of large and complex organisations. Detailed evidence about ships and weapons can build large conclusions for example about late Anglo-Saxon government and military organisation or about the nature of warfare at sea in the Renaissance era. While mostly written from the British point of view several essays explicitly survey naval developments over a range of countries and even the most narrowly focused are at least implicitly aware of the wider world of war at sea.

How the Old World Ended Jonathan Scott, 2020-01-07. A magisterial account of how the cultural and maritime relationships between the British, Dutch and American territories changed the existing world order and made the Industrial Revolution possible. Between 1500 and 1800 the North Sea region overtook the Mediterranean as the most dynamic part of the world. At its core the Anglo-Dutch relationship intertwined close alliance and fierce antagonism to intense creative effect. But a precondition for the Industrial Revolution was also the establishment in British North America of a unique type of colony for the settlement of people and culture rather than the extraction of things. England's republican revolution of 1649-53 was a spectacular attempt to change social, political and moral life in the direction pioneered by the Dutch. In this wide-angled and arresting book Jonathan Scott argues that it was also a turning point in world history. In the revolution's wake competition with the Dutch transformed the military, fiscal and naval resources of the state. One result was a navally protected Anglo-American trading monopoly. Within this context more than a century later the Industrial Revolution would be triggered by the alchemical power of American shopping.

Henry Bennet, Earl of Arlington, and his World Robin Eagles, Coleman A. Dennehy, 2020-07-14. This book offers the first major reassessment of the life and work of Sir Henry Bennet, earl of Arlington, for over a century. Arlington was one of Charles II's chief ministers and the book charts his early years through to the careers of his descendants, examining his political development as a courtier, diplomat, linguist and politician. Authored by a series of experts in the field, the book not only shines a light on his career but also on Charles II's reign as a whole, on the Cavalier court and on Restoration politics. Arlington was a significant player in international politics and this is reflected in the collection's treatment of his time abroad in the 1650s, his central role as an advisor and ambassador, and his influence in Ireland.

The Second Anglo-Dutch War (1665-1667) Gijs Rommelse, 2006. Studie van de politieke en diplomatieke ontwikkelingen in Groot Brittanni en de Republiek der Verenigde Nederlanden voor en na het uitbreken van de Tweede Engels-Nederlandse oorlog in 1665.

The Navy of Edward VI and Mary I Dr C S

Knighon, Professor David Loades, 2013-07-28 The reigns of Edward VI and Mary I and the early years of Elizabeth I were vital times for naval administration and witnessed the apprenticeship of many who would lead the service later during Elizabeth's reign. This volume includes the extant Treasurer's and Victualler's accounts with entries from the State Papers which augment the calendar summaries previously published. Documents are also printed for the first time from a variety of archives in Britain and abroad.

The Top Books of the Year Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-

friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers Books

What is a Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a**

Samuel Pepys And The Second Dutch War Pepys Navy White And Brooke House Papers PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
