Sand Through My Fingers:

Sand Through My Fingers Naughton, Lee, 1978 Zeal Andrew Bailey, 2013-02-15 In Zeal Andrew Bailey honours the moments in which the everyday face of the world slips for a second Dream myth faith or intoxication will lead you there but these glimmers can intrude upon a life when they are least expected With a poetic eye alert to these moments and roots in the work of Redgrove Raine Hopkins and Blake Bailey s writing follows an unselfconscious and fascinating path toward the more than quotidian Elements of earth air fire and water are the presiding spirits of this collection poems that explore transactions between a strongly realised physical world and inward experience Fluid tactile language is tempered here by stringent observation and wit A notable debut Penelope Shuttle **Sapphire's Inspector** Julie Ludbey, 2014-10-30 Sapphire left an abusive home life in her small seaside town looking for a better life in the big city But straight away she was off to a bad start Things only got worse within the first few months she was interrogated by police on three separate occasions Sapphire was finding it hard to hide all her secrets from the inspector that she had become so fond of Things become heated up and after six months of life in the city Sapphire s journey takes her right back to where she started from in a small country town living with the same old abuse Will she ever be able to escape that lifestyle Is this forever Will death be the only way out *Lost Souls* Sun-wŏn Hwang, 2010 These captivating short stories portray three major periods in modern Korean history the forces of colonial modernity during the late 1930s the postcolonial struggle to rebuild society after four decades of oppression emasculation and cultural exile 1945 to 1950 and the attempt to reconstruct a shattered land and a traumatized nation after the Korean War *Lost Souls* echoes the exceptional work of China s Shen Congwen and Japan s Kawabata Yasunari Modernist narratives set in the metropolises of Tokyo and Pyongyang alternate with starkly realistic portraits of rural life Surrealist tales suggest the unsettling sensation of colonial domination while stories of the outcast embody the thrill and terror of independence and survival in a land dominated by tradition and devastated by war Written during the chaos of 1945 *Booze* recounts a fight between Koreans for control of a former Japanese owned distillery *Toad* relates the suffering created by hundreds of thousands of returning refugees and stories from the 1950s confront the catastrophes of the Korean War and the problematic desire for autonomy *Visceral* and versatile *Lost Souls* is a classic work on the possibilities of transition that showcases the innovation and craftsmanship of a consummate and widely celebrated storyteller **Studying The Social Worlds Of Children** Frances Chaput Waksler, 2003-09-02 A collection of papers which examine and assess the effects on children of socialisation and which attempt to explain a range of adult perspectives on children and their social worlds **Shadows of the Lost** Maxym M. Martineau, 2023-06-06 Once I was a Charmer and the magical beasts of this world loved me Now I m something else Something darker A spicy beautifully angsty enemies to lovers LGBTQIA fantasy romance As a member of the Charmers Council Gaike is able to form lasting bonds with the magical beasts of his world At least he used to be a Charmer until he died and was brought back as one of the immortal assassins of Cruor

Now he's far more dangerous and something beyond the shadows lies in wait hungry to claim him for its own As leader of the assassins all Kost can do is watch as Gaige struggles with his new life day by day He wants nothing more than to ease Gaige's suffering yet how can he when they both know he's the one responsible There is nothing left but bitter memories and hopeless longing between them Yet when Gaige is lost to the shadow realm Kost is the only one with any chance of bringing him back if they can learn to trust and perhaps love each other again Intense compelling and impossible to put down

Own the Dark: Dark Mafia Romance Daisy Fox, ALESSIA Two years without him felt like a slow death I built a new life painted smiles over the scars but every night I woke with his name on my lips Rafael Falcone my captor my savior my undoing He left me vanished into shadows and I told myself I hated him for it I wrote I screamed I bled the truth onto pages hoping he would see me again But when his world clawed its way back into mine I realized I could never escape him Because loving him wasn't a choice it was a sentence I would carry until my last breath RAFAEL I should have stayed gone War had claimed too much and Alessia deserved a life untouched by blood and violence But distance only sharpened the hunger Two years apart and still I felt her in my veins burning hotter than the wars I waged When I saw her again stronger brighter living a life that didn't have me in it I knew I would ruin it all to claim her back Because Alessia was never meant to be free She was mine from the first lie from the first touch from the first night she whispered my name in fear and in need Mine to protect Mine to break Mine to love in darkness This is the third book in the Dark Oath series Reading order Book One Crave the Dark Book Two Fear the Dark Book Three Own the Dark She was born in chains He was born in blood When Alessia is dragged into the violent empire of Rafael Falcone she expects death Instead she finds something far more dangerous desire Their connection is raw forbidden and addictive two broken souls colliding in a world built on betrayal But love in the mafia is never gentle It's obsession It's war It's survival And once you're bound to the Falcone there's no way out only deeper into the darkness

Foxash Kate Worsley, 2023-04-27 With slow quiet intent Kate Worsley builds a tense atmosphere of looming horror This book demands to be savoured even as it clamours to be devoured Times A wonderfully atmospheric and deeply unsettling novel full of images so vivid they seem to leap off the page Worsley's fiction is something to savour Sarah Waters Worn out by poverty Lettie Radley and her miner husband Tommy grasp at the offer of their very own smallholding part of a 1030s Government scheme to put the unemployed back to work on the land When she comes down to Essex to join him her new neighbours greet her Overbearing and unkempt Jean and Adam Dell are everything that the smart spirited aspirational Lettie can't abide As Lettie settles in she's hopeful that her past and the terrible secret Tommy has come to Foxash to escape are far behind them But the Dells have their own secrets And as the seasons change and a man comes knocking at the gate the scene is set for a terrible reckoning Combining a gothic sensibility with a visceral unsettling sense of place Foxash is a deeply original novel of
