Sands Of Valor:

The Sands of Valor Geoffrey Atheling Wagner,1967 Geoffrey Wagner has written something a bit more substantial here than the standard war novel The Sands of Valor spends as much if not more time and effort on the characters and their inner lives than he does on his excellent descriptions of tank warfare in the North African desert pitting the British 8th Army and the German Afrika Korps against each other and both against the desert This is not a quick read nor is it packed from end to end with action and scenes of combat which actually helps the work deliver a rather realistic presentation of the long periods of time with no combat punctuated by moments of intense action and even sheer terror that was especially linked to this period of the war Amazon

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
