Security Issues In The Postcold War World:

Security Issues in the Post-cold War World M. Jane Davis, 1996 *Security Issues in the Post Cold War World* focuses on the changing international security agenda and the serious political instabilities many rooted in ethnic nationalisms and long standing border disputes which have resurfaced with the end of the Cold War

Security in a Post-Cold War World R. Patman, 1999-06-23 For much of the post war era the substance and scope of international security was defined by the parameters of the Cold War But the end of the Cold War has created a new global context This book seeks to map out the nature of post Cold War security by exploring the patterns of international conflict weighing non state challenges to security examining inter state cooperation in the security field and evaluating the security dynamics of the Asia Pacific region

Post-Cold War Security Issues in the Asia-Pacific Region Colin McInnes, Mark Rolls, 2013-07-23 The Asia Pacific region presents a challenge to international security in the post Cold War era Doubts as to the US military commitment concern with Japan's security aspirations build up of military capabilities and the nuclear ambitions of North Korea have further heightened tension

Russian-American relations in the

post-Cold War world James W. Peterson,2017-08-10 Why did the Russian take over of Crimea come as a surprise to so many

observers in the academic practitioner and global citizen arenas The answer presented in this textbook is a complex one rooted in late Cold War dualities but also in the variegated policy patterns of the two powers after 1991 The 2014 crisis was provoked by conflicting perspectives over the Balkan Wars of the 1990s the expansion of NATO to include former communist allies of Russia as well as three of its former republics the American decision to invade Iraq in 2003 and the Russian move to invade Georgia in 2008 This book uses a number of key theories in political science to create a framework for analysis and to outline policy options for the future It is vital that the attentive public confront the questions raised in these pages in order to control the reflexive and knee jerk reactions to all points of conflict that emerge on a regular basis between America and Russia
