See Through The Scriptures:

See Through the Scriptures H. N. Wendt, 1993 **Seeing Through Religion** Nathan McGovern, 2025-09-19

Seeing Through Religion is a cutting edge textbook designed to help students in their study and research of the world's religious traditions. Providing the tools to learn this valuable subject theoretically, McGovern argues that religion isn't a thing out there in the world; it's the glasses on your face through which you see the world shaped by Western history and in particular Christianity. By exploring the major religious traditions and comparing stereotypes about them to reality, this textbook establishes how the lens of religion systematically distorts our perception of the world. Topics covered include: What Is Religion? Colonialism and the Two Faces of Orientalism; Islam: Does Fear Imply Difference? Buddhism: A Philosophy or a Religion? Hinduism: A Polytheistic or a Monotheistic Religion? Chinese Religion: What Is It and Where Can We Find It? Indian Religions: How Can One Religion Include Another? Tibetan Buddhism: Is It Still Buddhism? Judaism: A Religion or an Ethnicity? Indigenous Traditions: What Gets Counted as a Religion? Secularism: Can We Put Religion in a Box? How is the way we think about religion influenced by the theology of Martin Luther? How does the Christian paradigm of religion distort our perception of Christianity itself? This textbook not only provides a survey of important religious traditions but also guides the reader on how to study religion in a methodologically sophisticated way. This innovative volume is essential reading for those who want a contemporary and engaging approach to the study of world religions.

Opening Israel's Scriptures Ellen F. Davis, 2019-06-03

Opening Israel's Scriptures is a collection of thirty-six essays on the Hebrew Bible from Genesis to Chronicles, which gives powerful insight into the complexity and inexhaustibility of the Hebrew Scriptures as a theological resource. Based on more than two decades of lectures on Old Testament interpretation, Ellen F. Davis offers a selective yet comprehensive guide to the core concepts, literary patterns, storylines, and theological perspectives that are central to Israel's Scriptures. Underlying the whole study is the primary assumption that each book of the canon has literary and theological coherence, though not uniformity. In both her close readings of individual texts and in her broad demonstrations of the coherence of whole books, Davis models the best practices of contemporary exegesis, integrating the insights of contemporary scholars with those of classical theological resources in Jewish and Christian traditions. Throughout, she keeps an eye to the experiences and concerns of contemporary readers, showing through multiple examples that the critical interpretation of texts is provisional, open-ended work—a collaboration across generations and cultures. Ultimately, what she offers is an invitation into the more spacious world that the Bible discloses, which challenges ordinary conceptions of how things really are.

See Through the Scriptures Harry N. Wendt, 2003 **Animals as Seen Through God's Eyes** Dwila R. Funk, 2014-06-30

Have you ever wondered what happens to your beloved pet when he or she dies? Will you ever be able to see him or her again in heaven? Or have you been plagued by the disturbing thought that animals are only here on earth for our enjoyment in this life but when they die that is it for them and they are gone forever? This haunted me for decades until I

finally got up enough courage to seek out the truth for myself I went to the word of God to conduct my own research This book is the result of my quest to find the truth about how God really sees animals and His plan for them I was astounded by the wealth of information that God shares in the Holy Bible regarding animals The answers are there hidden in His word All anyone needs to do is look *The Qualities of Śrī Kṛṣṇa* Satsvarūpa Dāsa Gosvāmī,1995 An exciting mix of a novel with free writing and poetry **Out of Galilee** M.
