Seeing And Consciousness Women Class And Representation:

Seeing and Consciousness Gen Doy,1995-04-06 Through its provocative examination of feminist and Marxist approaches to women's art and female representations this book challenges the widespread belief that Marxism has nothing valuable to contribute to women's studies The author argues that from the French Revolution through to the present gender and class have shaped visual imagery She shows how Marxist theory can function to question some of the premises of feminist art histories and to provide a more accurate understanding of the meanings of visual imagery Seeing and Consciousness Gen Doy,2020-08-20 Through its provocative examination of feminist and Marxist approaches to women's art and female representations this book challenges the widespread belief that Marxism has nothing valuable to contribute to women's studies The author argues that from the French Revolution through to the present gender and class have shaped visual imagery She shows how Marxist theory can function to question some of the premises of feminist art histories and to provide a more accurate understanding of the meanings of visual imagery **"Women, Femininity and Public Space in European Visual Culture, 1789-1914"** Temma Balducci,2017-07-05 Focusing on images of or produced by well to do nineteenth century European women this volume explores genteel femininity as resistant to easy codification vis is the public Attending to various iterations of the public as space sphere and discourse sixteen essays challenge the false binary construct that has held the public as the sole preserve of prosperous men By contrast the essays collected in *Women Femininity and Public Space in European Visual Culture 1789-1914* demonstrate that definitions of both femininity and the public were mutually defining and constantly shifting In examining the relationship between affluent women femininity and the public the essays gathered here consider works by an array of artists that includes canonical ones such as Mary Cassatt and Frans G r d as well as understudied women artists including Louise Abb and Broncia Koller The essays also consider works in a range of media from fashion prints and paintings to private journals and architectural designs facilitating an analysis of femininity in public across the cultural production of the period Various European centers including Madrid Florence Paris Brittany Berlin and London emerge as crucial sites of production for genteel femininity providing a long overdue rethinking of modern femininity in the public sphere Women, Femininity and Public Space in European Visual Culture, 1789-1914 Dr Temma Balducci,Asst Prof Heather Belnap Jensen,2014-11-28 Focusing on images of or produced by nineteenth century European women this volume explores genteel femininity as resistant to easy codification vis vis the public Attending to various iterations of the public as space sphere and discourse sixteen essays challenge the false binary construct that has held the public as the sole preserve of prosperous men By considering works in a range of media by an array of canonical and understudied women artists they demonstrate that definitions of both femininity and the public were mutually defining and constantly shifting *Art and the Academy in the Nineteenth Century* Rafael Cardoso Denis,Colin Trodd,2000 Throughout the nineteenth century academies functioned as the main venues for the teaching promotion and display of art Contemporary

scholars have for the most part denigrated academic art calling it formulaic unoriginal and repetitious The contributors to *Art and the Academy in the Nineteenth Century* challenge this entrenched notion and consider how academies worldwide have represented an important system of artistic preservation and transmission Their essays eschew easy binaries that have reigned in academia for more than half a century and that simply oppose the avant garde to academicism

Gender, Space, and the Gaze in Post-Haussmann Visual Culture Temma Balducci, 2017-03-27 Relying on a range of visual and written sources *Gender Space and the Gaze* offers fresh ways of considering how masculinity and femininity were lived in late nineteenth century Paris The book moves beyond shopworn dichotomies rooted in Baudelaire's *The Painter of Modern Life* 1863 that have shaped scholarship on this period

The Gender of Photography Nicole Hudgins, 2020-09-02 It would be unthinkable now to omit early female pioneers from any survey of photography's history in the Western world Yet for many years the gendered language of American British and French photographic literature made it appear that women's interactions with early photography did not count as significant contributions Using French and English photo journals cartoons art criticism novels and early career guides aimed at women this volume will show why and how early photographic clubs journals exhibitions and studios insisted on masculine values and authority and how Victorian women engaged with photography despite that dominant trend Focusing on the period before 1890 when women were yet to develop the self assurance that would lead to broader recognition of the value of their work this study probes the mechanisms by which exclusion took place and explores how women practiced photography anyway both as amateurs and professionals Challenging the marginalization of women's work in the early history of photography this is essential reading for students and scholars of photography history and gender studies

Professional Women Painters in Nineteenth-Century Scotland Janice Helland, 2019-06-11 This title was first published in 2000 Women in the 19th century have long been presented as the angel in the house The author re writes this history by investigating the life and working conditions of a number of middle class women who sought to establish themselves as professional artists in Scotland Contrary to the orthodox view preoccupied with oppression and difficulty the author demonstrates that women artists of the period were independent producers teachers and travellers alert to changes in taste and fashion They derived great pleasure from their work and enjoyed the benefits of women working together forming their own and joining existing professional associations The book is not biographical but elaborates on the life and working conditions of middle class artists by discussing their work in terms of economic and social history

Gender Space Architecture Iain Borden, Barbara Penner, Jane Rendell, 2002-09-11 This significant reader brings together for the first time the most important essays concerning the intersecting subjects of gender space and architecture Carefully structured and with numerous introductory essays it guides the reader through theoretical and multi disciplinary texts to direct considerations of gender in relation to particular architectural sites projects and ideas This collection marks a seminal point in gender and architecture both summarizing core debates and pointing toward new

directions and discussions for the future Drapery Gen Doy,2001-12-21 Gen Doy investigates the hitherto neglected meanings of drapery and the draped body in visual culture The baroque and the classical are her subjects as are Freud's Graciosa Clerambault's writings and photographs of draped figures the fetishistic play between veiling and revealing and the meanings of drapery in recent art from Christo's wrapped Reichstag to the impact of the modern women's movement on fine art practice Yet she also finds and focuses on the draped body now in places like Algeria and Kosovo where drapery's connotations are no longer those of purity and civilized elegance but of barbarism poverty and savage death *New Literature on Women* ,1995 *Visual Culture* John A. Walker,Sarah Chaplin,1997-12-15 This book is about the expanding realm of visual culture in architecture art design advertising photography film television video theatre performance computer imagery and virtual reality It is also about Visual Culture Studies a relatively new academic discipline or rather range of disciplines that scholars employ to analyse visual artefacts Unlike many other texts on the same subject it foregrounds the visual and is systematic and accessible Visual culture provides an overview of the subject that pays heed to the achievements of both traditional and new theory whilst directing the reader to a large body of literature via references and an extensive bibliography Walker and Chaplin discuss the concepts of the visual and of culture as well as the field and origins of Visual Culture Studies coping with theory models of production and consumption institutions pleasure the canon and concepts of value visual literacy and poetics modes of analysis culture and commerce and new technologies This book is designed for those studying the history and theory of fine arts design and the mass media Women and Visual Culture in Nineteenth-century France, 1800-1852 Gen Doy,1998 This book examines the relationship of class gender and race to visual culture in early nineteenth century France Drawing extensively on contemporary sources the author looks at the work of women artists women art critics and writers to demonstrate that many of the assumptions about female invisibility and objectification in bourgeois culture and society need serious reconsideration The first half of the nineteenth century was a complex and contradictory period in the formation and contestation of bourgeois ideologies of the feminine Women though at a serious disadvantage became visible as artists critics and patrons and were not merely invisible domesticated or constructed by forces outside their control Women artists such as Angelique Mongez painted heroic neo classical nudes while many named and anonymous women wrote art criticism articulating their views as female spectators Doy also examines notions of appropriate work for women in relation to landscape genre sculpture and the emergence of Realism Of particular interest is the discussion of the representation of black women during this period when French The Neoliberal Undead Marc James Léger,2013-05-31 The Neoliberal Undead describes the frightening world of class restoration neoliberal austerity ecological meltdown and neo imperialism a disaster capitalism that breeds mutant ideological justifications for itself and the inevitability of disorder poverty and suffering What role does culture play in this world of markets and how do new contestatory forms enable a leftist solidarity that can move cultural radicalism beyond the postmodern obsession with new

subjectivities Rather than become the symptoms of democratic materialism signing up for endless culture wars The Neoliberal Undead argues for a rethinking of radical cultural leftism against the terms of the dominant global situation The relentless reduction of art criticism and art production under capitalist relations requires that the living separate themselves from the abstractions of globalization and reconnect with revolutionary theory [Making Globalization Work for Women](#) Valentine M. Moghadam, Suzanne Franzway, Mary Margaret Fonow, 2011-11-01 Explores the potential for trade unions to defend the socioeconomic rights of women Making Globalization Work for Women explores the potential for trade unions to defend the socioeconomic rights of women in a global context Looking at labor policies and interviews with people in unions and nongovernmental organizations the essays diagnose the problems faced by women workers across the world and assess the progress that unions in various countries have made in responding to those problems Some concerns addressed include the masculine culture of many unions and the challenges of female leadership within them laissez faire governance and the limited success of organizations working on these issues globally Making Globalization Work for Women brings together in a synthetic and fruitful conversation the work and ideas of feminists unions NGOs and other human rights workers Making Globalization Work for Women is an illuminating timely and original collaboration among three prominent scholars that fills an important and missing niche in studies of transnational activism global employment policy and women s work Dorothy Sue Cobble author of The Other Women s Movement Workplace Justice and Social Rights in Modern America [Work, Women and the Labour Market](#) Jackie West, 2022-08-24 Originally published in 1982 Work Women and the Labour Market presents through original articles a coherent overall picture of women s employment in contemporary British capitalism For the first time it brings together concrete studies which show graphically how women s unequal position at work is shaped by the capital labour relation and by women s place as housewives and mothers The book illuminates the differences and similarities in women s and men s experience in the labour market and as members of the working class It is about how and why women come to be in jobs typically regarded as semi or unskilled about the causes of low pay and about women workers consciousness as workers and as women It looks at the role of trade unions in relation to women and to sexual divisions and at how class and gender relations are woven together in the production process The nine closely researched contributions examine the development of women s and men s work in clothing and other manufacturing industries clerical work in local government microelectronics in the office the position of Asian and West Indian women in the labour market women s role in the family and part time work and women s involvement and influence in trade unions [The Routledge Companion to Working-Class Literature](#) Ben Clarke, 2024-12-05 The Routledge Companion to Working Class Literature provides an overview of the history theory and analysis of working class literature Taking a global and intersectional approach the Companion demonstrates that literature is central to the re interpretation of the working class a process that involves rereading the past as well as mapping the present The collection examines how working class literature is defined and the

functions the term serves It maps current debates and traces the ways in which a wide variety of theoretical and political movements have shaped the field Challenging the stereotypical view that working class writing is concerned solely with white male industrial labourers in the Global North the volume features chapters on subjects from early modern writing about the poor in England to contemporary poetry by Asian migrant workers Exploring the theoretical problems of writing about class as well as providing detailed readings of specific texts it demonstrates the richness and diversity of this rapidly developing field and looks to the future of working class literature The Routledge Companion to Working Class Literature is an accessible wide ranging resource It emphasizes difference and debate bringing distinct texts traditions and critical perspectives into dialogue and is essential for any student or researcher looking at concepts of class within literary studies

Women in Asia Louise Edwards, Mina Roces, 2020-07-25 Women in Asia Tradition Modernity and Globalisation surveys the transformation in the status of women since 1970 in a diverse range of nations Malaysia China Indonesia Singapore the Philippines India Taiwan Vietnam Hong Kong Korea Japan and Burma Within these 13 national case studies the book presents new arguments about being women being Asian and being modern in contemporary Asia Recent social changes in women s place in society are untangled in recognition that not all change is progress and that not all modernity enhances women s status The authors suggest that the improvements in women s status within the Asian region vary dramatically according to the manner in which women interact with the particular economic and ideological forces in each nation Each contributor has focussed on a particular country in their area of expertise They present innovative arguments relating to the problem of being women in Asia during a period of dramatic social and political changes Each national case study explores key social and economic markers of women s status such as employment rates wage differentials literacy rates and participation in politics or business The effects of population control programs legislation on domestic violence and female infanticide and women s role in the family and the workforce are also discussed The book poses questions as to how women have negotiated these shifts and in the process created a modern Asian woman Specialists from a variety of disciplines including history anthropology sociology demography gender studies and psychology grapple with the complexities and ambivalences presented by the multiple faces of the modern Asian woman Complete with a list of recommended readings and a web site with links to electronic resources the book will be of particular interest to undergraduate students of Asian studies and women s studies as well as scholars and postgraduate students interested in comparative women s studies

intergroup cooperation and intersectionality highlighting the impact that groups can have on one another

Representations of British Emigration, Colonisation and Settlement Robert D. Grant, 2005-11-08 This volume explores the complex relationships between early Nineteenth Century representations of emigration colonization and settlement and the social economic and cultural conditions within which they were produced It stresses the role of writers illustrators and artists in making colonial settler landscapes within the metropolitan imaginary paying particularly close attention to the complex interdependencies between metropolis and colony which have too often been reduced to simplistic binaries of centre and periphery metropolitan core and colonial outpost Focusing on material dealing with Canada the Cape Australia and New Zealand its interdisciplinarity and global reach consequently adds considerably to the field of colonial studies
