Seeing from Heaven Randy Finlay, 2010-12-06 Having heavens perspective while walking on the earth seems like the impossible dream to most of us But by understanding the life of Jesus Christ and His finished work we can learn how to see all things from heavens viewpoint Seeing from Heaven focuses on understanding heavens perspective by seeing through the eyes of God our Father who is in heaven We being seated with Him provides us the opportunity to see as He sees being in Christ and seeing through His eyes How does seeing from heaven affect everyday circumstances and everyday life Though in the world Jesus was not of this world Our citizenship is in heaven even while we dwell on the earth Taking a closer look at Jesus will always open a heavenly view to us Our beliefs should only draw us closer to God and see Him more clearly so we might freely partake of His life Then it is with that impression of His life in us that we live and move and have our being Seeing from Heaven presents a detailed biblical examination of this way of living and encourages us all to live through Gods eyes *Monthly Catalog of United States Government Publications*, 2004-07

A Gent from Bear Creek Robert Ervin Howard, 2021-04-11 In *A Gent from Bear Creek* Robert Ervin Howard crafts a riveting tale that deftly intertwines themes of honor heroism and the struggle for justice in a lawless world Set against the rugged backdrop of the American frontier the novella showcases Howard s signature prose characterized by vivid descriptions and fast paced action The narrative revolves around the character of a gentleman whose principles are tested in a brutal cattle ranching community reflecting the stark realities of violence and morality that define Howard s literary oeuvre and contribute to the fabric of early 20th century American pulp fiction Robert Ervin Howard a pioneering writer of the weird tales genre is best known for creating the iconic character Conan the Barbarian Raised in Texas Howard s formative experiences in a region marked by conflict and rugged individualism profoundly shaped his storytelling His fascination with the heroic ethos combined with an acute understanding of human nature urges the exploration of complex characters who operate outside societal norms as exemplified in this work This novella is highly recommended for readers who appreciate a blend of action and psychological depth as well as those interested in the evolution of American genre fiction Howard s compelling narrative and richly drawn characters offer a timeless reflection on the nature of man in conflict ensuring *A Gent from Bear Creek* stands as a significant contribution to the canon of early American literature **The Chambers Dictionary** Allied Chambers, 1998

Tamed By a Bear Priscilla Stuckey,2018-07-10 Priscilla Stuckey shines a brilliant light on the relationship we long to cultivate with the deepest wellsprings of our wisdom and love This is a groundbreaking book written with extraordinary clarity beauty and radical honesty Gail D Storey author of *I Promise Not to Suffer A Fool for Love* Hikes the Pacific Crest Trail winner of the National Outdoor Book Award In an age of materialism language of spirit or spirits seems at best suspect and at worst alien or nai ve When Priscilla Stuckey begins hearing Bear s voice she is a writer and religious studies professor in her fifties Though she enjoys communing with trees and birds and the land she intellectually knows better than to try talking directly with spirit Yet searching for the truth of her own identity leads her directly toward what she is most skeptical of As Stuckey opens to her spirit animal helper and his affectionate jovial wisdom she begins to realize the slow dawning of faith *Tamed by a Bear* shows one person responding to the call of her heart which is also the call of Earth to all human beings today to listen to a more than human wisdom so people can address the social and environmental crises facing the world At this moment when the future of life on Earth as we know it hangs in the balance threatened by climate change species extinctions and extreme economic inequality the key to survival is found in answering one question How can humans live more peaceably and sustainably with the rest of nature The heart opening conversations between Bear and Stuckey suggest a reinvigorating of nature spirituality in everyday life Their dialogues show an educated thoughtful person grappling with her skepticism about Earth spirits and gradually saying yes to a call from beyond her intellectual understanding
