Seeing Signals Reading Signs The Art Of Exegesis:

Indigenous Rights and the Legacies of the Bible Mark G. Brett, 2024-06-25 A Christian imagination of colonial discovery permeated the early modern world but legal histories developed in very different ways depending on imperial jurisdictions Indigenous Rights and the Legacies of the Bible From Moses to Mabo explores the contradictions and ironies that emerged in the interactions between biblical warrants and colonial theories of Indigenous natural rights The early debates in the Americas mutated in the British colonies with a range of different outcomes after the American Revolution and tracking the history of biblical interpretation provides an illuminating pathway through these historical complexities A ground breaking legal judgement in the High Court of Australia Mabo v Queensland 1992 demonstrates the enduring legacies of debates over the previous five centuries The case reveals that the Australian colonies are the only jurisdiction of the English common law tradition within which no treaties were made with the First Nations Instead there is a peculiar development of terra nullius ideology which can be traced back to the historic influences of the book of Genesis in Puritan thought in the seventeenth century Having identified both similarities and differences between various colonial arguments and their overt dependence on early modern theological reasoning Mark G Brett examines the paradoxical permutations of imperial and anti imperial motifs in the biblical texts themselves Concepts of rights shifted over the centuries from theological to secular frameworks and more recently from anthropocentric assumptions to ecologically embedded concepts of Indigenous rights and responsibilities Bearing in mind the differences between ancient and modern notions of indigeneity a fresh understanding of this history proves timely as settler colonial states reflect on the implications of the United Nations Declaration on the Rights of Indigenous Peoples 2007 Brett s illuminating insights in this detailed study are particularly relevant for the four states that initially voted against the Declaration the USA Canada New Zealand and Australia The Violent Gift David Janzen, 2012-10-10 The Violent Gift traces the narrative of the exilic author of the Deuteronomistic History a narrative that provides an explanation for the trauma that the Judean community in Babylon suffered As the book follows this explanation through the History however it also reads Dtr through the lens of trauma theory Massive psychic trauma is not something that can be captured within narrative explanation and trauma intrudes into the narrative s explanation of the exiles trauma Trauma challenges the claims upon which the narrative s explanation is based thus subverting this attempt to make sense of the exile The author argues that we can trace a single coherent narrative throughout the Deuteronomistic History that is an attempt to explain to its original readers why the exile occurred The narrative offers two reasons for the exile and these form the two main themes of Dtr s narrative the people failed in their covenantal loyalty to God and their leadership also failed to enforce this loyalty These themes can be traced consistently through all of the component books of the History **Finding Herem?** Hyung Dae Park, 2007-05-03 The concept of Herem is found throughout the Old Testament and presented a problem to the Second Temple Jewish authors In introducing the concept to their audiences and in applying it to themselves and other

nations they avoided it by reducing or expanding omitting or changing the concept of Herem Much evidence in Luke Acts however indicates that Luke deliberately uses the concept of Herem in order to present the life and teaching of Jesus and his disciples Jesus death on the cross resurrection and ascension can be seen as Herem that redeems God s people The disciples thoughts and actions in Acts as well as all the Christ event are based on Jesus teaching such as Luke 9 24 and 20 25 Ultimately this study suggests that readers of Luke Acts should consider the whole Old Testament so as to understand Lukan use of the Old Testament and its attitude to the Mosaic law Moreover this study shows that the ethics of Luke Acts are not limited to sharing possessions but related to offering or giving what belongs to oneself even life without expecting any reciprocal advantage Furthermore the concept of Herem detected in Luke Acts makes it possible to argue that there is an atonement theology in Lukan writings

Exclusive Inclusivity Dalit Rom-Shiloni, 2013-07-18 The sixth and fifth centuries BCE were a time of constant re identifications within Judean communities both in exile and in the land it was a time when Babylonian exilic ideologies captured a central position in Judean Jewish history and literature at the expense of silencing the voices of any other Judean communities Proceeding from the later biblical evidence to the earlier from the Persian period sources Ezra Nehemiah Haggai Zechariah and Deutero Isaiah to the Neo Babylonian prophecy of Ezekiel and Jeremiah Exclusive Inclusivity explores the ideological transformations within these writings using the sociological rubric of exclusivity Social psychology categories of ethnicity and group identity provide the analytical framework to clarify that Ezekiel the prophet of the Jehoiachin Exiles was the earliest constructor of these exclusive ideologies Thus already from the Neo Babylonian period definitions of otherness were being set to shape the self understanding of each of the post 586 communities in Judah Yehud and in the Babylonian Diaspora as the exclusive People of God As each community reidentified itself as the in group arguments of otherness were adduced to disregard and delegitimize the sister community The polemics against foreigners in the Persian period literature are the ideological successors to the earlier ideological conflict

Jehu's Tribute Jeffrey L. Cooley, Rannfrid I. Lasine Thelle, 2025-06-03 The findings of Assyriology have been applied to biblical studies ever since the former emerged as a scholarly discipline in the mid nineteenth century Today the scholarly flow from Assyriology to biblical studies continues yet rarely are the fruits of biblical scholarship brought to bear on the study of ancient Assyria and Babylon The present volume aims to reverse this unidirectional trend Considering that the literature preserved in the Hebrew Bible is the product

of a people who had significant contact with both Assyria and Babylonia then surely the study of the Hebrew Bible has something to offer Assyriology But what The contributors approach this question from a variety of disciplinary perspectives including intellectual history museology and religious and political history The authors also offer broad methodological considerations and more focused text based case studies Written by leading scholars in the fields of Assyriology and Hebrew Bible Jehu s Tribute presents a fresh approach to the multifaceted relationship between Assyriology and biblical studies In addition to the volume editors the contributors include C line Debourse Jessie DeGrado Eckart Frahm Shalom E Holtz Gina Konstantopoulos Alan Lenzi Alice Mandell Dustin Nash Beate Pongratz Leisten Seth Sanders Anthony P SooHoo SJ and Abraham Winitzer

Discerning the Dynamics of Jeremiah 25-52 (MT) Mark O'Brien, 2020-06-01 This is the second of a two volume study of the dynamics of the MT version of the Book of Jeremiah The first volume published in 2017 analyzed chapters 1 25 and this volume will focus on chapters 25 52 of the MT version As with the first volume the aim of this one is to show the reader how by paying attention to the Dynamics of the Text namely how individual passages relate to their immediate and wider contexts a new understanding of the book emerges Rather than a loose collection of material assembled over a period of time by a variety of hands one can discern how the parts of the book combine to portray the dramatic unfolding of Jeremiah s prophetic vocation and how his relationship with God and God s people form an integral part of the book s presentation of the Word of God

From Pentecost to the Triune God Steven M. Studebaker, 2012-12-19 In *From Pentecost to the Triune God* Steven Studebaker puts forth a provocative Pentecostal Trinitarian theology arguing that the Holy Spirit completes the fellowship of the triune God and therefore shapes the identities of the Father and the Son The Holy Spirit Studebaker maintains is not simply a passive end product of a procession from the Father and Son but rather a dynamic person who plays an active role in the Trinity and a constitutional consummational role in the history of redemption In the course of his study Studebaker shows the theological yield of the Pentecostal experience of the Holy Spirit and uncovers the biblical narratives of the Spirit from creation to Pentecost A constructive and ecumenical contribution to Trinitarian theology *From Pentecost to the Triune God* also engages major historical and contemporary figures such as Augustine the Cappadocians Weinandy and Zizioulas as well as representatives from the evangelical and charismatic traditions Finally Studebaker applies his Pentecostal Trinitarian theology to the theology of religions and creation care proposing that Christians embrace an inclusive posture toward people of other religious traditions and have an earth orientation that sees creation care as Christian formation

From Temple to Tent Sarah L. Hart, 2019-07-31 The principal interest of the text on the tabernacle tent Exodus 24 15 Numbers 10 28 is Israelite worship cultic place the cultic people and laws for the regulation of cultic life The method followed is description of the biblical text and collation of the evidence as would a classicist go about classifying an ancient Greek Vase The findings reveal a virtual world of Israelite cult The transportable tabernacle tent with its courtyard and altar resembles a temple in its complexity Through words the reader is

invited into the atmosphere of the tabernacle tent where all the senses are evoked The beautifully embellished fore room of the tent illuminated by the light of the lamp stand is seen the waft of incense smelt the atmosphere of fear or attraction that emanates from the epicentre of holiness felt The tabernacle tent is constructed of words not of stones It is indestructible and does not succumb to the vagaries of time as pristine today as it was over 2 500 years ago when it was first created

Treasures Lost Francisco Martins,2022-06-06 The book of Kings repeatedly refers to the despoliation of the treasures of the Jerusalem temple and royal palace These short notices recounting a foreign invasion and the loss of national wealth have been explored only briefly among scholars applying their expertise to the analysis of the book of Kings or the study of the Jerusalem temple and royal palace from both literary and historical perspectives This monograph aims to fill this lacuna Adopting an approach that combines a more traditional form of literary criticism with a thorough analysis of the narrative role and intertextual connections giving shape to the texts Sitz in der Literatur the book offers a more complex and nuanced appreciation of the literary development and ideological profile of the despoliation notices In addition it weighs the use of the underlying literary motif in the biblical writings against other Ancient Near Eastern sources This study not only provides new perspectives on the role of motifs in biblical historiography but has far reaching implications for the reconstruction of the process of production and transmission of Kings as part of the Deuteronomistic History *After the Invasion* Keith

Bodner,2015-07-30 In the wake of the Babylonian destruction of Jerusalem and the displacement of exile there is a unique story that is told about the remnant left behind after the invasion The narrative of Jeremiah 40 44 unfolds the challenges and crises of this community who remain in Judah as they negotiate their survival following the catastrophe of Jerusalem s fall After the Invasion shares the often overlooked but compelling story that emerges from the five later chapters of Jeremiah Keith Bodner expertly reveals the assortment of personalities geographic locations shifts in point of view temporal compression and layers of irony Primary focused on the narrative design of this text Professor Bodner proves that these chapters form a creative and sophisticated narrative that make a rich though perhaps underestimated contribution to the book of Jeremiah as a whole **Far From Minimal** Duncan Burns,John W. Rogerson,2012-03-22 Marking the 60th birthday of Professor Philip R Davies Dr Duncan Burns and John W Rogerson his former student and colleague respectively aim to do him justice They have comprised articles from their peers to reflect on the impact Professor Davies has made in three particular areas of study Hebrew Bible Qumran and Palestinean Archaeology New Testament and Early Judaism and Biblical Interpretation The breadth of this volume aims to reflect the scope interest and influence of Professor Davies from the last 30 years

Sherman, 2023-11-17 Tina M Sherman offers a first of its kind detailed analysis of prophetic passages that depict people as plants from grasses and grains to fruit trees and grapevines examining how the biblical authors exploited these metaphors to portray the condemnation and punishment of Israel and Judah in terms of the everyday work of crop farming and plant husbandry Additionally she explores how the prophetic authors employed plant imagery to construct national identities that emphasize the people's collective responsibility for the kingdom's fate *Plant Metaphors in Prophetic Condemnations of Israel and Judah* demonstrates the usefulness of combining conceptual metaphor theory with aspects of frame semantics in the analysis of patterns of thought and expression in biblical metaphor

Iconographic Exegesis and Third Isaiah Izaak Jozias Hulster, 2009 Although scholars employ pictorial material in biblical exegesis the question of how images from the Ancient Near East can contribute to a better understanding of the Bible has been left unanswered This is the first monograph to outline a historical method for iconographic exegesis The methodological study includes both responses to important theoretical questions such as What is an image and What is culture and an interdisciplinary exploration of issues of history art history archaeology and cultural anthropology The three stage method proposed is embedded in hermeneutical and exegetical reflections The application of iconographical exegesis to the interpretation of metaphors is also considered In demonstrating the method and its application Izaak J de Hulster focuses on Third Isaiah and develops three iconographical exegetical studies on yad in Isaiah 56 5 light in Isaiah 60 and grape processing in Isaiah 63

Jeremiah 52 in the Context of the Book of Jeremiah

Henk de Waard,2020-02-03 In Jeremiah 52 in the Context of the Book of Jeremiah Henk de Waard offers a thorough examination of the final chapter of the book of Jeremiah Particular attention is paid to the chapter s relationship with the parallel text in 2 Kings 24 18 25 30 to the differences between the Masoretic text and the Old Greek translation to the literary function of Jeremiah 52 within the book of Jeremiah and to the chapter s historical context De Waard shows that especially in the early text form represented by the Old Greek Jeremiah 52 is not a mere appendix to the book but a golah oriented epilogue indicating the contrasting destinies of pre exilic Judah and the exilic community in Babylon **Joshua 1-12** Thomas B. Dozeman,2015-01-01 An acknowledged expert on the Hebrew Bible Thomas Dozeman offers a fresh translation of the Hebrew and Greek texts of the book of Joshua and explores the nature function and causes of the religious violence depicted therein By blending the distinct teachings of Deuteronomy and the Priestly literature Dozeman provides a unique interpretation of holy war as a form of sacred genocide arguing that since peace in the promised land required the elimination of the populations of all existent royal cities a general purging of the land accompanied the progress of the ark of the covenant This essential work of religious scholarship demonstrates how the theme of total genocide is reinterpreted as partial conquest when redactors place Joshua an independent book between Deuteronomy and Judges The author traces the evolution of this reinterpretation of the central themes of religious violence while providing a comparison of the two textual versions of Joshua and an insightful analysis of the book s reception history *The Command to Exterminate the Canaanites: Deuteronomy 7* Arie Versluis,2017-02-20 According to Deuteronomy 7 God commands Israel to exterminate the indigenous population of Canaan In The Command to Exterminate the Canaanites Deuteronomy 7 Arie Versluis offers an analysis and evaluation of this command Following an exegesis of the chapter the historical background possible motives and the place of the nations of Canaan in the Hebrew Bible are investigated The theme of religiously inspired violence continues to be a topic of interest The present volume discusses the consequences of the command to exterminate the Canaanites for the Old Testament view of God and for the question whether the Bible legitimizes violence in the present Finally the author shows how he reads this text as a Christian theologian
