Seeing Through The Sun:

Seeing Through the Sun Linda Hogan, 1985 **LIFE IT IS WHAT IT IS AS SEEN THROUGH MY EYES** KEMY LOREE DERLAGO, 2013-10 As I travel across north America operating a tractor and trailer hauling consumer goods I come across many events of the human spirit and so I write about what I see hoping that it may make you cry make you laugh make you think about life and how precious it is **Seeing Through the Veil** Suzanne Conklin Akbari, 2004-01-01 During the later Middle Ages new optical theories were introduced that located the power of sight not in the seeing subject but in the passive object of vision This shift had a powerful impact not only on medieval science but also on theories of knowledge and this changing relationship of vision and knowledge was a crucial element in late medieval religious devotion In *Seeing through the Veil* Suzanne Conklin Akbari examines several late medieval allegories in the context of contemporary paradigm shifts in scientific and philosophical theories of vision After a survey on the genre of allegory and an overview of medieval optical theories Akbari delves into more detailed studies of several medieval literary works including the Roman de la Rose Dante s Vita Nuova Convivio and Commedia and Chaucer s dream visions and Canterbury Tales The final chapter Division and Darkness centres on the legacy of allegory in the fifteenth century Offering a new interdisciplinary synthetic approach to late medieval intellectual history and to major works within the medieval literary canon *Seeing through the Veil* will be an essential resource to the study of medieval literature and culture as well as philosophy history of art and history of science

The Alpha and the Omega Louisa Crisp, 2023-04-21 Drawing on scores of deep memories from her many clients Louisa Crisp shows that we can be free By shedding negative emotions traumas and conditioning we shine from the Divine essence that lives within This inextinguishable light cannot be taken from us yet many are choosing to live in fear and judgment in separation The Alpha and the Omega takes us on a breath taking journey from the moment our cosmos began to the present day revealing the cause of separation and the beginning of duality The second part of the book focuses on the life of Jesus the first person who was able to let go of his fears completely and to live in total alignment with Source Many valuable memories are revealed from individuals who lived during that time Louisa shows how we can take steps to free ourselves from emotional turmoil caused by separation from our true self By listening above all to our intuition we can embark on a voyage to the very core of our being This we will discover is the path to enlightenment **The Philosophy of Husserl** Burt C. Hopkins, 2011-01-01 Hopkins begins his study with Plato s written and unwritten theories of eid and Aristotle s criticism of both He then traces Husserl s early investigations into the formation of mathematical and logical concepts charting the critical necessity that leads from descriptive psychology to transcendently pure phenomenology An investigation of the movement of Husserl s phenomenology of transcendental consciousness to that of monadological intersubjectivity follows Hopkins then presents the final stage of the development of Husserl s thought which situates monadological intersubjectivity within the context of the historical a priori constitutive of all meaning An exposition of the unwarranted historical

presuppositions that guide Heidegger's fundamental ontological and Derrida's deconstructive criticisms of Husserl's transcendental phenomenology concludes the book. By following Husserl's personal trajectory Hopkins is able to show the unity of Husserl's philosophical enterprise challenging the prevailing view that Husserl's late turn to history is inconsistent with his earlier attempts to establish phenomenology as a pure science.

The Broadview Anthology of Victorian Prose, 1832-1901 Mary Elizabeth Leighton, Lisa Surridge, 2012-08-20 The Victorian era witnessed dramatic transformations in print culture and this new anthology covers the exciting intellectual and social debates of the period. From first person accounts of the lives of factory workers to Oscar Wilde's aesthetic theory and from narratives of British travelers in Africa and Asia to Havelock Ellis's theories of sexual inversion the surprising diversity of nineteenth century nonfiction writing is represented. Illustrations from Victorian periodicals provide a vivid sense of the original reading experience. The book's thematic organization emphasizes the social and historical contexts of prose writings as well as the way in which these writings address each other. In addition to a general critical introduction the anthology features new thematic introductions by experts in the field.
