Select British Documents Of The Canadian War Of 1812 Vol 3 Part 1:

Select British Documents of the Canadian War of 1812 William Wood,1920 *The Yonge Street Story, 1793-1860* F.R. (Hamish) Berchem,1996-04-15 This is the remarkable story of the trail that became the longest street in the world as officially recognized by The Guinness Book of Records Begun in 1794 Yonge Street was planned by the ambitious Lieutenant Governor John Graves Simcoe as a military route between Lake Ontario and Lake Huron Anxious to bolster Upper Canada's defences against the new republic to the south which he heartily loathed Simcoe had his Queen's Rangers survey and develop the route from Toronto to present day Holland Landing and laid out lots for settlement Even the trusty Rangers as one surveyor complained in 1799 needed little excuse to lay down tools and vanish to carouse upon St George's day Handsomely illustrated with the author's drawings and painstakingly researched this book captures the not so distant days when muddy Yonge Street was the backbone of pioneer Ontario

Select British Documents of the Canadian War of 1812 William C. Wood,1969-01-31 *Toronto Neighbourhoods 7-Book Bundle* Mark Osbaldeston,F.R. (Hamish) Berchem,Frederick H. Armstrong,Scott Kennedy,Jane Pitfield,2014-03-14 The Toronto Neighbourhoods bundle presents a collection of titles that provide fascinating insight into the history and development of Canada's largest and most diverse city Beginning with histories of Canada's longest street and the early days of what was once called York The Yonge Street Story 1793 1860 A City in the Making Opportunity Road the titles in the bundle go on to examine the development of particular unique neighbourhoods that help give the city its character Willowdale Leaside Finally Mark Osbaldeston's acclaimed award winning Unbuilt Toronto and Unbuilt Toronto 2 go beyond history and into the arena of speculation as the author details ambitious and possibly city changing plans that never came to fruition For lovers of Toronto this collection is a bonanza of insights and facts Includes A City in the Making Leaside Opportunity Road Unbuilt Toronto Unbuilt Toronto 2 Willowdale The Yonge Street Story 1793 1860

[The Apathetic and the Defiant](#) Craig L. Mantle,2007-02-12 Canadian soldiers have served their country for centuries and for the most part they have done so honourably and loyally Yet on certain occasions their conduct has been anything but honourable Whether by disobeying their legal orders terrorizing the local population or committing crimes in general some soldiers have embodied the very antithesis of appropriate military conduct Covering examples of unsavoury behaviour in the representatives of our military forces from the War of 1812 to the immediate aftermath of the First World War The Apathetic and the Defiant reveals that disobedience and mutiny have marked all of the major conflicts in which Canada has participated Canadian military indiscipline has long been overshadowed by the nation's victories and triumphs until now

Coffins of the Brave Kevin J. Crisman,2014-01-30 In Coffins of the Brave Lake Shipwrecks of the War of 1812 archaeologist Kevin J Crisman and his fellow contributors examine sixteen different examples of 1812 era naval and commercial shipbuilding They range from four small prewar vessels to four 16 or 20 gun brigs three warships of much greater size a steamboat hull converted into an armed schooner two gunboats and two postwar schooners

Despite their differing degrees of preservation and archaeological study each vessel reveals something about how its creators sought the best balance of strength durability capacity stability speed weatherliness and seaworthiness for the anticipated naval struggle on the lakes along the US Canadian border The underwater archaeology reported here has guided a new approach to understanding the events of 1812 15 one that blends the evidence in contemporary documents and images with a wealth of details derived from objects lost discarded and otherwise left behind This heavily illustrated volume balances scholarly findings with lively writing interjecting the adventure of working on shipwrecks and archaeological finds into the investigation and interpretation of a war that continues to attract interest two centuries after it was fought **The War of**

1812 in the Champlain Valley Allan S. Everest, 2010-11-26 This is the story of marching men and clashing ships of suffering and of occasional heroic deeds As in wars past and for similar reasons Lake Champlain and the region surrounding Lower Canada Vermont and Upstate New York became one of the major theaters of military action For two and a half years people in the region saw armies raised defeated and disbanded They witnessed their own militia repeatedly called out to protect the border areas and to serve as adjuncts to regular army units Despite a series of disheartening military reverses loss of life and destruction of property civilians maintained a remarkable degree of resilience They fled if battle threatened but soon returned to pick up the threads of their lives Everest's story shows us a war in microcosm and allows us a close up experience of the small events that helped shape the destiny of a youthful and growing nation **Defender of Canada**

Tanya Grodzinski, 2013-11-11 When war broke out between Great Britain and the United States in 1812 Sir George Prevost captain general and governor in chief of British North America was responsible for defending a group of North American colonies that stretched as far as the distance from Paris to Moscow He also commanded one of the largest British overseas forces during the Napoleonic Wars Defender of Canada the first book length examination of Prevost's career offers a reinterpretation of the general's military leadership in the War of 1812 Historian John R Grodzinski shows that Prevost deserves far greater credit for the successful defense of Canada than he has heretofore received Earlier accounts portrayed Prevost as overly cautious and attributed the preservation of Canada to other officers but Grodzinski challenges these assumptions and restores the general to his rightful place as British North America's key military figure during the War of 1812 Grodzinski shows that Prevost's strategic insight enabled him to enact a practicable defense despite scarce resources and to ably integrate naval power into his defensive plans Prevost's range of responsibilities in British North America were daunting They included overseeing joint endeavors with Indian allies managing logistical matters monitoring naval construction and personnel needs supervising colonial governments and commanding the defense of Canada Tasked with protecting an extensive and complex territory Prevost employed a mix of soldiers sailors locally raised forces and indigenous people in taking advantage of the American military's weaknesses to defeat most of its plans Following his recall to Britain in 1815 after the defeat at the Battle of Plattsburgh Prevost would have been court martialed had he not died unexpectedly In

carefully examining the charges leveled against Prevost Grodzinski shows the general to have preserved the integrity of Canada allowing diplomats to ensure its continued existence

Who's who in Canada Charles Whately Parker, Barnet M. Greene, 1922

Order and Disorder in the British Navy, 1793-1815 Thomas Malcomson, 2016 How did the British navy maintain authority among its potentially disorderly crews And what order exactly did it wish to establish

The War of 1812 Wesley B. Turner, 2000-05 An expanded and updated edition of the original this investigation of the war for North America unveils new research and archaeological discoveries

Canadian History: Beginnings to Confederation Martin Brook Taylor, Doug O'Wram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship

Captain Fitz Enid Mallory, 2011-12-24 The name James FitzGibbon struck terror in the hearts of U S soldiers and this is the dramatic story of his life and his daring exploits Irish born James FitzGibbon came to Canada with the 49th Regiment to serve under his hero Major General Sir Isaac Brock After the death of Brock at Queenston Heights and the capture of Fort George in the War of 1812 FitzGibbon spied on the enemy encampment disguised as a settler selling butter Armed with his intelligence report the British launched a surprise night attack and the Americans were forced to retreat With his hand picked band of Green Tiger guerrillas Fitz fought to stop the U S raiding parties Laura Secord alerted him to an impending attack at Beaver Dams and with his 50 men and the support of First Nations warriors he bluffed the 500 strong American Army into surrender Captain Fitz is full of action battles on land and lakes the burning of York Toronto the drama of 6 000 American soldiers moving downriver to attack Montreal only to be defeated at Crysler's Farm As well as the pageantry there's the misery suffering and hunger for honour and glory all part of the War of 1812

Annual Supplement to the Catalogue of the Library of Parliament in Alphabetical and Subject Order Canada. Library of Parliament, 1923

For Honour's Sake Mark Zuehlke, 2010-07-23 In the tradition of Margaret MacMillan's Paris 1919 comes a new consideration of Canada's most famous war and the Treaty of Ghent that unsatisfactorily concluded it from one of this country's premier military historians In the Canadian imagination the War of 1812 looms large It was a war in which British and Indian troops prevailed in almost all of the battles in which the Americans were unable to hold any of the land they fought for in which a young woman named Laura Secord raced over the Niagara peninsula to warn of American plans for attack though how she knew has never been discovered and in which Canadian troops burned down the White House Competing American claims insist to this day that in fact it was they who were triumphant But where does the truth lie Somewhere in the middle as is revealed in this major new reconsideration from one of Canada's master historians Drawing on never before seen archival material Zuehlke paints a vibrant picture of the war's major battles vividly re-creating life in the trenches the horrifying day to day manoeuvring on land and sea and the dramatic negotiations in the Flemish city of Ghent that brought the war to an unsatisfactory end for both sides By focusing on the fraught dispute in which British and

American diplomats quarrelled as much amongst themselves as with their adversaries Zuehlke conjures the compromises and backroom deals that yielded conventions resonating in relations between the United States and Canada to this very day

Jackson's Way John Buchanan, 2008-04-21 Praise for Jackson's Way A compelling account of Jackson's Indian fighting days as well a grand sweep of the conquest of the trans Appalachian West a more complex bloody and intrigue filled episode than is generally appreciated Mr Buchanan writes with style and insight This is history at its best The Wall Street Journal An excellent study of an area and a time period too long neglected by historians provides valuable new information particularly on the Indians Robert Remini author of Andrew Jackson and His Indian Wars John Buchanan has written a book that explodes with action and drama on virtually every page Yet the complex story of the birth of the American West never loses its focus Andrew Jackson's improbable rise to fame and power This is an American saga brilliantly told by a master of historical narrative Thomas Fleming author of Duel Alexander Hamilton Aaron Burr and the Future of America From John Buchanan the highly acclaimed author of The Road to Guilford Courthouse comes a compulsively readable account that begins in 1780 amidst the maelstrom of revolution and continues throughout the three tumultuous decades that would decide the future course of this nation Jackson's Way artfully reconstructs the era and the region that made Andrew Jackson's reputation as Old Hickory a man who was so beloved that men voted for him fifteen years after his death Buchanan resurrects the remarkable man behind the legend bringing to life the thrilling details of frontier warfare and of Jackson's exploits as an Indian fighter and reassessing the vilification that has since been heaped on him because of his Indian policy Culminating with Jackson's defeat of the British at New Orleans the stunning victory that made him a national hero this gripping narrative shows us how a people's obsession with land and opportunity and their charismatic leader's quest for an empire produced what would become the United States of America that we know today **Tecumseh & Brock** James Laxer, 2012 A political scientist scholar and the best selling author of Stalking the Elephant My Discover of America describes the War of 1812 and discusses the strange alliance of a Shawnee chieftain and an English Major General **A History of the Canadian Pacific Railway** Harold Adams Innis, 1923 Sessional Papers ... Legislature of the Province of Quebec ... Québec (Province). Legislature, 1920 **Subject Guide to Books in Print**, 2001
