Issue in Academic Life Leslie Francis,2001 Sexual harassment is a controversial and complicated issue on college campuses
today Bringing both philosophical and legal training to the discussion Leslie Pickering Francis here provides the first full
examination of sexual harassment as an ethical issue in education Francis examines the issues raised by the definition
understanding and regulation of campus sexual harassment and addresses arguments that its regulation may conflict with

paperback edition of scholarship from The Oxford Handbook of Qualitative Research in American Music Education authors
highlight the use of qualitative research to examine diverse musical contexts general music large ensembles etc and
individual experiences students teachers etc encountered in the field *A Place of Recourse* Roberta Sue Alexander,2005
The first history of a federal district court in a midwestern state A Place of Recourse explains a district court s function and
how its mission has evolved The court has grown from an obscure institution adjudicating minor debt and land disputes to
one that plays a central role in the political economic and social lives of southern Ohioans In tracing the court s development
Alexander explores the central issues confronting the district court judges during each historical era She describes how this
court in a non slave state responded to fugitive slave laws and how a court whose jurisdiction included a major coal mining
region responded to striking workers and the unionization movement The book also documents judicial responses to
Prohibition New Deal legislation crime mass tort litigation and racial desegregation The history of a court is also the history
of its judges Accordingly Alexander provides historical insight on current and past judges She details behind the scenes
maneuvers in judicial appointments and also the creativity some judges displayed on the bench such as Judge Leavitt who
adopted admiralty law to deal with the problems of river traffic A Place of Recourse demonstrates that at least in the
Southern District of Ohio the federal district court has played the role its creators hoped it would upholding federal law even
when the citizens of the region actively opposed such enforcement **Issues in Pediatric and Adolescent Medicine**
