Lord Of The Nutcracker Men:

Lord of the Nutcracker Men Iain Lawrence, 2003 It's 1914 and Johnny plays at war with nutcracker soldiers his father sends to him from the battlefields in France Can he control his father's fate and the war itself Cf Our choice 2003 **British Children's Literature and the First World War** David Budgen, 2018-05-17 Perceptions of the Great War have changed significantly since its outbreak and children's authors have continually attempted to engage with those changes explaining and interpreting the events of 1914-18 for young readers British Children's Literature and the First World War examines the role novels textbooks and story papers have played in shaping and reflecting understandings of the conflict throughout the 20th century David Budgen focuses on representations of the conflict since its onset in 1914 ending with the centenary commemorations of 2014 From the works of Percy F Westerman and Angela Brazil to more recent tales by Michael Morpurgo and Pat Mills Budgen traces developments of understanding and raises important questions about the presentation of history to the young He considers such issues as the motivations of children's authors and whether modern children's books about the past are necessarily more accurate than those written by their forebears Why for example do modern writers tend to ignore the global aspects of the First World War Did detailed narratives of battles written during the war really convey the truth of the conflict Most importantly he considers whether works aimed at children can ever achieve anything more than a partial and skewed response to such complex and tumultuous events **Secret Heart** David Almond, 2009-01-16 Joe Maloney is out of place in this world His mother wants him to be a man and he can't be that yet His only friend Stanny Mole wants to teach him how to kill and Joe can't learn that Joe's mind is always somewhere else on the weird creatures he sees in the distant sky the songs he hears in the air around him the vibrations of life he feels everywhere Everybody laughs at Joe Maloney And then a tattered circus comes to town and a tiger comes for him It leads him out into the night and nothing in Joe Maloney's world is ever the same again The transformative power of imagination and beauty flows through this story of a boy who walks where others wouldn't dare to go a boy with the heart of a tiger an unlikely hero who knows that sometimes the most important things are the most mysterious **The Lightkeeper's Daughter** Iain Lawrence, 2007-12-18 Three years have passed since Squid McCrae last saw her parents and the remote island where she grew up She returns now at seventeen a young woman with a daughter in tow The visit she knows will be rough Lizzie Island paradise to some a stifling prison to others brings an onslaught of memories It is the place of Squid's idyllic childhood where she and her brother Alastair blossomed into precocious adolescents But Lizzie Island is also the place where Alastair died Now the past collides with the present as Squid's homecoming unleashes bittersweet recollections revelations and accusations But nothing is what it appears to be No one possesses the complete truth and no one is without blame From the Hardcover edition **The Rag and Bone Shop** Robert Cormier, 2001-12-04 Twelve year old Jason is accused of the brutal murder of a young girl Is he innocent or guilty The shocked town calls on an interrogator with a stellar reputation he always gets a confession The

traits in historical fiction written for children most notably how the notion of positive progress into the future is nuanced differently in this literature in which the concept of progress from the past is inextricably linked to the protagonist's potential for agency and the realization of subjectivity The genre consistently manifests a concern with identity construction that in turn informs and influences how a metanarrative of positive progress is played out This book engages in a discussion of the functionality of the past within the genre and offers an interpretative frame for the sifting out of the present from the past in historical fiction for young readers
