Lord Of Nutcracker Men:

Lord of the Nutcracker Men Iain Lawrence, 2002 An English boy during World War I comes to believe that the battles he enacts with his toy soldiers control the war his father is fighting on the front **Ghost Boy** Iain Lawrence, 2002-05-14 Harold Kline is an albino an outcast Folks stare and taunt calling him Ghost Boy It's been that way all of his 14 years So when the circus comes to town Harold runs off to join it Full of colorful performers the circus seems like the answer to Harold's loneliness He's eager to meet the Cannibal King a sideshow attraction who's an albino too He's touched that Princess Minikin and the Fossil Man two other sideshow curiosities embrace him like a son He's in love with Flip the beguiling horse trainer and awed by the all knowing Gypsy Magda Most of all Harold is proud of training the elephants and of earning respect and a sense of normality Even at the circus though two groups exist the freaks and everyone else Harold straddles both groups But fitting in with those who are normal comes at a price and sometimes it's recognizing the truth beneath what's apparent that ultimately leads to happiness and turns a boy into a man *British Children's Literature and the First World War* David Budgen, 2018-05-17 Perceptions of the Great War have changed significantly since its outbreak and children's authors have continually attempted to engage with those changes explaining and interpreting the events of 1914-18 for young readers *British Children's Literature and the First World War* examines the role novels textbooks and story papers have played in shaping and reflecting understandings of the conflict throughout the 20th century David Budgen focuses on representations of the conflict since its onset in 1914 ending with the centenary commemorations of 2014 From the works of Percy F Westerman and Angela Brazil to more recent tales by Michael Morpurgo and Pat Mills Budgen traces developments of understanding and raises important questions about the presentation of history to the young He considers such issues as the motivations of children's authors and whether modern children's books about the past are necessarily more accurate than those written by their forebears Why for example do modern writers tend to ignore the global aspects of the First World War Did detailed narratives of battles written during the war really convey the truth of the conflict Most importantly he considers whether works aimed at children can ever achieve anything more than a partial and skewed response to such complex and tumultuous events **Only Remembered** Michael Morpurgo, 2014-07-03 Published to mark the centenary of the outbreak of the First World War this beautiful anthology collects favourite extracts poems and images from some of the UK's leading cultural political and literary figures Poems short stories personal letters newspaper articles scripts photographs and paintings are just some of the elements of this astonishing collection with cover and artwork by renowned illustrator Ian Beck Among the many contributors are Her Royal Highness the Duchess of Cornwall Sir Andrew Motion Miranda Hart Dame Jacqueline Wilson Anthony Horowitz Eoin Colfer Antony Beevor Emma Thompson David Almond Dr Rowan Williams Richard Curtis Joanna Lumley Raymond Briggs Shami Chakrabarti and Sir Tony Robinson Royalties from the publication will be split between the Royal British Legion and projects for soldiers children and families at SSAFA
