Lords of the Scaffold Geoffrey Abbott,1991-01-01 Lords of the Scaffold Geoffrey Abbot,2001 This is a detailed account of executioners and their methods through the centuries Geoffrey Abbott introduces some of the unhappy victims and recreates some famous and infamous death scenes Lords of the Scaffold G. Abbott,1992 *A Compleat History of the Trials of the Rebel Lords in Westminster-Hall* W. Wilkinson,1746 **Imagining Early Modern Histories** Elizabeth Ketner,Allison Kavey,2016-07-15 Interpreting textual mediations of history in early modernity this volume adds nuance to our understanding of the contributions fiction and fictionalizing make to the shape and texture of versions of and debates about history during that period Geographically the scope of the essays extends beyond Europe and England to include Asia and Africa Contributors take a number of different approaches to understand the relationship between history fiction and broader themes in early modern culture They analyze the ways fiction writers use historical sources fictional texts translate ideas about the past into a vernacular accessible to broad audiences fictional depictions and interpretations shape historical action and the ways in which nonfictional texts and accounts were given fictional histories of their own intentionally or not through transmission and interpretation By combining the already contested idea of fiction with performance action and ideas ideology this collection provides a more thorough consideration of fictional histories in the early modern period It also covers more than two centuries of primary material providing a longer perspective on the changing and complex role of history in forming early modern national gendered and cultural identities Early Modern Spectatorship Ronald Huebert,David McNeil,2019-06-30 What did it mean to be a spectator during the lifetime of Shakespeare or of Aphra Behn In Early Modern Spectatorship contributors use the idea of spectatorship to reinterpret canonical early modern texts and bring visibility to relatively unknown works While many early modern spectacles were designed to influence those who watched the very presence of spectators and their behaviour could alter the conduct and the meaning of the event itself In the case of public executions for example audiences could both observe and be observed by the executioner and the condemned Drawing on work in the digital humanities and theories of cultural spectacle these essays discuss subjects as various as the death of Desdemona in Othello John Donne s religious orientation Ned Ward s descriptions of London and Louis Laguerre s murals painted for the residences of English aristocrats A lucid exploration of subtle questions Early Modern Spectatorship identifies imagines and describes the spectator s experience in early modern culture **The Pictorial History of England** George Lillie Craik,1841 *Source-book of English History* Guy Carleton Lee,1900 **A New And Authentic History of England** William Augustus Russel,1782 *The Pictorial History of England: Being a History of the People, as Well as a History of the Kingdom (to the Accession of George III).
