He roams and stalks through out the city wearing his perfect disguise as a helpless old man. He enlists Abdul and quickly expands his reach to the local college youth. For every pair of heads found he has two girls in store facing the same morbid and grotesque fate. Abdul the ex child soldier is a ticking time bomb. A chance encounter for the worse. While looking for a place to hang alongside route 22 he runs into the deadliest dirtiest and nastiest serial killers the East Coast has ever known. In the same city an apparently innocent girl. Her secretly promiscuous college life spins out of control and looking for strangers in dark alleys and in strange homes becomes an insatiable drive. She begins to have encounters with older men in strange filthy bar settings while dating multiple students on campus. It is a rush that had been brewing in her from a tender age. It is an unbelievable rush. Homicide Detective Hollenbeck's only hope is to understand the method to the killer's depravity. But this serial killer has more than just sick and repulsive paraphilia, he also has powerful resources and Hollenbeck's worse nightmare already has one step ahead of him. It is personal. **NEARLY IMPOSSIBLE TO PUT DOWN. A GRIPPING EFFECTIVE PAGE TURNER. THE READER**      *The Shaman's Path* Lorie Allen, 2013-05 The Shaman's Path takes you on a guided journey to discover your life's purpose. Exercises and meditations take you on an experiential path on which you identify your issues, explore your ancestral ties and relationships and examine your everyday roles. All of these are released through personal work and ceremony. At the end of the journey you discover your destiny and move forward with a different perspective about yourself and the world around you. Rooted in the Shamanic practices of the medicine men and women of the High Andes in Peru, the author has taken what has been an oral tradition and concisely explained its history and its practical applications to modern life in North America and elsewhere. By completing the exercises in this book you move out of time and space and learn to navigate the pathways to the lower and upper worlds through Shamanic journeying, meet and communicate with spirit guides and power animals and come to a place where the mind and spirit can find healing. Working closely with the Earth, the author describes sacred ceremonies to create a deep connection with your place of being in the world. Options for working alone or in a group are provided. The work is not easy or fast but the author offers you step by step guidance and advice as well as personal examples to help along the way. The author's journey through the work described was one of personal transformation and joy and she wishes you many insights and great blessings as you begin your own journey to the healed state      **Shapewalking** Marilyn L.
