Critical Race Counterstories along the Chicana/Chicano Educational

Pipeline Tara J. Yosso, 2013-02-01 Chicanas/os are part of the youngest largest and fastest growing racial ethnic minority population in the United States yet at every schooling level they suffer the lowest educational outcomes of any racial ethnic group Using a counterstorytelling methodology Tara Yosso debunks racialized myths that blame the victims for these unequal educational outcomes and redirects our focus toward historical patterns of institutional neglect She artfully interweaves empirical data and theoretical arguments with engaging narratives that expose and analyse racism as it functions to limit access and opportunity for Chicana/o students By humanising the need to transform our educational system Yosso offers an accessible tool for teaching and learning about the problems and possibilities present along the Chicana/o educational pipeline

Urban Preparation Chezare A. Warren, 2021-02-23 2018 Critics Choice Book Award American Educational Studies Association AESA 2018 Outstanding Book Award Society of Professors of Education Chezare A. Warren chronicles the transition of a cohort of young Black males from Urban Prep Charter Academy for Young Men to their early experiences in higher education A rich and closely observed account of a mission driven school and its students Urban Preparation makes a significant contribution to our understanding of how young males of color can best be served in schools throughout the United States today A founding teacher at Urban Prep Warren offers a detailed exploration of what this single sex public high school on the South Side of Chicago has managed to accomplish amid profoundly challenging circumstances He provides a comprehensive portrait of the school its leaders teachers and professional staff its students and the community that the school aims to serve and highlights how preparation for higher education is central to its mission Warren focuses on three main goals to describe Urban Prep's plans and efforts to prepare young Black males for college to understand how race community poverty and the school contributed in complex and interrelated ways to the academic goals of these students and to offer a wide ranging set of conclusions about the school environments and conditions that might help young Black males throughout the country succeed in high school and college

Knowing Where to Draw the Line Mary Ann Manos, 2006-09-30 Many teachers in public schools find themselves increasingly unsure of what the law expects of them in the classroom The general public and government

regulators are holding them to higher and stricter standards of conduct but their educational preparation has not kept up with the changing environment. **Knowing Where to Draw the Line: Ethical and Legal Standards for Best Classroom Practice** is an ideal guide for teacher education programs offering a comprehensive account of the legal information that will arm teachers for legal survival in the classroom. Organized for both easy reference and thorough examination, **Knowing Where to Draw the Line: Ethical and Legal Standards for Best Classroom Practice** instructs teachers on how to deal with students, parents, administrators, and local communities, covering an exhaustive list of legal issues including Sexual Harassment, Discipline, Contract negotiations, Liability, and Medical Concerns. In addition, **Knowing Where to Draw the Line: Ethical and Legal Standards for Best Classroom Practice** highlights a number of court cases and uses hypothetical cases to further aid teachers in understanding these vital concerns.

UCLA Marina Dundjerski, 2011. **UCLA: The First Century** is an extensively illustrated hardcover book which follows a chronological historical narrative with in-depth sections on campus traditions and the history of Bruin athletics. Since the UCLA History Project was launched in 2004, UCLA has been chronicling a full account of their alma mater from humble beginnings to their current standing as one of the world's most prestigious public research universities. The research and editorial team for this publication delved into the untold number of historical documents and photographs preserved in UCLA's archives and beyond, interviewed numerous members of the UCLA community, and searched for materials and anecdotes that were on the verge of becoming permanently lost or forgotten. **100 Years of UCLA** on your coffee table. Los Angeles Times. I wanted to create an authentic historical account of our university. Every day I am inspired by the story of UCLA and I see its history as a collective living legacy that we all share. Marina Dundjerski, 94. Author. The book is indeed beautiful. Thank you so much for all the work that went into it. Rhea Turteltaub, Vice Chancellor, UCLA External Affairs.

The Lists, 2007. *Handbook of Social and Emotional Learning*. Joseph A. Durlak, Celene E. Domitrovich, Roger P. Weissberg, Thomas P. Gullotta, 2016-10-26. The burgeoning multidisciplinary field of social and emotional learning (SEL) now has a comprehensive and definitive handbook covering all aspects of research, practice, and policy. The prominent editors and contributors describe the state of the art, intervention and prevention programs designed to build students' skills for managing emotions, showing concern for others, making responsible decisions, and forming positive relationships. Conceptual and scientific underpinnings of SEL are explored, and its relationship to children's and adolescents' academic success and mental health examined. Issues in implementing and assessing SEL programs in diverse educational settings are analyzed in depth, including the roles of school and district-level leadership, teacher training, and school-family partnerships.
