El Pueblo Jean Bruce Poole, Tevvy Ball, 2002 Founded in 1781 by pioneers from what is today northern Mexico *El Pueblo de Los Angeles* mirrors the history and heritage of the city to which it gave birth When the pueblo was the capital of Mexico's Alta California the region's rancheros came here to celebrate mass or to attend fiestas in the historic Plaza Following California's statehood in 1850 the pueblo for a time ranked among the most lawless towns of the American West American speculators wealthy rancheros and Italian wine merchants crowded its dusty streets The town's first barrio and the vibrant precincts of Old Chinatown soon grew up nearby As Los Angeles burgeoned into a modern metropolis its historic heart fell into ruin to be revitalized by the creation in 1930 of the romantic Mexican marketplace at Olvera Street Here two years later David Alfaro Siqueiros painted the landmark mural *Am rica Tropical* whose story is a fascinating tale of art politics and censorship In the decades since the pueblo has remained one of Southern California's most enduring and most complex cultural symbols *El Pueblo* vividly recounts the story of the birthplace of Los Angeles An engaging historical narrative is complemented by abundant illustrations and a tour of the pueblo's historic buildings The book also describes initiatives to preserve the pueblo's rich heritage and considers the significance of its multicultural legacy for Los Angeles today **Dreamers and Schemers** Barry Siegel, 2020-09-14 How one man brought the Olympics to Los Angeles fueling the city's urban transformation *Dreamers and Schemers* chronicles how Los Angeles's pursuit and staging of the 1932 Olympic Games during the depths of the Great Depression helped fuel the city's transformation from a seedy frontier village to a world famous metropolis Leading that pursuit was the Prince of Realtors William May Billy Garland a prominent figure in early Los Angeles In important respects the story of Billy Garland is the story of Los Angeles After arriving in Southern California in 1890 he and his allies drove much of the city's historic expansion in the first two decades of the twentieth century Then from 1920 to 1932 he directed the city's bid for the 1932 Olympic Games Garland's quest to host the Olympics provides an unusually revealing window onto a particular time place

and way of life Reconstructing the narrative from Garland's visionary notion to its consequential aftermath Barry Siegel shows how one man's grit and imagination made California history *Making Black Los Angeles* Marne L.

Campbell,2016-09-27 *Black Los Angeles* started small The first census of the newly formed Los Angeles County in 1850 recorded only twelve Americans of African descent alongside a population of more than 3 500 Anglo Americans Over the following seventy years however the African American founding families of Los Angeles forged a vibrant community within the increasingly segregated and stratified city In this book historian Marne L Campbell examines the intersections of race class and gender to produce a social history of community formation and cultural expression in Los Angeles Expanding on the traditional narrative of middle class uplift Campbell demonstrates that the black working class largely through the efforts of women fought to secure their own economic and social freedom by forging communal bonds with black elites and other communities of color This women led black working class agency and cross racial community building Campbell argues was markedly more successful in Los Angeles than in any other region in the country Drawing from an extensive database of all African American households between 1850 and 1910 Campbell vividly tells the story of how middle class African Americans were able to live work and establish a community of their own in the growing city of Los Angeles **Murder at the Sleepy**

Lagoon , *City of Dreams* Jerald Podair,2019-07-09 A vivid history of the controversial building of Dodger Stadium and how it helped transform Los Angeles When Walter O Malley moved his Brooklyn Dodgers to Los Angeles in 1957 with plans to construct a new ballpark he ignited a bitter half decade dispute over the future of a rapidly changing city For the first time *City of Dreams* tells the full story of the controversial building of Dodger Stadium and how it helped create modern Los Angeles In a vivid narrative Jerald Podair tells how the city was convulsed over whether where and how to build the stadium Eventually it was built on publicly owned land from which the city had uprooted a Mexican American community raising questions about the relationship between private profit and public purpose Indeed the battle over Dodger Stadium crystallized issues with profound implications for all American cities Filled with colorful stories *City of Dreams* will fascinate anyone who is interested in the history of the Dodgers baseball Los Angeles and the modern American city Murder at the Sleepy Lagoon Eduardo Obregón Pagán,2004-07-21 The notorious 1942 Sleepy Lagoon murder trial in Los Angeles concluded with the conviction of seventeen young Mexican American men for the alleged gang slaying of fellow youth Jose Diaz Just five months later the so called Zoot Suit Riot erupted as white soldiers in the city attacked minority youths and burned their distinctive zoot suits Eduardo Obregón Pagán here provides the first comprehensive social history of both the trial and the riot and argues that they resulted from a volatile mix of racial and social tensions that had long been simmering In reconstructing the lives of the murder victim and those accused of the crime Pagán contends that neither the convictions which were based on little hard evidence nor the ensuing riot arose simply from anti Mexican sentiment He demonstrates instead that a variety of pre-existing stresses including demographic pressures anxiety about nascent youth culture and the war effort all

contributed to the social tension and the eruption of violence Moreover he recovers a multidimensional picture of Los Angeles during World War II that incorporates the complex intersections of music fashion violence race relations and neighborhood activism Drawing upon overlooked evidence Pag n concludes by reconstructing the murder scene and proposes a compelling theory about what really happened the night of the murder **The Giants and the Dodgers** Andrew Goldblatt,2015-10-05 The Giant Dodger rivalry was considered the best in baseball by 1890 and remains the game s oldest and most storied rivalry today It s remarkable how often both teams have been good how rarely they ve both been bad and how tenaciously the underdog has battled in between Through 12 decades and in two sets of cities 3 000 miles apart Giant and Dodger partisans have rooted so passionately against each other that just as during the Civil War conflicting loyalties have divided neighbors and even families This is the definitive account of the rivalry from its roots in amateur contests between New York and Brooklyn teams in the 1840s to its present incarnation in California s world class cities All the greats are here Ward Ebbets McGraw Mathewson Terry Durocher Reese Robinson Mays Koufax Drysdale Marichal Lasorda Bonds The book also examines the cities that have hosted the rivalry and devotes a special section to the move to California The author argues compellingly that contrary to popular wisdom the rivalry s best years came after the move **Murder at The Sleepy Lagoon (Volume 2 of 2) (EasyRead Super Large 20pt Edition)** , **The Great Depression on Film** David Lührssen,2022-08-23 This book presents the Great Depression through the lens of 13 films beginning with movies made during the Depression and ending with films from the 21st century and encourages readers to examine the various depictions of this period throughout history The Great Depression on Film is a unique guide to how the Great Depression was represented and is remembered making it an excellent resource for students or anyone interested in film history or U S history Each film is set in a different sector of American life focusing on such topics as white supremacy political protest segregation environmental degradation crime religion the class system and popular culture in the U S during the 1930s This book is indispensable for clearing away misconceptions fostered by the movies while acknowledging the power of film in shaping public memory The book separates fact from fiction detailing where the movies are accurate and where they depart from reality and places them in the larger context of historical and social events Eyewitness or journalistic accounts are referenced and quoted in the text to help readers differentiate between ideas attitudes and events presented in the films as well as the historical facts which inspired those films **A.P. Giannini, The People's Banker** Francesca Valente, The story of a dreamer Envisioning a socio economic utopia A P Giannini was not a typical banking tycoon With a socially enlightened heart he made the American dream a reality not just for himself but for society as a whole In spite of devastating personal obstacles such as the death of his father Giannini became the world s leading banker of the twentieth century Raised by hardworking peasant immigrants in what was considered a backwater area of California Giannini received his economic education in an unconventional way paving the way for his rise to prosperity Founding the Bank of Italy for poor immigrant

families he wanted to overcome the barriers put in place by the conservative current banking elite to fulfill the dreams of little guys Soon the Bank of Italy became the Bank of America and the poor Italian was now in a position to help dreamers such as Walt Disney achieve their own dreams Giannini also shaped the San Francisco skyline by financing the bold Golden Gate Bridge His influences and hard work can be seen all over the country simply because he believed in a more general distribution of wealth and happiness
