

## PRAISE FOR *LOSING AMERICA*

"Senator Robert Byrd has written a book with the energy of a twenty-two-year-old and the wisdom of an octogenarian. This is a must read for anyone who is worried about what the Bush administration is doing to American democracy. Byrd is a real American patriot!"  
—HOWARD DEAN

"Senator Byrd speaks with the voice of a Founding Father defending the traditional ideals of the old republic against the ideological radicals who have seized Washington, today an occupied city. *Losing America* is a passionate book, and it is an absorbing book. Every citizen should read it."

—ARTHUR M. SCHLESINGER, JR.

"Robert Byrd loves our country. He has devoted his congressional career to studying and defending our Constitution. In this important book, a true patriot sounds the alarm about a runaway presidency."

—MADELINE K. ALBRIGHT, secretary of state for President Clinton

"Senator Robert Byrd is a superb historian of the U.S. Congress and presidency. As a courageous leader of resistance to the alarming recklessness and arrogance of the Bush administration, Senator Byrd participated directly in the history chronicled in his book. Bush's disastrous foreign policy and phony justification for war in Iraq have done more damage to America than any previous president. This book is must reading for all who are concerned about our future."

—JAMES M. MC PHERSON, professor of history, Princeton University;  
former president of the American Historical Association

"A courageous and historically wise statement by America's outstanding senator regarding an increasingly ominous threat to America's soul."

—DR. BRIGITTE BRZEZINSKI,  
national security adviser for President Carter
