Remarriage: His Billionaire Ex-wife Part VIII H.D.Cynthia, Will you re marry me He asked lying on the hospital bed after surviving an attempted murder Yes A thousand times She nodded with tears in her eyes Jessica had dreamed of this moment for more than 10 years She had had a crush on Lucas at 14 when he saved her from a group of gangsters Eight years later she married him despite all opposition from her parents and friends But Lucas chose to save and defend another woman rather than her in face of danger Sick of this toxic marriage Jessica decided to leave and embark on the journey of vengeance Three months later she came back as a billionaire CEO instead of that country girl in his eyes *Mind Games* J.E.

Taylor,2018-10-31 Chris Ryan doesn't understand why he's alive He should have died in the prison he and his stepbrother created Dying screams and the ring of gunshots still haunt his dreams and to make matters worse five years hasn't erased his passion for Jessica Connor She left him bleeding on the cold concrete floor escaping the prison that held her for close to a year Semi conscious and close to death his gaze fell on an apparition of her son White light filled his skin healing his wounds and giving him a second chance and to this day that power still rages within him Haunting visions of her daughter's death drive him out of hiding and he shows up at her doorstep with the intent of giving her the power to save her cancerous daughter The power he safeguarded all these years But his good intentions fall short when they realize he led the vengeful spirit of his stepbrother straight to her Cancer is no longer their biggest worry Now Chris and Jessica must battle a ghost hell bent on destroying all of them How Far Would You Go?
