**Recover!** Stanton Peele, Ilse Thompson, 2014-02-04 For decades you ve been told that addiction is an irreversible disease a biological force over which you have no control That defeatist message not only is without scientific foundation but actually prevents your overcoming addiction Now world renowned addiction expert Stanton Peele demystifies addiction and offers a groundbreaking program that puts at your disposal what does work in treatment and recovery For four decades Dr Peele has challenged our understanding of addiction and recovery He has developed approaches that break the cycle of addiction and empower us to take control of our lives including understanding that we are able to direct our own brains to change In Recover Dr Peele s PERFECT Program takes you through the key concepts of mindfulness that is your ability to detach from your addictive experience and to see that it is not who you are combined with the Buddhist idea of loving kindness or self acceptance It s an easily grasped yet multifaceted program that allows your true self to overcome your addictive urges Instead of focusing on what s wrong with you the PERFECT Program will help you discover embrace and build your recovery on what s already right about you Combining the best evidence based treatments with the mindful use of meditation Recover presents a life transforming philosophy for freeing yourself from addiction forever

*His Dangerous Game* Arnold Videl, 2025-03-29 Drawn into a world of danger and desire she finds herself irresistibly captivated by a man who is both a thrill and a threat His touch ignites a fire within her his gaze a silent promise of forbidden pleasures As the night unfolds the line between passion and peril blurs pulling her deeper into a game where the stakes are higher than she ever imagined Caught in a seductive dance with fate she must decide will she surrender to the intoxicating unknown or risk everything to escape before it s too late

*Readings for Diversity and Social Justice* Maurianne Adams, 2000 These essays include writings from Cornel West Michael Omi Audre Lorde Gloria Anzaldua and Michelle Fine The essays address the multiplicity and scope of oppressions ranging from ableism to racism and other less well known social aberrations

**Private Property Rights Protection** United States. Congress. House. Committee on Agriculture. Subcommittee on Resource Conservation, Research, and Forestry, 1995

*Breaking Free Mindset* Gabriel Barnes, AI, 2025-02-27 Breaking Free Mindset delivers a practical evidence based approach to overcoming addiction by targeting thought patterns and promoting mindfulness The book emphasizes the importance of cognitive restructuring which involves identifying and challenging the distorted thoughts that fuel addictive behaviors It also highlights mindfulness based relapse prevention

teaching readers to observe cravings without acting on them This combination addresses both the cognitive and emotional aspects of addiction offering a holistic path to recovery The book uniquely integrates cognitive behavioral therapy CBT principles with mindfulness techniques drawing on neuroscience to explain how addiction affects the brain's reward system You'll learn how addictive substances or behaviors hijack these pathways leading to compulsive actions By understanding these mechanisms readers can consciously reshape their thoughts and rewire their brains The book progresses systematically beginning with core concepts like cognitive distortions and triggers It then explores practical techniques for challenging these thoughts and delves into mindfulness principles for relapse prevention The final sections focus on building a sustainable recovery plan including goal setting and seeking social support Through practical exercises and real life examples **Breaking Free Mindset** guides readers toward lasting freedom from addiction

**Social Work Practice for Promoting Health and Wellbeing** Liz Beddoe, Jane Maidment, 2013-12-17 Promoting health and wellbeing is an essential part of all effective social work not just for practice in healthcare settings In fact the IFSW holds that social workers in all settings are engaged in health work and physical and mental resilience can make a major difference to all service users' lives Drawing on international literature and research the authors collected here encourage thinking about the social political cultural emotional spiritual economic and spatial aspects of health and wellbeing and how they impact on the unique strengths and challenges of working with particular populations and communities Divided into three parts the first section outlines the major theoretical paradigms and critical debates around social work and ideas of wellbeing globalisation risk and vulnerability and the natural environment The second part goes on to explore how diverse understandings of culture identity spirituality and health require different strategies for meeting health and wellbeing needs The final part presents a variety of examples of social work research in relation to health and wellbeing with specific populations including mental health Exploring how structural inequality oppression and stigma can impact upon people and drawing upon a social model of health this book is an important read for all practitioners and researchers interested in social work public health and social

inclusion     A Dictionary of the English Language Samuel Johnson, 1824     **Psychiatric and Mental Health Nursing** Phil Barker, 2008-12-26 Supported by relevant theory research policy and philosophy this second edition of Psychiatric and Mental Health Nursing The craft of caring provides a comprehensive overview of the practice of psychiatric and mental health nursing The concept of the craft of caring dictates that the basis of good nursing practice is a combination of both art and science encouraging nurses to take a holistic approach to the practice of psychiatric and mental health nursing Reflecting current developments in nursing practice and the understanding of mental health disorders this edition includes twelve additional chapters placing more emphasis on specific groups such as children and young people women older people asylum seekers and refugees Case studies include patients with anxiety schizophrenia and bipolar disorder as well as victims of sexual abuse those with an eating disorder homeless patients and those with dementia and autism The book also examines specialist services such as psychiatric liaison and spiritual care and includes discussion on psychiatric diagnosis and mental health legislation in relation to human rights This is an essential text for all psychiatric and mental health nurses at the diploma and degree level as well as qualified mental health nurses seeking to update their knowledge It will also be a useful reference for professionals in other disciplines such as social work medicine and psychology     **Put Your Dreams First** Thembisa S. Mshaka, 2009-04-23 There is a great mystique about the entertainment industry and a fervent desire in many to be part of it But what many women don't realize is that most entertainment career guides are written from the point of view of the male executive or are filled with industry and legal jargon making them difficult to read and understand Now in Put Your Dreams First Thembisa Mshaka uses her 15 years of experience in the music industry to expose the hidden truths that women need to know as they aspire toward entertainment careers such as how to avoid compromising one's self respect and the little known fact that women run a large part of the business This highly informative guide is for every woman wanting to know how to navigate the entertainment superhighway and find that job of a lifetime     *The Roots of Our Discontent* Pasquale De Marco, 2025-05-22 In a time of widespread discontent and disillusionment The Roots of Our Discontent offers a scathing indictment of the American political system and a clarion call for change With meticulous research and incisive analysis this book exposes the deep seated problems that ail our nation from the bloated bureaucracy and unchecked executive power to the corrosive influence of money in politics and the apathy of the citizenry Martin L Gross a fearless investigative journalist delves into the inner workings of Washington D C revealing the self serving machinations of politicians and special interests that have led to the current state of gridlock and dysfunction He pulls back the curtain on the revolving door between government and corporate power exposing the cozy relationships that undermine the public interest Gross argues that the two party system once a vehicle for compromise and progress has become a major obstacle to solving the nation's problems He skewers the partisan bickering and ideological posturing that have paralyzed Congress and prevented meaningful action on critical issues He also takes aim at the imperial presidency which has accumulated excessive

power and eroded the checks and balances essential to a healthy democracy The book also examines the growing economic inequality and the erosion of the middle class demonstrating how the current system benefits the wealthy and powerful at the expense of ordinary Americans Gross exposes the loopholes and tax breaks that allow corporations and the wealthy to avoid paying their fair share while the burden falls disproportionately on working families With a keen eye for detail and a passion for justice Gross paints a vivid picture of a nation in crisis a nation desperately in need of reform The Roots of Our Discontent is a must read for anyone concerned about the future of American democracy a clarion call for action that demands we confront the challenges facing our nation and work together to build a better future for all If you like this book write a review on google books
