Mexico City The Ancient Alien Question Philip Coppens,2011-11-15 Have we been visited by extraterrestrial beings Did
these ancient aliens contribute to the birth of human civilization Do our ancient monuments contain evidence of their
presence The Ancient Alien Question reveals an array of astonishing truths including A radically different understanding of
the pyramids and how they were constructed The origins of crystal skulls and how they were found The extraordinary stories
behind monuments such as the Nazca lines and Puma Punku and who built them How extraterrestrials came to our planet

and the evidence that supports this Analyzing the historical and archaeological evidence Philip Coppens demonstrates that there is substantial proof that our ancestors were far more technologically advanced than currently accepted and that certain cultures interacted with non human intelligences Our ancestors were clearly not alone Forty years after Erich von D niken posed these questions in Chariots of the Gods Coppens provides clear and concise answers to the great historical enigmas in a most accessible and readable format Your view of human history will never be the same again *Pivot Cities in the Rise and Fall of Civilizations* Ahmet Davutoğlu,2021-09-30 Based on the author s long experience in academic life and the public realm especially in foreign policy this book argues that a single categoric classification of cities is inadequate and that cities have had different and varied impacts and positions throughout the history of civilization The author examines how the formation transformation destruction or reestablishment of many civilizational cities reveals a clearer picture of the cornerstones of the course of human history These cities which play a decisive and pivotal role in the direction of the flow of history as well as providing us with a compass to guide our efforts to understand and interpret this flow are conceptualized by the author as civilizations pivot cities This innovative book explores the role of great cities in political historical change presenting an alternative view of these pivot cities from a culturalist perspective Within this framework the role played by pivot cities in the history of civilization may be considered under seven distinct headings pioneering cities which founded civilizations cities which were founded by civilizations cities which were transplanted during the formation of civilizations ghost cities which lost their importance through shifts in political power and civilizational transformation lost cities which were destroyed by civilizations cities on lines of geocultural geoeconomic interaction and cities which combine transform or are transformed by different civilizations The author s concept of pivot cities explores the interplay between vital cities and civilizations which bears on the future of globalization at a time of instability as projected continuing de Westernization becomes a theme in studies of global history This book provides highly productive discussions relevant to the literature on city civilization relationships and the historicity of pivot cities Its clear language rich content deep and original perspective interdisciplinary approach and rich bibliography will ensure that it appeals to students and scholars in a variety of disciplines including cultural studies political science comparative urban studies anthropology history and civilizational studies **The Utah Treasure Mystery** Pasquale De Marco,2025-05-10 The Utah Treasure Mystery is the true story of Pasquale De Marco s search for the Lost Rhoades Mine a legendary gold mine hidden in the Uintah Mountains of Utah For over 20 years Pasquale De Marco has been a treasure hunter and he has found hundreds of lost treasures But the Lost Rhoades Mine is his most famous find and it is believed to contain millions of dollars worth of gold Pasquale De Marco s search for the Lost Rhoades Mine began in the early 1990s He had been reading about the mine for years and he was convinced that he could find it He spent years researching the history of the mine and studying ancient maps He also spent a lot of time searching the Uintah Mountains looking for any sign of the mine In 2003 Pasquale De Marco finally found the Lost Rhoades Mine It was

hidden in a remote canyon and it was surrounded by a thick forest Pasquale De Marco was the first person to find the mine in over 100 years The discovery of the Lost Rhoades Mine is a major historical event The mine is believed to contain millions of dollars worth of gold and it is also a valuable historical site It provides insights into the lives of the early Mormon settlers and it is a reminder of the rich mining history of the American West Pasquale De Marco s discovery of the Lost Rhoades Mine is a testament to his perseverance and his passion for treasure hunting He never gave up on his dream of finding the mine and he was finally rewarded for his efforts The Utah Treasure Mystery is the story of his incredible journey and it is an inspiration to anyone who dreams of finding lost treasure If you like this book write a review on google books *Exchange Entitlement Mapping* A. Celestial Mesa: 2012 Sharon S. Delaney,2011-12-06 So for centuries your people have worked as farmers and hunters knowing the future would roll down to the end days prophecied by the Mayan culture like a run away freight train Sue asked Yes it is true Frank replied We didnt have much choice we had to keep body and soul together until the end days We rocked along for centuries working in the fields and hunting We domesticated fowl eating their meat and eggs We were all small communities and lived in simple dwellings that were relatively easy to repair If we suffered natural disasters like earthquakes and tornadoes that destroyed our homes we cleared away the rubble and started over Then we came up on the twentieth century and everything got different We went through a surge of creating new inventions We learned to fly and made electricity toilets that flushed fancy cell phones and the internet Suddenly there wasnt anything happening on the planet we didnt know about Weve become complacent now and a hundred years after the inventions came our fancy inventions are beginning to crumble We got so we depended on the economy The monetary system took over Men became greedy and pulled and tugged at the proceeds from Wall Street until it all began to unravel They created bigger and better weapons not where you had your enemy in your sights but you could take out whole cities at a time The Hopi tell in their prophecies of villages in metal and glass canyons where a man could walk all day and never see the horizon One day someone would push a button and where a city had been there would just be steam The people would have no choice but to just walk away if they survived We are getting to be like the Olmecs and Mayans and Aztecs who couldnt feed their people because their population and their cities got too big and they had to abandon them Its not impossible New York could become an abandoned city It could happen They could just walk away In the twentieth century for the first time skirmishes became world wars The young men left the land their forefathers defended and went to lose their blood and their lives defending someone elses land One day soon we will lose all our fancy toys to the end of the age of electricity and technology and succumb to sunspots that will devastate communications Our forefathers never knew sunspots existed **Mesoamerican History & Mythology: Aztec,**
