Lost Weekend The Complete Screenplay:

The Lost Weekend Billy Wilder, Charles Brackett, 2000-12-05 Jane Wyman also delivers a powerful performance as his faithful girlfriend Helen St James whose selfless love offers Birnam a hope of redemption *Alcohol in the Movies, 1898-1962* Judy Cornes, 2006-10-03 A 1906 film called *The Dream of a Rarebit Fiend* shows a man drinking and eating voraciously at a restaurant then going home to bed In the surreal scenes that follow furniture disappears tiny devils poke the man's head with pitchforks and his bed hurls itself out the window and across the city But it wasn't commentary on drinking rather it was a showcase of early special effects double exposure photography panning shots and montage Turn of the century films typically treated drinking as a subject for comedy and ridicule and the comic possibilities translated well into silent movies As talkies developed and the film industry matured alcohol's portrayal was reflected in the times prohibition the Great Depression the war years and as social commentary Here is a study of 64 years of alcohol as portrayed in film The author begins with the appearance in 1898 of what is probably the first commercial a 30 second film of men in kilts dancing and the words Scotch Whiskey appearing in the background The final film is 1962's *Days of Wine and Roses* which addresses alcoholism The author includes a film from each decade those with artistic or historical value those that represent the comedy drama and musical genres and well known pictures such as *The Lost Weekend* and *A Star Is Born* The first three chapters cover 1903 to 1939 The remaining chapters follow not a timeline but the growing complexity of the movies A recurring motif is the use of the term white logic a phrase used by writer Jack London in his 1913 memoir *John Barleycorn* It refers to disillusionment with everyday life brought on by and exacerbated by alcohol An annotated filmography lists the date source and other relevant information about movies in this study *The Film Buff's Guide* David Barry, 2023-12-12 Do you love cinema and want to know more about its history Are you a film fan looking for an informative yet light hearted review of the last one hundred and thirty years of the silver screen If so you've found what you're looking for In this book TV and movie star David Barry takes us on a journey through the history of cinema from the silent movies at the time of the birth of the industry all the way up to today's CGI fuelled blockbusters The author guides us through this huge subject in an easy to follow fashion with amusing facts and hilarious anecdotes peppered throughout the book Quotes from some of the movie world's best known lines of dialogue are used to illustrate the narrative and some amazing trivia is supplied enabling the reader to impress their friends and acquaintances with little known geek level movie facts With something here for everyone you'll never be at a loss when answering or even setting quiz questions Whether you're already a movie buff with plenty of knowledge or a film fan seeking an understanding of how we got to where we are today this is the perfect book for you

Dashing to the End Eric Monder, 2025-05-15 Born Alfred Reginald John Truscott Jones Welsh American actor Ray Milland 1907-1986 appeared in more than 135 theatrical releases between 1929 and 1985 and on radio television and the stage while also becoming a film director Milland's extensive canon across such a period is remarkable especially considering

his lack of formal training his belated start in show business in his late twenties and the fact he only lived to age seventy nine Perhaps best remembered for his Oscar winning performance as the tortured alcoholic in Billy Wilder s The Lost Weekend 1945 or his outstanding collaboration with Alfred Hitchcock in Dial M for Murder 1954 there is much more to Milland s life and career than the few films that elevated him from star to icon Despite his prolific and successful career Dashing to the End The Ray Milland Story is the first comprehensive biography of the star Milland s personal and professional trajectory epitomize quintessential Hollywood lore the British army soldier turned actor who went from unknown struggling bit player to Oscar winning star to aging scandal haunted has been to comeback character actor to present day cult figure Using interviews with Milland s costars and colleagues as well as research from several major archives author Eric Monder brings into sharp relief both the positive and negative aspects of the Hollywood film and television industries and paints a well rounded portrait of this complex man and artist

Screenwriters José Guilherme Correa,2016-07-13 Screen writing is a unique literary form Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers They are written using technical jargon and tight spare prose to describe set directions Unlike a novella a script focuses on describing the literal visual aspects of the story rather than on its characters internal thoughts In screen writing the aim is to evoke those thoughts and emotions through subtext action and symbolism Prominent Hollywood script doctors include Steve Zaillian William Goldman Robert Towne Mort Nathan Quentin Tarantino etc while many up and coming screenwriters work as ghost writers This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z The good are sometimes bad and they can be even Ugly Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly or almost what I thought An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature It all comes down to watching the truth 24 times per second to quote Jean Luc Godard s phrase Not to mention that such truth may include sex scenes violence

pedophilia etc We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly thanks to A I Bezzerides script As a former screenwriter Mr Correa must avow that he found the job most gratifying Writing that looks effortless is often hellish to write and revise It was something he did have to slog through but it proved particularly pleasing Editing discussing finishing your work is particularly gratifying Identifying your flaws and working to mitigate them is also gratifying It is a general perception that creative careers are more interesting and fun than others But the privilege of earning money through imagination and creativity is effectively hard won Please comment at will Please disagree at will Be facetious in your remarks but please be neither vicious nor mean spirited

The Sunnier Side Charles Jackson,1995 A posthumous anthology of stories on life in Arcadia a small town in New York State illustrating the advantages and disadvantages of living in a small burg In one story a girl is hounded for having an affair in another a man discovers to his horror that a bum is a relative By the author of The Lost Weekend

Drunks Christopher Finan,2017-06-27 Reveals the history of our struggle with alcoholism and the emergence of a search for sobriety that is as old as our nation In Drunks Christopher Finan introduces us to a colorful cast of characters who were integral in America's moral journey to understanding alcoholism There's the remarkable Iroquois leader named Handsome Lake a drunk who stopped drinking and dedicated his life to helping his people achieve sobriety In the early nineteenth century the idealistic and energetic Washingtonians a group of reformed alcoholics led the first national movement to save men like themselves After the Civil War doctors began to recognize that chronic drunkenness is an illness and Dr Leslie Keeley invented a gold cure that was dispensed at more than a hundred clinics around the country But most Americans rejected a scientific explanation of alcoholism A century after the ignominious death of Charles Adams came Carrie Nation The wife of a drunk she destroyed bars with a hatchet in her fury over what alcohol had done to her family Prohibition became the law of the land but nothing could stop the drinking Finan also tells the dramatic story of Bill Wilson and Dr Bob Smith who helped each other stay sober and then created AA which survived its tumultuous early years and finally proved that alcoholics could stay sober for a lifetime This is narrative history at its best entertaining and authoritative an important portrait of one of America's great liberation movements and essential reading for anyone involved in the addiction community

Farther and Wilder Blake Bailey,2013 The fascinating biography of the author of The Lost Weekend a writer whose life and work encapsulated what it meant to be an addict and a closeted gay man in mid century America and who is ripe to be rediscovered

Resting among Us Steven Huff,2023-10-15 Too often the lives and works of authors who called Upstate New York home are overshadowed by the icons of New York City Resting among Us uncovers the region's rich literary heritage through Steven Huff's journeys to the graves of writers both famous and celebrated as well as those that have been forgotten While most Upstate residents are aware that Mark Twain's grave is in Elmira and that James Fenimore Cooper's is in Cooperstown many

people don't realize a noted author may be buried in their local cemetery For instance Paul Bowles is buried in Lakemont John Gardner in Batavia Rod Serling in Interlaken John Burroughs in Roxbury and Adelaide Crapsey in Rochester Interwoven with these remarkable literary lives are the connected stories of the region's history and Huff's own encounters and friendships with some of the writers included in the book With directions to each author's grave as well as photographs of the graves and authors themselves *Resting among Us* is the perfect companion for your own enlightening literary pilgrimage

three years later we have the companion volume a second book of more than 1 000 pages in one voice that of our most provocative contemporary film critic and historian Juxtaposing the fanciful and the fabulous the old favorites and the forgotten this sweeping collection presents the films that Thomson offers in response to the question he gets asked most often What should I see This new book is a generous history of film and an enticing critical appraisal written with as much humor and passion as historical knowledge Not content to choose his own top films though they are here Thomson has created a list that will surprise and delight you and send you to your best movie rental service But he also probes the question after one hundred years of film which ones are the best and why Have You Seen suggests a true canon of cinema and one that s almost completely accessible now thanks to DVDs This book is a must for anyone who loves the silver screen the perfect confection to dip into at any point for a taste of controversy little known facts and ideas about what to see This is a volume you ll want to return to again and again like a dear but argumentative friend in the dark at the movies The Social Value of Drug Addicts Merrill Singer,J Bryan Page,2016-06-16 In a wide ranging analysis covering popular culture policy and underlying social structures this book shows how drug addicts are socially constructed as useless burdens on society and who benefits from that portrayal **Ray Milland** Gillian Kelly,2025-09-23 Ray Milland 1907 1986 was the inaugural Welshman to win the Best Actor Academy Award as well as a performer boasting a rich and varied oeuvre from the silent era in 1920s Britain to New Hollywood in the 1980s Despite being one of the most prolific actors in cinema history who left behind a legacy of almost 180 film and television appearances across seven different decades Milland remains a somewhat forgotten figure of cinematic history Ray Milland Identity Stardom and the Long Climb to The Lost Weekend fills this void in scholarship by offering a detailed examination of Milland as one of Hollywood s most durable and fascinating performers of the studio era The volume begins by exploring Milland s unique Welsh identity in Hollywood which was essentially erased by the studios It then turns to his underexplored early career at MGM prior to signing with Paramount Pictures where he remained for over two decades Author Gillian Kelly discusses his early roles as a stereotypical Brit in Hollywood as well as his stardom years at Paramount where he often provided support for the studio s leading ladies including Claudette Colbert Dorothy Lamour and Paulette Goddard A chapter is dedicated to his Oscar winning performance in The Lost Weekend and important later films like Dial M for Murder and Love Story also receive detailed analysis Overall Ray Milland provides a reappraisal of Milland s earlier career and situates his performances within the broader tradition of star studies
