Barrie, Hook, and Peter Pan Elisa T. Di Biase,Alfonso Muñoz Corcuera,2012-11-15 Peter Pan was born over a century ago There is something doubly contradictory in this phrase that although true is also the reason why this book has been released We are talking about the boy who will never grow up and the fact that he is celebrating his hundredth birthday should provoke some surprise At the same time he is such a powerful icon that it is also true that he seems to have been there floating in our culture reappearing in its images since time immemorial much farther back than the early twentieth century This book shows that although he considered dying to be an awfully big adventure Peter Pan is on his one hundredth birthday more alive than ever And our prediction is that he will accompany our culture as long as it survives Like all great myths Peter will continue bursting through the window of our texts leading us to other worlds so that when we least expect it we will hear his cry emanate from a dark ocean This book in a sincere tribute intends to be both a compilation and a precedent by inspiring a deeper look into its image we hope to influence the life of this character so dear and yet so mysterious and seductive Peter Pan ha cumplido un siglo de vida Hay algo doblemente contradictorio en esta frase que por lo dem s es cierta y es el motivo por el cual este libro ha visto la luz Estamos hablando del ni o que nunca crece y el hecho de

que celebre su cumpleaños no mero cien puede provocarnos cierta extrañeza Por otro lado se trata de un icono tan poderoso que también es verdad que parece haber estado ahí flotando en nuestra cultura resurgiendo en sus imágenes desde tiempos inmemoriales mucho más lejanos que los albores del siglo XX Este libro muestra que a pesar de que considere que morir podría resultar una aventura extraordinaria Peter Pan está a sus cien años más vivo que nunca Y el panorama pinta en efecto para una vida que acompaña a nuestra cultura mientras esta sobreviva Igual que sucede con todos los grandes mitos Peter seguir irrumpiendo a través de la ventana de nuestros textos guiándonos a otros mundos de tal manera que cuando menos lo esperemos escucharemos su grito emanar de un oculto oscuro Este libro en un sincero homenaje pretende ser compilación y precedente y mediante la provocación mediante la motivación de la profundización en su figura incidir en la trayectoria de la vida de este personaje tan entrañable y a la vez tan misterioso y seductor
