Shout to the Lord Ari Y. Kelman, 2018-06-19 How music makes worship and how worship makes music in Evangelical churches Music is a nearly universal feature of congregational worship in American churches Congregational singing is so ingrained in the experience of being at church that it is often misunderstood to be synonymous with worship For those who assume responsibility for making music for congregational use the relationship between music and worship is both promising and perilous promise in the power of musical style and collective singing to facilitate worship peril in the possibility that the experience of the music might eclipse the worship it was written to facilitate As a result those committed to making music for worship are constantly reminded of the paradox that they are writing songs for people who wish to express themselves as directly as possible to God This book shines a new light on how people who make music for worship also make worship from music Based on interviews

with more than 75 songwriters worship leaders and music industry executives Shout to the Lord maps the social dimensions of sacred practice illuminating how the producers of worship music understand the role of songs as both vehicles for and practices of faith and identity This book accounts for the human qualities of religious experience and the practice of worship and it makes a compelling case for how sometimes faith comes by hearing Every Day a Good Day Stephanie Shimmin, Hilary White, 2006-09-14 Every Day a Good Day is an excellent classroom management tool for newly qualified early years practitioners With its focus on daily routines it provides practical sensitive and diverse advice on topics such as settling in children mealtimes toileting and beginning and ending of sessions It also tackles more complex issues of working with groups of children and supporting positive behaviour The clarity and simplicity of its presentation is appealing Barbara Isaacs College Chief Executive Montessori Centre International The book guides the reader through the practicality of organising and running a pre school provision It gives lots of practical suggestions for activities to meet the needs of children and parents in situations ranging from settling in to ideas for the curriculum The snapshot scenarios are a true reflection of daily occurrences in a pre school setting and provides a basis for both experienced and new practitioners to evaluate their practice Santa Nyeko Senior Pre school Development Worker PLA My first impression of this book was very positive and I was not disappointed Well managed everyday routines are essential to an enjoyable and constructive day for the children and practitioners involved This book helps towards a common sense approach to good practice in everyday routines I thoroughly enjoyed this book National Childminding Association This is a practical book which will help any leader as they think about the daily routines of their setting Early Years Update Focusing on the common everyday issues that are daily concerns for all early years settings this book looks at how to settle new children start and end learning activities work with groups establish routines that promote positive behaviour manage mealtimes and naps offer safe and exciting outdoor activities observe young children in the setting foster a sense of belonging work effectively with parents It covers the daily routine of the typical early years educator and offers lots of suggestions for useful strategies to try out in key areas of practice Highly practical and clearly written by two teachers all early years workers will find something useful and helpful in this book
